**Heart of a Prince** It was by pure accident that Nina was present at a lush gala event thrown to welcome the arrival of a wealthy prince. As a caterer, Nina could do just about anything when it came to food and service. But her boss has a new job for her: host an aristocratic party for the evening and entertain a handsome prince. Though Nina is nervous, she proves to be a talented hostess and seems to strike the prince's fancy. The prince, Robin of Othio, introduces himself and quickly puts Nina under a spell, stealing her from the party to explore the city of her home. Though he seems quite taken with her, he's under the impression that she is much wealthier than she is. Her dress would indicate a more wealthy position in society, but Nina keeps her secret to herself until it bubbles to the surface by accident. Will the prince forgive her white lie, or will it cause him to disappear forever?

**A Lavish Ball** is no place for a caterer like Nina, but she gets to play wealthy for a night in a fancy ballgown and ends up leaving the event with more than just a new experience. She leaves with the heart of a prince.

**Wager of Hearts** Cassie was supposed to kiss her boss, Markus, as part of a bet, so why is her mouth all over Ryan's instead? It all started with a bet. Cassie has been in love with her boss, Markus Smith, for as long as she can remember, but she's never had the courage to do anything other than adore him from afar. That is, until her best friend wagers with her that she can't claim one hot, steamy night of fun with him at the Christmas party where anything goes, so it won't matter anyway. What could possibly go wrong? Well, kissing the wrong man is a bad place to get started. But it doesn't end there. The man she kisses is her boss's friend, Ryan, and soon all three of their lives are intertwined in a way that's crazy, sexy, and incredibly confusing.
