Mentioned by Pope Francis as a writer whom everyone should read Robert Hugh Benson author of *Lord of the World* shares his spiritual journey from being an Anglican and son of the archbishop of Canterbury to becoming a Roman Catholic priest Through his humble honest and memorable story Benson invites us in this republished classic to think about what it means to wrestle with the deep questions of our Catholic faith while rejoicing in the power of their universal truths In 1907 *The Ave Maria* magazine invited well known English novelist Robert Hugh Benson to share his conversion story He began the first of eight installments with a statement that captures the perils and joys faced by converts as they attempt to cross the Tiber When one stands at last upon high ground it is extraordinarily difficult to trace the road by which one has approached it winds rises falls broadens and narrows until the mind is bewildered Benson weaves those challenges into *Confessions of a Convert* as he examines his own life for the signs and wonders that illuminated his way He was astonished at how the remote God of his Anglican upbringing drew close to him igniting a fire in his heart and a desire to know God on a deeper level This transformation led him to the doorstep of the Catholic Church Reluctant to venture further because he was known as an important figure in the Anglican world Benson grappled with the sacrifices he would make including the loss of his vocation family and friends After the death of his father Benson finally embraced the nearness of God found in the Eucharist He shows us that coming closer to Christ and his Church is not always neat and tidy Benson s humor and humility help bridge the

century long gap between his time and ours and he teaches us to embrace the questions struggles and falterings of our faith in a way that is full of God's love

Why I Became a Catholic Joseph Pope, 2001 Originally written as a personal testimony to his own children on why he became a Catholic this is a conversion story of Sir Joseph Pope written during the early part of the 20th century Born on Prince Edward Island Canada in 1854 to a family renowned for distinguished service to the Canadian government Joseph carried on the family tradition as a highly regarded civil servant Joseph served as the private secretary to Sir John Macdonald Canada's first prime minister and then as Undersecretary of State during the government of Sir Wilfrid Laurier Like St Thomas More Pope was held in high esteem as a public servant and he enjoyed the total confidence of prime ministers and governors all whom sought his advice He also was a prolific author of some two dozen books and pamphlets including the official biographies of major Canadian historical figures Amidst this busy public life Sir Joseph Pope developed a profound spiritual life and a mind always hungry for eternal truth Raised in a nominal Anglican family early on he sensed the inconsistencies and lack of solid authority and doctrinal beliefs in Anglicanism His persistent and courageous search for the fullness of truth and grace finally led him home to the Catholic Church Having found the pearl of great price he wrote this lasting memoir to share with his children and now all of us the rich treasure of his Catholic faith

Bread Not Stones Una Kroll, 2014-12-12 The life journey of a woman who as a medical doctor missionary nun pioneer of gender equality Anglican priest and now a contemplative Catholic influenced the lives of thousands Una Kroll is one of the most outspoken campaigners for the ordination of women She achieved a certain notoriety in 1978 at the Church of England's General Synod when its members turned down a proposal to prepare legislation to ordain women to the priesthood Quoting from Matthew 7:9 she shouted from the gallery We asked you for bread and you gave us a stone 2014 marks the 20th anniversary of the ordination of women on the Church of England and 2015 will almost certainly see the consecration of women as bishops This celebration will both rekindle interest in the history of the movement for women's ordination and also serve to further ignite debate for the same in the Roman Catholic Church Una Kroll told BBC radio about the campaign for the full inclusion of women into the Anglican church and her role in it Listen again at <http://www.bbc.co.uk/programmes/b04p5f3c>

Confessions of a Convert Robert Hugh Benson, 2022-08 Confessions of a Convert is Robert Hugh Benson's autobiographical account of his journey from an Anglican brought up in the moderate High Church school of thought to a Catholic priest living under the sunlight of Eternal

