in the strange and sordid secrets surrounding his past is the key to protecting Kara's future. Nothing has ever meant more to him than saving the treasure of her life and the fire of her heart. While earth's lower realms seek payback for Kara's transgressions, Kara finds a new ally in a surprising place: the Valari matriarch herself. Beneath the scrutiny of the world press, Veronica orchestrates a plan to protect her daughter by doing what she does best: shining the spotlight on her. But by her side, Maximus can't escape the glare of the paparazzi. Can they buy time and blind their enemies with Kara's fame? Or will Hollywood's new it couple and their forbidden love incite more vengeance than they'd ever bargained for.

Blood of Zeus Meredith Wild, Angel Payne, 2020-08-25. An ancient grudge. A forbidden love. The only thing worse than being a demon is being a Valari. As an undergraduate at Los Angeles's Alameda University, Kara Valari can sometimes succeed at forgetting she's both lost between the pages of the classics and tucked into the shadows of lecture halls; she can dodge the paparazzi's lenses as well as her family's publicized dramas, not to mention their private expectations. She has one more year to feed her true passions. Then she'll be expected to fulfill a much darker destiny. Cursed with inexplicable strength and godlike stature, literature professor Maximus Kane knows all about darkness. Every day he's reminded of the missteps of his childhood and the devastating consequences they've had on those dearest to him. To atone, Maximus spends his nights alone, and his days submerged in the quiet life of academia. His existence has become a study in control, and he's become a master at it. Until Kara Valari walks into his toughest course. Viscerally, Kara's everything he craves. Logically, she's everything he rejects. She's a starlet of privilege. She's also a student. And after one touch, he can't deny that she's awakened something in him that may never go dormant. Nothing about her makes sense, but everything about her feels right. Especially in the deepest strands of his DNA, which are still shadows of mystery to him. A mystery Kara seems determined to uncover. She's Hollywood royalty. She's forbidden fruit. And he's pretty sure she could be the answer to everything.

Encyclopedia of Romance Fiction Kristin Ramsdell, 2018-09-07. As the first encyclopedia solely devoted to the popular romance fiction genre, this resource provides a wealth of information on all aspects of the subject. Romance fiction accounts for a large share of book sales each year, and contrary to popular belief, not all of its readers are women; roughly 16 percent are men. This enormously popular genre continues to captivate people reading for pleasure, and it also commands a growing amount of academic interest. Included are alphabetically arranged reference entries on significant authors, along with works, themes, and other topics. The articles are written by scholars, librarians, and industry professionals with a deep knowledge of the genre and so provide a thorough understanding of the subject. An index provides easy access to information within the entries, and bibliographies at the end of each entry, a general bibliography, and a suggested romance reading list allow for further study of the genre.
