Mervyn Stockwood A Lonely Life:

Mervyn Stockwood Michael De-la-Noy, 1997-09-01 Mervyn Stockwood was the most controversial diocesan bishop of his generation An innovator and enabler he encouraged far reaching experiments in Southwark London and recruited the most able and energetic clergy ever to enliven a cathedral chapter Through a barrage of criticism he supported John Robinson when he published *Honest to God* he put into operation the Southwark Ordination Course which became a blueprint for the the Church of England he chose as his suffragans men like David Sheppard and Hugh Montefiore who went on to become household names as diocesan bishops A socialist he was appointed by a Tory Prime Minister an Anglo Catholic by upbringing he was a friend and supporter of evangelical missionaries like Billy Graham and Bryan Green **David Owen, Human Rights and the Remaking of British Foreign Policy** David Grealy, 2022-10-06 Although the evolution of human rights diplomacy during the second half of the 20th century has been the subject of a wealth of scholarship in recent years British foreign policy perspectives remain largely underappreciated Focusing on former Foreign Secretary David Owen s sustained engagement with the related concepts of human rights and humanitarianism David Owen *Human Rights and the Remaking of British Foreign Policy* addresses this striking omission by exploring the relationship between international human rights promotion and British foreign policy between c 1956 1997 In doing so this book uncovers how human rights concerns have shaped national responses to foreign policy dilemmas at the intersections of civil society media and policymaking how economic and geopolitical interests have defined the parameters within which human rights concerns influence policy how human rights considerations have influenced British interventions in overseas conflicts and how activism on normative issues such as human rights has been shaped by concepts of national identity Furthermore by bringing these issues and debates into focus through the lens of Owen s human rights advocacy analysis provides a reappraisal of one of the most recognisable albeit enigmatic parliamentarians in recent British history Both within the confines of Whitehall and without Owen s human rights advocacy served to alter the course of British foreign policy at key junctures during the late Cold War and post Cold War periods and provides a unique prism through which to interrogate the intersections between Britain s enduring search for a distinctive role in the world and the development of the international human rights regime during the period in question

Memoirs of a Very Dangerous Man Donald Reeves, 2009-04-25 A Visionary with Attitude Jack Dee The most extraordinary clergyman in the Church of England The Times A very dangerous man Baroness Thatcher Donald Reeves is a cult figure in religious and political circles The former Rector of St James Piccadilly is a man of action and vision who lives out his religious belief through political activity and struggle He is charismatic with enormous personal charm and persuasiveness After a conventional middle class upbringing Reeves felt pushed by God to be ordained Following an apprenticeship at Maidstone where he was already a controversial figure Reeves became Chaplain to the notorious Anglican bishop Mervyn Stockwood He was thus trained in an atmosphere of socialist politics with a tinge of sexual ambiguity

Stockwood is just one of the figures about whom Reeves writes with relish and acuity in this volume of memoirs After being radicalized in Chicago in 1968 he carried the revolution to a housing estate in South London Reeves heyday was as Rector of St James s Church in Piccadilly a space he filled with extraordinary worship celebrated pulpit dialogues a coffee house street market and through which there was an endless march of gurus leading international film makers writers theologians and politicians Reeves had several brushes with Margaret Thatcher He has also been an adviser to Rio Tinto on corporate responsibility and worked for Mittal Steel in Bosnia Today he devotes himself to working for peace in the Balkans a region he argues which could so easily disintegrate into messy conflict again Reeves never lets the grass grow under his feet His energy is inexhaustible even in his seventies and this energy pulsates through the pages of this fascinating book

