Evil, Spirits, and Possession David L Bradnick,2017-08-28 In Evil Spirits and Possession An Emergentist Theology of the Demonic David Bradnick develops a multidisciplinary view of the demonic using biblical theological social scientific and philosophical scientific perspectives Building upon the work of Pentecostal theologian Amos Yong this book argues for a theology informed by emergence theory whereby the demonic arises from evolutionary processes and exerts downward causal influence upon its constituent substrates Consequently evil does not result from conscious diabolic beings rather it manifests as non personal emergent forces that influence humans to initiate and execute nefarious activities Emergentism provides an alternative to contemporary views which tend to minimize or reject the reality of the demonic and it retains the demonic as a viable theological category in the twenty first century

Swedenborg and the Doctrines of the New Church Rudolph Leonhard Tafel,1889 **Breaking Through the Clouds of the Spirits of Jezebel** Bishop Dr. Gideon Adjei,2013-09-20 The Enemy has an agenda to counter everything God wants to do on earth He wants to take God out of governments schools media entertainment business and even churches His goal is to break down the family and create orphans that do not believe they can access God and bring His Kingdom to earth By attacking the family the enemy creates a spirit of slavery which causes a believer to carry a spirit of fear This spirit of fear will steal our inheritance We then can t receive what God has for us in his Kingdom If we can t receive what god has for us in His Kingdom we have nothing to release upon earth Most believers do not fully understand the strategies the enemy is using against them This book reveals those strategies and how to overcome them The scripture says we are in a full time struggle that requires full time armor God says that his people perish for lack of knowledge The enemy does not want us to have this kind of knowledge How can you can you overcome an enemy if you don t know where is he is coming from Read this book and you will have weapons of warfare to extinguish the fiery darts of the enemy Cal Pierce Director Healing Rooms Ministries *A Biblical Approach to Chinese Traditions and Beliefs* Daniel Tong,2003
