Merton Of The Movies:

Merton of the Movies Harry Leon Wilson, 2018-04-06 Reproduction of the original Merton of the Movies by Harry Leon Wilson **Merton of the Movies, by Harry Leon Wilson** Harry Leon Wilson, 1922 Merton of the Movies by Harry Leon Wilson, Science Fiction, Action & Adventure, Fantasy, Humorous Harry Leon Wilson, 2009 A hit by novelist and playwright Harry Leon Wilson 1867-1939 Merton of the Movies captivated its American audience when it appeared on the printed page and again when it hit the silver screen first in 1924 by director James Cruze then in 1947 in the Metro Goldwyn Mayer production featuring Red Skelton and Virginia O'Brien *Merton of the Movies (Classic Reprint)* Harry Leon Wilson, 2017-10-12 Excerpt from Merton of the Movies Out there in the great Open spaces where men are men a clash of primitive hearts and the coming of young love into its own Well had it been for Estelle St Clair if she had not wandered from the Fordyce ranch A moment's delay in the arrival of Buck Benson a second of fear in that brave heart and hers would have been a fate worse than death Had she not been warned of Snake le Vasquez the outlaw his base threat to win her by fair means or foul Had not Buck Benson himself that strong silent man of the open begged her to beware of the halfbreed Perhaps She had resented the hint of mastery in Benson's cool quiet tones as he said Miss St Clair ma'am I beg you not to endanger your welfare by permitting the advances of this viper He bodes no good to such as you About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Merton of the Movies Harry Leon Wilson, 1922 **MERTON OF THE MOVIES** Harry Leon 1867-1939 Wilson, 2016-08-29 **Merton of the Movies** Harry Leon Wilson, 2021-03-30 The most joyful and gorgeous satire on the motion picture industry that has ever appeared a novel packed with humor by a man of great gifts for fantastic whimsy and acute observation the latest and perhaps the best work by one of the most civilized and intelligent literary artists in America Made into a movie starring Red Skelton The Last Word Justin Gautreau, 2021 The Last Word argues that the Hollywood novel opened up space for cultural critique of the film industry at a time when the industry lacked the capacity to critique itself While the young studio system worked tirelessly to burnish its public image in the wake of celebrity scandal several industry insiders wrote fiction to fill in what newspapers and fan magazines left out Throughout the 1920s and 1930s these novels aimed to expose the invisible machinery of classical Hollywood cinema including not only the evolving artifice of the screen but also the promotional discourse that complemented it As likeminded filmmakers in the 1940s and 1950s gradually brought the dark side of the industry to the screen however the Hollywood novel found itself struggling to live up to its

original promise of delivering the unfilmable By the 1960s desperate to remain relevant the genre had devolved into little more than erotic fantasy of movie stars behind closed doors perhaps the only thing the public couldn't already find elsewhere Still given their unique ability to speak beyond the institutional restraints of their time these earlier works offer a window into the industry's dynamic creation and re-creation of itself in the public imagination

Merton of the Movies George Simon Kaufman, Marc Connelly, 1953

Main Street Movies Martin L. Johnson, 2018-01-23 See yourself in the movies Prior to the advent of the home movie camera and the ubiquitousness of the camera phone there was the local film This cultural phenomenon produced across the country from the 1890s to the 1950s gave ordinary people a chance to be on the silver screen without leaving their hometowns Through these movies residents could see themselves in the same theaters where they saw major Hollywood motion pictures Traveling filmmakers plied their trade in small towns and cities where these films were received by locals as being part of the larger cinema experience With access to the rare film clips under discussion Main Street Movies documents the diversity and longevity of local film production and examines how itinerant filmmakers responded to industry changes to keep sponsors and audiences satisfied From town pride films in the 1910s to Hollywood knockoffs in the 1930s local films captured not just images of local people and places but also ideas about the function and meaning of cinema that continue to resonate today

Hollywood on Stage Kimball King, 2013-07-04 Playwrights have been depicting Hollywood as a cultural desert and an industry of profit-driven philistines ever since the early days of the movies This collection of original essays covers the period from the 1920s to the present but concentrates on such contemporary playwrights as David Mamet Sam Shepard David Rabe Arthur Kopit and Adrienne Kennedy A substantial proportion of the volume is devoted to a discussion of the way in which these authors deconstruct Hollywood myths to reveal painful social and psychological issues in American life providing a deeper and darker picture than the simple satires of movie making in the 1920s and 1930s or Odets's comparison of the commercially debased Hollywood with the higher purer art of the theatre To complete and further complicate the picture the volume concludes with essays on the African American experience gay writers and feminist writing as seen through the lens of Marlene Meyer's *ETTA JENKS* It is obvious that the legitimate stage remains a watchdog and constant critic of what is possibly the world's most powerful cultural phenomenon This book will be eagerly read by all students of film theatre and 20th century literature

Merton of the Movies Harry Leon Wilson, 2017-08-06 Harry Leon Wilson May 1 1867 June 28 1939 was an American novelist and dramatist best known for his novels *Ruggles of Red Gap* and *Merton of the Movies*. His novel *Bunker Bean* helped popularize the term flapper. Harry Leon Wilson was born in Oregon, Illinois, the son of Samuel and Adeline nee Kidder. Samuel was a newspaper publisher and Harry learned to set type at an early age. He began work as a stenographer after leaving home at sixteen. He worked his way west through Topeka, Omaha, Denver, and eventually to California. He was a contributor to the histories of Hubert Howe Bancroft and became the private secretary to Virgil Bogue. In December 1886 Wilson's story *The Elusive Dollar Bill* was accepted by *Puck* magazine. He continued to contribute to *Puck* and became assistant editor in 1892. Henry Cuyler Bunner died in 1896 and Wilson replaced him as editor. The publication of *The Spenders* allowed Wilson to quit *Puck* in 1902 and devote himself full time to writing.

Structures of the Jazz Age Chip Rhodes, 1998 Rhodes grants the truth of appearances to the clichés of the Jazz Age, the lost generation of writers, the era of mass consumption, and the silver screen while revealing their roots in a conservative ideology which sustained Republican rule.

Red Skelton Wes Gehring, 2013-09-10 For more than twenty years Hoosier comic Red Skelton entertained millions of viewers who gathered around their television sets to delight in the antics of such notable characters as Freddie the Freeloader, Clem Kaddiddlehopper, Cauliflower McPugg, and Sheriff Deadeye. Noted film historian Wes D. Gehring examines the man behind the characters, someone who never let the facts get in the way of a good story. Gehring delves into Skelton's hardscrabble life with a shockingly dysfunctional family in the southern Indiana community of Vincennes, his days on the road on the vaudeville circuit, the comedian's early success on radio, his up and down movie career with Metro-Goldwyn-Mayer, and his sometimes tragic personal life.

Classical Hollywood, American Modernism Jordan Brower, 2024-01-18 This book charts the Hollywood studio system's genesis, international dominance, and self-understood demise by way of its influences on modernist literature in the United States.
