Messenger Deorum The Humanity Series Volume 1:

A poetical translation of the works of Horace, with the original text, and critical notes ... By Philip Francis ... The eighth edition Horace,1778 *A Poetical Translation of the Works of Horace* Horace,1750 **Poemata** Horace,1830 *Arts & Humanities Citation Index* ,1981 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world s leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals Universal Right ,2022-06-08 This book is the first translation from Latin into English of the juridical writings of one of the greatest minds of the Enlightenment and one of the greatest figures in Italian philosophy The complete text is fully annotated supplied with an extensive introduction completed by historical and biographical documents and graced with evocative illustrations Legal scholars philosophers historians and political scientists throughout the world may now discover a classic by one of the world s great jurists Giambattista Vico 1668 1744 spent his entire life in Naples where he taught at the University of Naples from 1699 the year he won the Chair of Rhetoric and Forensic Eloquence to 1741 the year Gennaro Vico his son took over the duty of lecturer In 1723 after having written the *Universal Right* he competed though without success for the Chair of Civil Law at the same University He wrote the *Universal Right* in Latin the official and universal language of scholarly works to prove his competency in the field of law and jurisprudence The *Universal Right* had a continuous relevance to the development and growth of juristic studies both in Italy and in Europe where it was translated into French and German From the eighteenth to the twentieth century the *Universal Right* influenced the writings and teaching of the practitioners of the Forum Emmanuele Duni Antonio Genovesi Jules Michelet Francesco Lomonaco Mario Francesco Pagano Gian Domenico Romagnosi Cesare Lombroso Pasquale Galluppi Cesare Beccaria and among the many recent jurists Emilio Betti who taught in Italy and Germany the author of *Allgemeine Auslegungslehre* als *Methodik der Geisteswissenschaften* Due to the influence of Benedetto Croce s disapproving interpretation the *Universal Right* remained often overshadowed by the *New Science* in its three editions of 1725 1730 and 1744 As we start the twenty first century scholars are by passing Croce s statement and are looking at the *Universal Right* with due objectivity and renewed interest While the *New Science* has been available since 1948 the *Universal Right* appears now for the first time in English the contemporary universal language Contrary to the opinion of some scholars Vico in the *New Science* stated that he did not regret having written the *Universal Right* he used the copy in his possession as a reference manual for all the works written afterward until 1735 Andrea Battistini wrote When an English translation of the *Diritto universale* *Universal Right* is available which will be able to rectify the trend toward contemporary relevance with a greater sense of historicity through an emphasis on the debt to Roman jurisprudence one will finally arrive at a synthetic overall view obscured today by the numerous specialized analyses At all events however it is to be hoped that the multiplicity of voices the dialectical battle of interpretations and the duel between historicity and contemporary relevance do not subside

Isaiah Berlin stated that Vico was not read and thus his ideas were the treasure trove in the hands of a few specialists and in like manner they remained to our day Other scholars have mentioned the copiatori di copycats of Vico when speaking about the history and transmission of ideas In regard to Universal Right contemporary research and writing is pale and scarce given the unavailability of translations and the difficulties of the original
