Steven T. Katz,Shlomo Biderman,Gershon Greenberg,2007-01-04 This volume presents a wide ranging selection of Jewish theological responses to the Holocaust It will be the most complete anthology of its sort bringing together for the first time 1 a large sample of ultra orthodox writings translated from the Hebrew and Yiddish 2 a substantial selection of essays by Israeli authors also translated from the Hebrew 3 a broad sampling of works written in English by American and European authors These diverse selections represent virtually every significant theological position that has been articulated by a Jewish thinker in response to the Holocaust Included are rarely studied responses that were written while the Holocaust was happening The ^AEvil Creator M. David Litwa,2021-05-18 The Evil Creator Origins of an Early Christian Idea moves beyond previous Judaist readings to argue that the evil creator is a distinctly Christian idea in biblical interpretations Through Gnostic and Marcionite readings Litwa connects ancient analyses of God s wicked actions with analysis in modern theology **Beyond Justification** Douglas A. Campbell,Jon DePue,2024-01-03 Paul proclaims in 90 percent of what he wrote that we have been set free resurrected and transformed through Christ at the behest of a loving God This gospel proclamation can be found wherever he speaks of being in Christ But this gospel and its account of salvation have been captured by another gospel which also lays claim to being Paul s account of salvation And this gospel is retributive conditional and ultimately damaging Justification theory as we call this false account lays claim to just under 10 percent of what Paul wrote The presence of both these gospels within Paul s interpretation causes numerous acute problems To name just a few they create an image of Paul as someone who is fundamentally confused frequently harsh and unavoidably anti Jewish If we reread Paul s justification texts however paying more attention to the original historical circumstances within which they were composed then they turn out to say something subtly but significantly different Paul s justification texts can be interpreted carefully faithfully and consistently in terms of his usual gospel our transformation in Christ Thus Justification

theory is never activated Paul's true gospel is thereby liberated from its long captivity to a false alternative We can now see a kinder gentler and more consistent apostle