Gratitude and Grace Joel W. Huffstetler, 2009-09-29 Gratitude and Grace The Writings of Michael Mayne offers an introduction and overview of the five bestselling books by one of the United Kingdom s finest spiritual writers Michael Mayne who served as dean of Westminster Abbey from 1986 to 1996 Previously he had served as vicar of Great St Mary s the University Church Cambridge and as Head of Religious Programmes for BBC Radio Mayne s primary vocation was that of pastor not writer but his deep pastoral wisdom shines through in his books Though clearly Christian in orientation Michael Mayne s books were written to appeal to all who are on a quest to integrate spirituality into their daily lives His work recalls the very best of English pastoral writing such as that of George Herbert Thomas Traherne and Francis Kilvert The list of the finest English pastoral books now includes those by Michael Mayne d 2006 Gratitude and Grace The Writings of Michael Mayne is the first book length treatment of Mayne s writings and will remain the starting point of Mayne studies for years to come *Archbishop Fisher, 1945-1961* Andrew Chandler, David Hein, 2012 This book explores Archbishop Fisher s influence on major contemporary issues and events including divorce law reform capital punishment at home the end of Empire and the most dangerous years of the Cold War abroad This new biography establishes the continuing significance not only of the office of Archbishop in the Church but also of the Church at large in the tumultuous world of the later twentieth century A final section of original source material includes letters sermons and other writings bringing vividly to life the range and character of Fisher s public and private role **The Living Church** , 1997 Bringing Art to Life Andrew

Horral, 2009-09-14 In 1959 Alan Jarvis the brilliant and charismatic director of the National Gallery of Canada was forced to resign following a disagreement with the government over the purchase of works by European Old Masters He never fully recovered from this dismissal or the public humiliation that followed succumbing to alcoholism in a little over a decade

Taking the Long View Colin Buchanan, 2006 This is a fairly personal book It records 40 years of cut and thrust in the Church of England s General Synod and kindred bodies as I have seen it experienced it and on occasion handed it out myself Much is told from my personal standpoint and the selection of themes derives my own involvement It is not autobiography but an attempt as in my other writings at accurate journalism Oh yes and remember I am not telling it the way it was No one

on earth can do that I am telling it the way I have found it Colin Buchanan from the introduction to Taking the Long View Born in 1934 Bishop Colin received his MA from Lincoln College Oxford and trained for the ministry at Tyndale Hall Bristol He served as curate at Cheadle Chester Diocese from 1961 to 1964 He then went as tutor to the London College of Divinity which moved to Nottingham in 1970 and became St John s College He became Principal of St John s in 1979 and was an Honorary Canon of Southwell Minster from 1981 85 He received a DD from Lambeth in 1993 He became an Assistant Bishop in Rochester in 1989 and then Vicar of Gillingham St Mark from 1991 96 He was elected by the Nottinghamshire clergy to become a founder member of General Synod and was later elected by the suffragans of the Province of Canterbury to be one of their six representatives in the House of Bishops Bishop Colin is well known for his work on liturgy and has published extensively on the subject and others He founded the Grove Booklet Series He still writes booklets for this series and edits the semi official Anglican monthly News of Liturgy He was a member of the General Synod s Liturgical Commission 1964 86 and was one of the architects of the ASB He drafted the Church of England report on the Charismatic Movement 1981 and served on The Doctrine Commission 1986 91 He was one of those responsible for the report We believe in the Holy Spirit 1991

Britain's First Worker-priests John Mantle,2000

Archbishop Ramsey Peter Webster,2016-03-09 Archbishop Michael Ramsey s archiepiscope from 1961 to 1974 saw profound renegotiations of the relationship of the Church of England with its own flock with the nation more widely with the Anglican church worldwide and with the other Christian churches Drawing from unique source material in the Lambeth Palace Library archives and reproducing many original writings of Ramsey for the first time this book explores key questions which surround Ramsey s tenure How did Ramsey react to the rapid hollowing out of the regular constituency of the church whilst at the same time seeing sweeping changes in the manner in which the church tried to minister to those members What was his role in the widening of the church s global vision and the growing porousness of its borders with other denominations And how did the nature of the role of archbishop as figurehead change in this period

Evangelicalism and the Church of England in the Twentieth Century Andrew Atherstone,John G. Maiden,2014 An important contribution to the understanding of twentieth century Anglicanism and evangelicalism This volume makes a considerable contribution to the understanding of twentieth century Anglicanism and evangelicalism It includes an expansive introduction which both engages with recent scholarship and challenges existing narratives The book locates the diverse Anglican evangelical movement in the broader fields of the history of English Christianity and evangelical globalisation Contributors argue that evangelicals often engaged constructively with the wider Church of England long before the 1967 Keele Congress and displayed a greater internal party unity than has previously been supposed Other significant themes include the rise of various neo evangelicalisms charismaticism lay leadership changing conceptions of national identity and the importance of generational shifts The volume also provides an analysis of major organisations conferences and networks including the Keswick Convention Islington Conference and Nationwide Festival of Light ANDREW ATHERSTONE is tutor in history and doctrine and Latimer research fellow at Wycliffe Hall Oxford JOHN MAIDEN is lecturer in the Department of Religious Studies at the Open University He is author of National Religion and the Prayer Book Controversy 1927 1928 The Boydell Press 2009

