Met onbekende bestemming Maya Rasker, 2000 Als zijn vrouw plotseling spoorloos verdwijnt blijft een man met vele vragen achter **Met onbekende bestemming** Agatha Christie, 1972 **Met onbekende bestemming** Christa Merlin, Ina Olsson, 1991 **De Kampioen**, 1937-07-24 De Kampioen is the magazine of The Royal Dutch Touring Club ANWB in The Netherlands It s published 10 times a year with a circulation of approximately 3 5 million copies **The Netherlandic Presence in Ontario** Frans J. Schryer, 2006-01-01 Schryer s central argument is that ethnic groups are as much modern myths as they are integral components of a socially constructed reality Focusing on the large cohort of immigrants from the Netherlands and the former Dutch East Indies who arrived in Canada between 1947 and 1960 Schryer shows how the Dutch despite a loss of ethnic identity and a high level of linguistic assimilation replicated many aspects of their homeland While illustrating and illuminating the diversity among immigrants sharing a common national origin Schryer keeps sight of what is common among them In doing so he shows how deeply ingrained habits were modified in a Canadian context resulting in both continuities and discontinuities The result is a variegated image reflecting a multidimensional reality *Agatha Christie's The Mysterious Affair at Styles in German and Dutch Translation* Marjolijn Storm, 2016-01-12 Agatha Christie is one of the most popular and most translated authors of all time Yet there is little academic work on her writing This book sets out to rectify this No matter where in the world you are Hercule Poirot is a name that conjures up certain associations The detailed analysis of the original text three German and two Dutch translations of The Mysterious Affair at Styles however shows that his depiction differs immensely between the individual texts In the course of this book reasons for these differences are found via the analysis of the shifts of status of Agatha Christie as an author of detective fiction and of translations from English in Germany and the Netherlands During this exploration the discovery will be made that when translated escapist literature such as Christie s detective fiction actually becomes a highly political affair

Labour Migration, Human Trafficking and Multinational Corporations Ato Quayson, Antonela Arhin, 2013-06-19 Although much literature on human trafficking focuses on sex trafficking a great deal of human trafficking results from migrant workers compelled by economic deprivation in their home countries to seek better life opportunities abroad especially in agriculture construction and domestic work Such labour migration is sometimes legal and well managed but sometimes not so with migrant workers frequently threatened or coerced into entering debt bondage arrangements and ending up working in forced labour situations producing goods for illicit markets This book fills a substantial gap in the existing literature given that labour trafficking is a much more subtle form of exploitation than sex trafficking It discusses how far large multinational corporations are involved whether intentionally or unintentionally in human trafficking for the purposes of labour exploitation They explore how far corporations are driven to seek cheap labour by the need to remain commercially competitive and examine how the problem often lies with corporations subcontractors who are not as well controlled as they might be The

essays in the volume also outline and assess measures being taken by governments and international agencies to eradicate the problem
