Mermaid in Chelsea Creek Michelle Tea, 2013-05-14 Everyone in the broken down town of Chelsea Massachusetts has a story too worn to repeat from the girls who play the pass out game just to feel like they're somewhere else to the packs of aimless teenage boys to the old women from far away who left everything behind But there's one story they all still tell the oldest and saddest but most hopeful story the one about the girl who will be able to take their twisted world and straighten it out The girl who will bring the magic Could Sophie Swankowski be that girl With her tangled hair and grubby clothes her weird habits and her visions of a filthy swearing mermaid who comes to her when she's unconscious Sophie could be the one to uncover the power flowing beneath Chelsea's potholed streets and sludge filled rivers and the one to fight the evil that flows there too Sophie might discover her destiny and maybe even in time to save them all **You Have the Right to**

**Remain Fat** Virgie Tovar, 2018-08-14 In this bold new book Tovar eviscerates diet culture proclaims the joyous possibilities of fatness and shows us that liberation is possible Sarai Walker author of *Dietland* Growing up as a fat girl Virgie Tovar believed that her body was something to be fixed But after two decades of dieting and constant guilt she was over it and gave herself the freedom to trust her own body again Ever since she's been helping others to do the same Tovar is hungry for a world where bodies are valued equally food is free from moral judgment and you can jiggle through life with respect In concise and candid language she delves into unlearning fatphobia dismantling sexist notions of fashion and how to reject diet culture's greatest lie that fat people need to wait before beginning their best lives This book feels like spending a margarita soaked day at the beach with your smartest friend Virgie Tovar shares juicy secrets and makes revolutionary ideas viscerally accessible You'll be left enlightened inspired happier and possibly angrier than when you started Joy Nash actress Tovar is a vital voice in contemporary activism media and feminism The joy she takes in her own body and life combined with the righteous anger she expresses at an oppressive world is a truly radical act She is deeply thoughtful but does not equivocate She confronts bigotry but does not engage with bullshit Kelsey Miller author of *Big Girl* Long time body positive writer speaker and activist Virgie Tovar is gifting brown round girls the book we've been hungry for Mit *Against Memoir*

Michelle Tea, 2018-05-08 The PEN Award winning essay collection about queer lives Gorgeously punk rock rebellious *The A V Club* The razor sharp but damaged Valerie Solanas a doomed lesbian biker gang recovering alcoholics and teenagers barely surviving at an ice creamery these are some of the larger than life yet all too human figures populating America's fringes Rife with never ending fights and failures theirs are the stories we too often try to forget But in the process of excavating and documenting these queer lives Michelle Tea also reveals herself in unexpected and heartbreaking ways Delivered with her signature honesty and dark humor this is the first ever collection of journalistic writing by the author of *How to Grow Up and Valencia* As she blurs the line between telling other people's stories and her own she turns an investigative eye to the genre that's nurtured her entire career memoir and considers the price that art demands be paid from life Eclectic and wide

ranging A palpable pain animates many of these essays as well as a raucous joy and bright curiosity The New York Times Queer counterculture beats loud and proud in Tea s stellar collection Publishers Weekly starred The best essay collection I ve read in years The New Republic Winner of the PEN Diamonstein Spielvogel Award for the Art of the Essay **Girl at the Bottom of the Sea** Michelle Tea,2015-05-05 Sophie Swankowski is the hero from the stories she s been hearing all her life she s the girl who will save the world Or so she s been told Now she and her unlikely guardian the gruff filthy mermaid Syrena must travel the pitch black seas from broken down Chelsea Massachusetts to Syrena s homeland in Poland Along the way Syrena will reveal the terrible truth about her past and teach Sophie about the ages old source of her newly discovered power But left behind in Chelsea without Sophie to protect them from the dark magic she s awakened what will become of Sophie s friends and family Girl at the Bottom of the Sea is the follow up to Michelle Tea s beloved Mermaid in Chelsea Creek a refreshing breath of air in the world of YA equal parts eerie heartbreaking and fantastical ZZZZYVA An Army of Lovers David Buuck,Juliana Spahr,2013-09-23 This experimental work is not for the faint of heart but it is laced with meditations that will appeal to readers concerned with poetry s role in the world Publishers Weekly I am fascinated by their attention to inequality to questions of violence and community something borne out by the collaboration itself Bhana Kapil s Best Books of 2013 on The Volta An Army of Lovers explores the liminal spaces where cities and individuals come together and stand apart with strange brainy grace Michelle Tea author of Mermaid in Chelsea Creek By means of a series of stylistically and tonally various prose segments by turns reflexive and dialogic ironic and depressive unhinged and hallucinatory wetly emotional and dryly wry including a detournement of a Raymond Carver story the book centers emotionally on the ebb and flow of what it calls struggle force Signature drone strikes torture ecological collapse environmental illness and chronic fatigue syndrome it s all connected Miranda Mellis Rain Taxi The book offers many ways of approaching the age old questions What makes something art and What makes someone a decent citizen as well as if not primarily exploring the ways in which the answers to these questions might intersect More impressively it does so without being didactic and yet without being obscure as so many efforts at high concept art tend to be Evan Karp SF Weekly Fantastical lyrical whimsical and wildly experimental An Army of Lovers is as serious as it is absurd Christopher Higgs HTMLGIANT This picaresque story about the particular lostness of poetry the ways poems always win and the lives of self described mediocre poets is actually pretty hilarious It s also smart incisive and politically astute Now to the barricades Rebecca Brown author of American Romances Essays An Army of Lovers begins with the story of two poets Demented Panda and Koki united in their desire to write politically engaged poetry at a time when poetry seems to have lost its ability to effect social change Their first project is more than a failure resulting in a spell that unleashes a torrent of raw sewage and surrealistic embodiments of consumerist excess and black site torture techniques Subsequent chapters feature an experimental composer Koki and a performance artist Panda whose bodies are literally invaded with the ills of capitalism manifested through leaking blisters and other

maladies as well as a radical remix of a Raymond Carver story questioning What We Talk About When We Talk About Poetry The novel concludes with Panda and Koki returning to the site of their failed collaboration to conjure up a more utopian vision of an army of lovers Fantastical lyrical whimsical and wildly experimental An Army of Lovers is as serious as it is absurd

**Legends of the New**

**England Coast** Edward Rowe Snow,1957 There is something about the sea and its shores that stirs the imagination of storytellers and few richer sources of legends can be found than the rugged coastline of New England Edward Rowe Snow devoted much of his life to collecting and retelling such tales and in this volume he has gathered some of the most bizarre of the stories he has found His subjects range from fact to fancy and from as far back as the earliest colonial days to modern times There are accounts of phantom ships mermaids who enchanted hapless sailors and witches curses that brought disaster to passing vessels The characters are as unpredictable as the general who sold his soul to the devil and the pirate who became the self appointed godfather to a baby born at sea Snow also recounts two recent events that promise to become legends of the future the sinking of the Andrea Doria and the refloating of the Etrusco from Scituate Beach From publisher description