Me, Me, Me Jon

Lawrence,2019-09-01 Many commentators tell us that in today s world everyday life has become selfish and atomised that individuals live only to consume But are they wrong In Me Me Me Jon Lawrence re tells the story of England since the Second World War through the eyes of ordinary people including his own parents to argue that in fact friendship family and place all remain central to our daily lives and whilst community has changed it is far from dead He shows how in the years after the Second World War people came increasingly to question custom and tradition as the pressure to conform to societal standards became intolerable And as soon as they could millions escaped the closed face to face communities of Victorian Britain where everyone knew your business But this was not a rejection of community per se but an attempt to find another new way of living which was better suited to the modern world Community has become personal and voluntary based on genuine affection rather than proximity or need We have never been better connected or able to sustain the relationships that matter to us Me Me Me makes that case that it s time we valued and nurtured these new groups rather than lamenting the loss of more real forms of community it is all too easy to hold on to a nostalgic view of the past **William Temple and**

Church Unity Edward Loane,2016-09-29 This book evaluates William Temple s theology and his pursuit of church unity It exposes a number of paradoxes and conflicts that have generally gone under appreciated in assessments of Temple William Temple was one of the most outstanding leaders of the early ecumenical movement In many ways his ecumenical efforts provided a paradigm others have looked to and followed Through detailed analysis of primary sources this study sheds light on several behind the scenes conflicts Temple experienced as he worked toward church unity Edward Loane explores the foundation of Temple s work by analyzing the philosophy and theology that underpinned and fueled it The book also exposes the tensions between Temple s denominational allegiance and his ecumenical convictions a tension that in some ways undermined his work for reunion This book reveals issues that contemporary Christians need to grapple with as they seek to further church unity **David Sheppard: Batting for the Poor**

Andrew Bradstock,2019-11-21 Sheppard first came to prominence as a cricketer in the 1950s An opening batsman he was selected for England while still at Cambridge and later captained his country In the 1960s Sheppard was a leading figure in the campaign to sever sporting links with South Africa a crucial factor in the ending of apartheid Converted in his first year at Cambridge Sheppard was ordained into the Church of England in 1955 His curacy in Islington gave him a passion to serve the church in the inner city a calling he fulfilled as warden for twelve years of the Mayflower Centre in Canning Town Following his appointment as Bishop of Woolwich in 1969 he published a major text about his work in urban areas Built as a City David Sheppard made his biggest mark as Bishop of Liverpool from 1975 97 forging a pioneering partnership with Archbishop Derek Worlock his Roman Catholic counterpart For twenty years the two worked tirelessly to revive the fortunes of the city helping to break down its many internal divisions In 1991 Sheppard was seriously considered for Archbishop of Canterbury following Robert Runcie retirement In 1997 Sheppard was awarded a life peerage and played an active role in the Lords and as a writer speaker and preacher until his death in

2005 This biography draws on the papers left by Sheppard in Liverpool Central Library other archival material and more than 150 interviews conducted by the author *Catholicism Opening to the World and Other Confessions* Vladimir Latinovic, Gerard Mannion, Jason Welle, O.F.M., 2019-01-08 This volume explores how Catholicism began and continues to open its doors to the wider world and to other confessions in embracing ecumenism thanks to the vision and legacy of the Second Vatican Council It explores such themes as the twentieth century context preceding the council parallels between Vatican II and previous councils its distinctively pastoral character the legacy of the council in relation to issues such as church world dynamics as well as to ethics social justice economic activity Several chapters discuss the role of women in the church before during and since the council Others discern inculturation in relation to Vatican II The book also contains a wide and original range of ecumenical considerations of the council including by and in relation to Free Church Reformed Orthodox and Anglican perspectives Finally it considers the Council s ongoing promise and remaining challenges with regard to ecumenical issues including a groundbreaking essay on the future of ecumenical dialogue by Cardinal Walter Kasper
