Perdue, 2013-01-18 Mashiah versus Anti Mashiah is an overview of the battle over four different time Measurements between Christ and Satan It chronicles the pathway of the line of Christ And delves into creation through the flood From Creation to the giving and acceptance of the Mosaic Law at Sinai in 1438 BCE Pagan Apostasy in great detail and the New Age Movement      **The Bible and the American Future** Robert Jewett, Wayne Alloway, John G. Lacey, 2010-01-01 What does the Bible say about the American future Does it contain an apocalyptic vision in which conflicts are to be resolved by war Or does it contain a vision of coexistence under some system of conflict management While both visions have biblical foundations the apocalyptic alternative has dominated public discussion in the past generation Most people are not even aware that another vision can be derived from the same Bible and that it transcends the usual definitions of liberal conservative or evangelical politics The essays in this book written by distinguished scholars from various sectors of the theological spectrum throw surprising new light on these questions They were presented as lectures at an extraordinary theological conference sponsored by a large Methodist church in Lincoln Nebraska in October 2009 In contrast to the usual shouting matches between partisans this conference and this book featured liberal and conservative Protestant and Catholic scholars who calmly unearthed new insights about the Bible s relevance for the future of America and the world Readers will be astonished to see these differing viewpoints on the pages of a single book and even more amazed at the new common

ground that is prepared by these fresh and profound furrows

Jeffrey, 2013-06-19 The Bible is certainly the most mysterious book ever created The Scriptures are filled with hundreds of curious passages that have puzzled both Jews and Christians for thousands of years In this powerful faith building book respected author Grant R Jeffrey takes the reader on a journey of mystery while uncovering deep truths found in the word of God It is the glory of God to conceal a thing But the honour of Kings is to search out a matter Proverbs 25 2 Key Topics Include The Mystery of 3 Days and 3 Nights and Christ s Resurrection The Mystery of the Virgin Birth and the Star of Bethlehem The Fall of the Walls of Jericho Ancient Egyptian manuscript confirms the 10 plagues of Exodus Joshua s Long Day Jonah and the Great Fish The Mystery of the Lost Treasures of the Temple Why Christians Worship on Sunday

**Passover & Sukkot** Thomas H. Perdue, 2011-09-27 Passover Sukkot Forever explains the adoption of Constantine s Counsel of Nicene in 325 CE of Pagan Christmas and Easter in the Christian faith and why those holidays celebrated in all Christian faith denominations should not be celebrated The work

discusses why Passover should be recognized and will be ongoing forever and the Festival of Sukkot is the celebration and honoring of the birth of our Lord Written to show that Easter and Christmas are never mentioned in the Bible yet our churches today are celebrating Christmas as Christs birthday when it can be shown that Christ was born at an earlier time of the year In fact Christmas was not even introduced to America until the middle of the 19th Century **Christian Zionism** Stephen Sizer,2021-09-13 I am glad to commend Stephen Sizer s groundbreaking critique of Christian Zionism His comprehensive overview of its roots its theological basis and its political consequences is very timely I myself believe that Zionism both political and Christian is incompatible with biblical faith Stephen s book has helped to reinforce this conviction Rev Dr John Stott I believe Stephen Sizer is one of the most authoritative scholars in the world on the vital issue of Christian Zionism He is a very important voice speaking out against this destructive movement that is killing us Palestinians through its theology Canon Naim Ateek Stephen Sizer s Christian Zionism Road Map to Armageddon is essential reading for any Western evangelical trying to understand the religious dimensions of American support for Israel Sizer writes as an insider within the church not as a critic watching from afar And he shows with exacting clarity how evangelical eschatology has now embedded itself in a modern political ideology One quick read of this book will change anyone s perspective on the Middle East permanently Professor Gary M Burge Congratulations on Christian Zionism The index alone makes my mouth water since this is the scholarly treatment to counteract the rabid prophecy pack for which I had been searching I couldn t be happier that this is published You and I see eye to eye on this issue Yours is a true prophetic voice so badly needed in the current prophecy frenzy And when this mania also affects national and international policy the danger takes on larger proportions Professor Paul Maier Stephen Sizer s work on Christian Zionism is the most important and comprehensive on the subject to date and should be read by all students of the Middle East and by Christians concerned about a just resolution to the Palestinian Israeli conflict Christian Zionism raises vital theological and political challenges that must be addressed head on by Christians in the West particularly evangelicals The impact of this terribly misguided movement is increasingly putting Christians in the Middle East at risk and it seems a far cry from the witness and message of Jesus Christ Dr Donald Wagner This study of Christian Zionism based on Stephen Sizer s doctoral thesis is of seminal significance It provides a fascinating survey of the history of Christian Zionism and an in depth analysis of the theology of this highly important and influential movement Rabbi Professor Dan Cohn Sherbok *One Nation, Under Attack* Grant R. Jeffrey,2012-10-09 Prepare Now for America s Fall The enemies of free market capitalism have launched their final attack History s most powerful nation soon will be reduced to an isolated impoverished country with no influence over international affairs A close reading of prophecy reveals no mention of the United States The wealthiest and most powerful nation in history will play no visible role in the culminating events of this age Prophecy expert Grant R Jeffrey has exposed the hidden causes behind the rapid disappearance of America as we know it No longer will other nations count on America to come to their aid Aggressor

