An Innocent in Ireland David McFadden,2016-12-06 When writer David McFadden sets out on a tour of Ireland he is

determined to do so in a relatively innocent state Using as a guide only *In Search of Ireland* a 1930 title by travel writer H V Morton he plans to follow the same route to try to determine how things have changed and how they have remained the same This he proceeds to do at least at first But soon he is wandering more and more erratically around the country poking into any corner and musing over any sight that takes his fancy from a cozy guest house in Kilcullen to the legendary Hill of Tara from the south coast pub run by twin sisters to the windswept reaches of the Ballaghbeama Gap And increasingly he is drawn to the prehistoric monuments of ancient Ireland As he goes he records his very personal impressions in a clear eyed and wryly humorous way Wisely McFadden also lets the many characters he meets speak for themselves he loves a good chat and he gives ample space to the various loquacious barmen shopkeepers hoteliers and passersby along the way And of all the eccentric and appealing characters that he encounters one of the most intriguing is his travelling companion the mysterious Spanish chambermaid and poet Lourdes Brasil Amusing quirky compassionate but unsentimental *An Innocent in Ireland* is a treat for any armchair traveller
