Holocaust Historiography in Context David Bankier, Dan Mikhman, 2008 The modes in which historical research is being shaped have become themselves topics of research Holocaust historiography the documentation depiction and analysis of one of the most horrific events in human history is today a wide ranging academic field in which Jewish and non Jewish scholars throughout the world are active But how did this historiography especially its Jewish aspect emerge and by what factors was it shaped This volume examines the very beginnings of the effort to apply scholarly standards to the understanding of the Holocaust when World War II was still raging and immediately after it had ended *The History of the Jews in the*

Schöffner, 2001-12-01 This acclaimed history of the Jewish role in Dutch society through the ages now available in English considers the internal evolution of the Jewish community as well as the social cultural and economic interaction with the wider population This general survey should appeal to a wide public interested in the history of the Jews of the Netherlands Het Parool

Lajesoumim Jaap Focke, 2025-10-01 The Jewish Orphanage in Leiden was the last one of eight such care homes to open its doors in the Netherlands before the Second World War After spending almost 39 years in an old and utterly inadequate building in Leiden's city centre the inauguration in 1929 of a brand new building shown on the front cover was the start of a remarkably productive and prosperous period The building still stands there proudly but sadly to this day the relatively happy period lasted less than fourteen years On Wednesday evening 17th March 1943 the Leiden police under German instructions closed down the orphanage and delivered 50 children and nine staff to the Leiden railway station from where they were brought to Transit Camp Westerbork in the north east of the country Two boys were released from Westerbork

thanks to tireless efforts of a neighbour in Leiden one young woman survived Auschwitz and one young girl escaped to Palestine via Bergen Belsen The remaining 55 were deported to Sobibor and not one of them survived Some 168 children lived in the new building at one time or another between August 1929 and March 1943 This book reconstructs life in the orphanage based on the many stories and photographs which they left us It is dedicated to the memory of those who perished in the Holocaust but also to those who survived Without them this book could not have been written

Can a Seamless Garment be Truly Torn? Peter Steffen, Hans Evers, 2014 The conversion of Lutz L b and Jenny van Gelder from Judaism to Roman Catholicism dramatically changed the lives of the extended L b family This scientific historical study traces the personal and spiritual journey of Lutz and Jenny from their baptisms in 1907 through the lives of their children The story benefits from historical documents and pieces of oral history from the only one of their eight children who survived the Nazi era Paula van Broekhoven L b The abbess of Koningsoord Abbey and the abbot of Koningshoeven Abbey generously provided access to the archives of the monasteries where the seven other L b children lived as nuns and monks of the L b family Each chapter begins with a citation from a significant situation or event placing the reader immediately within the lived experience of that period Photos of the time and the family supplement the historical narrative The secret conversion of Lutz and Jenny and their lifelong witness to their faith created a tear in the fabric of the extended family while later leading to many idealized portrayals of them and their children It is the intent of this book to offer an accurate and balanced account situating the Catholic L b family within their extended Jewish family and to correct several decades of hagiography so restoring humanity and dignity to the memories of the L b family

Antisemitisme. Actualiteit van een historische ontwikkeling Klaas A.D. Smelik, 2015-06-10 Na 1945 leek de integratie van de Joden in de Europese samenleving succesvol afgerond Helaas is de laatste jaren in deze ontwikkeling een keer gekomen Joden worden opnieuw slachtoffer van antisemitisch geweld Het heropleven van het antisemitisme in Europa is een onverwachte ontwikkeling een terugkeer naar een duister verleden Een verband met het antizionisme wordt snel gelegd maar is dit terecht Sommige auteurs gaan uit van een eeuwig antisemitisme dat tegemoet zou komen aan een aangeboren menselijke behoefte de Jood als zondebok Het antisemitisme zou een exponent van het verschijnsel rassenhaat zijn en als zodanig niet meer dan een variatie op een algemeen menselijk patroon De auteur van dit boek is het hiermee niet eens Naar zijn mening is het productiever om het antisemitisme als historisch verschijnsel te benaderen hoe irrationeel en inconsistent het ook is Productiever ook om niet alles op n hoop te gooien maar een onderscheid te maken tussen de verschillende vormen van Jodenhaat en hun politieke religieuze en maatschappelijke functie Jodenhaat doet zich nooit toevallig voor