nations will not have to fear the possibility of U S retaliation because very soon America will be too weak to take action And just at the time when the United States is weakened nearly beyond recognition the Antichrist will unleash his evil rule over the world When America falls the collapse will come rapidly It is to your advantage to know in advance what to look for In One Nation Under Attack you will find a workable plan to help you protect your family and your future from the far reaching economic devastation to come Naming the Antichrist Robert C. Fuller,1995 A history of Anti christ doctrines in the United States **The Great Day** Dr. Festus K. Akinifesi,2021-10-21 The most remarkable story ever revealed starts like this And war broke out in heaven Michael and his angels fought with the dragon The Great Day is anchored on the allegorical story of the woman in Revelation 12 and her adversary which led to the war in heaven the root of all wars and woes on earth In her the unchangeable and eternal purpose of God for humanity was perfectly sealed The author presents three stages of war by her Antagonist a first war in heaven then many wars on earth then a final war from heaven before the messianic kingdom of Christ The result is a prophecy book that is almost as dramatic and moving as a novel yet it s not a fiction Interpreting the entire end time prophecies from this vantage point is what sets this book apart from the rest In particular four unique discoveries have transformed this book to a new prophetic treasure that every Christian must possess The reader will discover early in the book how the invention of another woman Asherah the mother of Baal later coded as Babylon in Revelation 17 became Satan s greatest game changer Who is the real Gog and Magog the Antichrist that would occupy Israel Why Russia is not the Gog of Magog of Ezekiel s prophecy Understanding the sequence and purpose of the 21 plagues the seven seals and the sets of retributory plagues of tribulation seven trumpets and seven bowls of wrath How are the unleashing of these unprecedented apocalyptic plagues linked to the two powerful prophets in Revelation 11 What will be the roles of the armies of raptured saints following King Jesus for the Armageddon war The Great Day is a must read for every Christian concerned about the end time our eternal destiny The entire kingdom agenda of Jesus is about the End times

*Will Catholics Be Left Behind?* Carl Olson,2009-09-03 This powerful and timely book written by a former Fundamentalist is a thorough critique of the popular Fundamentalist notion of the Rapture the belief that Christians will be removed from earth prior to a time of Tribulation and the Second Coming It examines the theological historical and Biblical basis for premillennial dispensationalism the belief system based around the Rapture and popularized in the best selling Left Behind books and taught by Bible prophecy writers Tim LaHaye Hal Lindsey Jack Van Impe and many others Written for both the lay person and the serious student this book combines an engaging popular approach with detailed footnotes and exhaustive research Beginning with the big picture it focuses first on key concepts such as eschatology the Parousia and the relationship between the Kingdom and the Church It then examines the Book of Revelation providing insights into the nature and purpose of that difficult final book of the Bible Another chapter looks at the concept of the millennium and how it has been understood by various Christians over the centuries Olson then shows how Left Behind creator LaHaye s many works on Bible prophecy

are filled with attacks on Catholicism and often rely on sensationalism shaky scholarship and subjective interpretations of Scripture Olson a former dispensationalist who now edits Envoy magazine also presents a history of apocalyptic belief and theology beginning with the Early Church Fathers and including the Montanists St Augustine Joachim of Fiore the Protestant Reformers and the American Puritans He shows how John Nelson Darby an ex Anglican priest developed the premillennial dispensationalist system which hinges on the Rapture in the 1830s and how Darby relied upon faulty assumptions about Jesus Christ the Church and the Bible The second part of the book A Catholic Critique of Dispensationalism focuses on three important topics the relationship between Israel the Church and the Kingdom the interpretation of Scripture and the nature of the Rapture event Filled with a wealth of information drawn from both Protestant and Catholic sources this section provides a complete rebuttal to the premillennial dispensationalist system and the left behind theology The book concludes with a reflection on the Catholic understanding of the end times salvation history and the final judgement Glossaries of key persons and terms are also included A strong but fair critique of a dangerous and popular belief Will Catholics Be Left Behind provides Catholics and Protestants lay people and clergy and students and scholars with important answers and information about the roots and meaning of the Rapture Millions of Americans believe the Lord will snatch them up any day now leaving the rest of us to the horrors of a seven year tribulation The hitch is that the Rapture has no pedigree As Carl Olson shows no Catholic or Protestant believed in it prior to the nineteenth century It is an authentic Fundamentalist invention Karl Keating Author Catholicism and Fundamentalism In this extraordinary book Carl Olson uses a surgeon s scalpel to cut through the mass of confusion that dominates contemporary reflection on the Last Things Achieving far more than a refutation of millennialist errors and other disordered apocalyptic theories he illumines the Church s majestic vision of time and eternity and demonstrates that Jesus Christ is the Lord of History and its end Michael O Brien Author Father Elijah *Before God's Wrath* H. L. Nigro,2004-10 Biblical presentation of the timing of the rapture of the Church and provides many biblical and logical arguments for the prewrath rapture position *The End... Prophetic Insights into the Last Days* Alison Brown,2013-04-07 An amazing insight into end times prophecy Dr Brown writes from a messianic perspective revealing how the Feasts and current world events tie in with Biblical and even Islamic prophecies A must read for all those interested in what is about to happen in these last days