Truth Benson was raised as a faithful yet unreflective member of the Anglican communion whose childhood was dominated by his father's the Archbishop of Canterbury's unquestioning commitment to doctrine. Theology was merely the family business and hints at a more personal relationship with God only arose with snatches of poetry or a fleetingly splendid line from a sermon. As the years progressed however Benson felt called to join his father in the priesthood and he was ordained a priest in the Church of England in 1895. Benson recounts how his growing love of ritual and the sacrament of Confession first turned his thoughts towards Catholicism transforming his childhood contempt for the Church into sympathy. These loves simultaneously planted doubts about the Anglican communion since he could nowhere find a unanimous interpretation of its doctrines. For years Benson alternated between contented faith and turbulent questioning. Eventually however Catholicism's invincible unity and deep ritual swayed his mind and heart and Benson was received into the Church in 1903. Benson weaves an intricate tapestry of thoughts, images, impressions and arguments all of which lead to his conversion. Above all it is the Church's unflinching and eternal answer to the perennial question: Master, what must I do to be saved that stands as the cornerstone of Benson's Catholic faith. *Confessions of a Convert* appeals to neophytes and cradle Catholics alike as a testament to true faith revealing how God uses family history, beauty and liturgy to call His children home. Mgr Benson's *Confessions of a Convert* are edifying and entertaining in equal measure and a fascinating snapshot of the Anglican and Catholic scenes in his day. They remind us of the great soul searching and also personal suffering undertaken by the generations of converts from Newman up to the 1950s who enriched the Catholic Church in the British Isles while the Church was subject to the soft persecution of prejudice and social exclusion. Joseph Shaw, PhD Fellow and Tutor in Philosophy at St Benet's Hall, Oxford University, Chairman of the Latin Mass Society of England and Wales. This is a story about a man who was obedient to the Truth wherever it led. By worldly standards Benson had everything to lose by converting to Catholicism and nothing to gain. As an affluent, cultured and well connected son of an Archbishop of Canterbury he lacked no opportunity to build for himself an exquisitely pleasant life as an Anglican priest. But he left that life behind because it was not built upon the foundation Christ had established for His Church. This is a moving story of deep loss but even deeper joy as the author realizes that what is True is also equally Good and Beautiful. Thomas Ward, PhD Associate Professor of Philosophy, Baylor University. In Robert Hugh Benson's most candid and autobiographical work the reader is struck by the intellectual honesty that paved the way for his renunciation of the Anglican religion. Continually guided by his love for the truth, the book reads like an epic journey into what one contemporary of his calls the City of Peace. Those who grew up in the Catholic Church will find in *Confessions of a Convert* an intriguing insight into the seismic transformation that can sometimes occur en route to Catholicism. Non-Catholics will find in it all the reasons they need to convert. Fr. Patrick O'Donohue, Irish Apostolate of the Fraternity of St. Peter. *A Rocking Horse Catholic* Caryll Houselander, Catholic Way Publishing, 2014-09-05. A ROCKING HORSE CATHOLIC CARYLL HOUSELANDER. No Ordinary Fool John Jay Hughes,2008-09 Why does a gifted boy from a privileged Establishment background decide at the age of twelve to spend his life as a priest And what moves him after six happy years in the Anglican priesthood to enter the alien world of Roman Catholicism In a gripping narrative full of humor and self directed irony John Jay Hughes tells of the loss of his mother at age six entry into the Catholic Church at the cost of estrangement from his beloved Anglican priest father his lifelong search for God in prayer and his joy in priesthood all I ever wanted from age twelve

A Right to Be Merry Mother Mary Francis,2001-09-01 Can life really be merry inside a Poor Clare cloister This happy book reveals the challenges cares and joys of that cloistered life from an insiders view The poet s cry O world I cannot hold you close enough is the heart s cry of the enclosed contemplative No one who has not lived in a cloister can fully understand just how intertwined are the lives of cloistered nuns Their hearts may be wide as the universe and bottomless as eternity but the practical details of their living are boxed up into the small area within the enclosure walls Cloistered nuns rub souls as well as elbows all their lives and if they do not step out of themselves to get a true perspective they can become small souled and petty and remain immature children all their lives long But as Mother Mary Francis points out they also have as great a right to be merry as any lady in the world Nor is merriment all Hidden away from the glare and noise of worldly living Mother Mary Francis writes we are enclosed in the womb of holy Church I walk down the cloisters and my heart moves to a single tune Lord it is good so good to be here
