## **Legend**

**of the Rainbow Warriors** Steven McFadden, 2005 Legend of the Rainbow Warriors is a journalist's account of one of the core myths of America and an electrifying exploration of how that myth is playing out in real time as we approach the crucial year of 2012 One dominant myth is formed by advertising images of vast luxurious wealth the myth of materialism Another myth is conjured in the bloody sorrowful images that pervade movies music and computer games the myth that the world is hate filled and chaotic beyond redemption The Legend of the Rainbow Warriors offers a spiritual alternative of hope and real possibility based upon respect freedom and responsibility As drawn from dozens of historical accounts the Legend of the

Rainbow Warriors relates that when the Earth becomes desperately sick people of all colors and faiths will unite and rise to face the overwhelming challenges with insight honesty caring sharing and respect Veteran writer Steven McFadden weaves the myths and the headlines together seamlessly in a rich work of literary journalism that is adroitly crafted eye opening and soul inspiring    *The Magical Circle School Newsletter: April 2015* Colleen Criswell,2015-03-23 In this edition of the Magical Circle School s newsletter we have Spell of the Month Contest Winner Circle Flowers Growth and Change by Freyja Mahogany Ostara Easter by Cara Kinnear The Magickal Book Club Powerful Pebbles by Skyla NightOwl Short Story Full Moon Diaries of the Teenage Witch by Silver Corona Moon Magick by DanielleRae The April Full Moon Ritual Happiness Booster by Colleen M Criswell April Fool s Day by Freyja Mahogany Club Notes Kitchen Witch Club s Cauldron Obsidian by Jonquil GreySkies February March 2015 Class Graduates The Magical Circle School April 2015 Calender Beltane Ritual Candle of Colors by Amy Davison Goddess of the Month White Buffalo Calf Woman by Ianna Ryan More From the Cauldron by DanielleRae    **Sacred Buffalo** James G. Durham,Virginia E. Thomas,David Bjorkman,1996-01-01 This is the compelling true story of the seven year quest that inspired a monumental work of Native American art the carving of an entire buffalo skeleton with the seven sacred rites of the Lakota Sioux At the heart of this story lie the history and tradition of a proud and deeply spiritual people the Lakota and a message of hope for people of all origins Stunning photographs and original drawings enrich this inspiring book    *A Study in Epic Development* Irene Tanner Myers,1901    **Vivian & the Board**

**Track Boys** Marci Lynn McGuinness,2015-06-28 Vivian Prescott silent film star backs the Uniontown Speedway board track hosting Barney Oldfield the Chevrolet and Duesenberg brothers and Tommy Milton for seven years of fame and fortune until one Speed King runs to Cuba with the money This story is inspired by McGuinness twenty two years of research for her books Yesteryear at the Uniontown Speedway and Speedway Kings of Southwestern Pennsylvania 100 Years of Racing History Her screenplay Speed Kings is seeking a producer    **End of Days** Sylvia Browne,2008 Addresses the most daunting and difficult predictions about the human race commenting on all the End of Days prophecies and offering insight into what can be done to prevent a catastrophe of biblical proportions    **Leaders of the Oglala Sioux** Charles River Editors,2025-06-21 As he lay dying Tashunka Witko whose name is literally translated as His Horse is Spirited or His Horse is Crazy refused to be placed on an army cot and he insisted upon being placed on the floor He had spent his life avoiding white people whenever possible and after he died his cousin Touch the Clouds pointed to the blanket covering the dead Chief s body and said This is the lodge of Crazy Horse Throughout his life Tashunka Witko tried to live the life his people had enjoyed for centuries He never signed a treaty with the U S government and was never photographed largely because he wanted to avoid contact with the settlers encroaching further west upon Native American lands By staying away from white settlements and military forts he thus avoided the places where a photographer might be lurking As the great Lakota leaders surrendered to the U S military or were killed they became symbols of the qualities and character of their people Red Cloud is often

referred to as a symbol of Lakota concession Sitting Bull is considered symbolic of Lakota spirituality Crazy Horse because he delayed surrender and never entered into treaty agreements with the U S military became a symbol of Lakota resistance Crazy Horse may have fervently wished to avoid white settlers but he s a Native American icon today because of the inability to do so Like Geronimo in the Southwest and Sitting Bull on the Plains Crazy Horse was a chief who fought in several skirmishes against settlers and U S forces during the 1860s and he became one of the most famous Native Americans in American history because of one fateful confrontation with whites the legendary Battle of the Little Bighorn during which an estimated 2 000 Lakota and Cheyenne warriors routed and then annihilated the 7th U S Cavalry led by George Custer That disaster led the American government to double down on its efforts to pacify the Plains and by the end of the decade many of them had surrendered and been moved onto a reservation Like Sitting Bull Crazy Horse tried to avoid surrendering for as long as he could and both suffered a controversial death Among the Oglala Lakota one of the most famous bands of the Native American Tribe known as the Sioux the longest and most effective leader was Makhpialuta better known as Red Cloud Though he has not been remembered as vividly as another member of the Oglala Lakota Crazy Horse Red Cloud led the group for 40 years in war in peace and on a reservation becoming so esteemed and influential that Americans began to mistakenly take him for the leader of the entire Sioux tribe In the 1860s Red Cloud was at the forefront of skirmishing among whites and Native Americans along the frontier in Wyoming and Montana which came to be known as Red Cloud s War After that however Red Cloud continued to lead his people to reservations first near the Black Hills and later westward after the Battle of the Little Bighorn Though he was respected as a war chief it was his political functions as a spokesman of the Oglala that truly allowed Red Cloud to leave his mark over the last several decades of his life Whereas Sitting Bull and Crazy Horse suffered premature deaths Red Cloud outlived the other important leaders of the Sioux until dying in 1909 at 87 years old Near the end of his life he reportedly said They made us many promises more than I can remember But they kept but one they promised to take our land and they took it Though Red Cloud was forever embittered by what he and his people had lost his long leadership and his help in transitioning his people onto reservations has ironically turned him into somewhat of a symbol of conciliation and reconciliation between Native Americans and whites as opposed to Native American symbols of defiance like Tecumseh Sitting Bull and Crazy Horse
