## **Odds Wizard Manual:**

The Wizard of Odds Dani Haviland,2021-10-07 Why won't people just leave him alone? He's perfectly happy being a loner until fate shoves him into a carpool full of oddballs on a cross country rescue mission. An unlikely crew of insurance company misfits and one self-employed massage therapist set out to save exotic animals from a black market gambler who thinks rare critters make the best supper ingredients. From the frozen roads of Minnesota to the sunbaked deserts of Arizona, they'll have to survive snowstorms, stalkers, and each other. But somewhere between midnight drives, close calls, and too many snacks, laughter sparks, tempers flare, and love sneaks into the mix. Can this ragtag team find their way to happily ever after, or will their second chances crash before the finish line? A bright, laugh-out-loud romantic comedy about found family, love at first sight, and the beautiful chaos of second chances.

**The Wizard of Odds** Charley Rosen,2002-12-03 In *The Wizard of Odds*, renowned and best-selling basketball writer Charley Rosen brings us for the first time the full life story of Jack Molinas, one of the greatest basketball players of his era, a man whose gambling addiction and hubris caused his ultimate demise. Drawing on numerous previously unavailable first-person accounts, including Jack Molinas's own journal and trial transcripts, Rosen presents the true saga of a man who perhaps better than anyone around him understood the weaknesses of the system in which he lived so much so that he convinced himself that he could manipulate that system to his advantage with total impunity in a life's journey that took him from NBA play to the Mafia and the pornographic film industry and to an ultimate tragic destiny.

**The Government Manual for New Wizards** Matthew David Brozik, Jacob Sager Weinstein,2009-01-01 The comedic duo behind *The Government Manual for New Superheroes* is back, and this time they've brought their magic wands and enchanted artifacts. *The Government Manual for New Wizards* is a hilarious mock official handbook for wannabe witches and warlocks who need advice on recognizing the onset of wizard adolescence, understanding the laws of magic and the magic of laws, choosing or being chosen by the right magical items and enchanted artifacts, dealing with the dead, grateful, and otherwise successfully hosting magical exhibitions, and the proper care and feeding of magical creatures. Wands, charms, cloaks of invisibility, shoes of stealth, or sneakers and other otherworldly accoutrements: it's all here, discussed tongue-in-cheek but with the utmost governmental authority. This entertaining guide offers such sage advice as: "A demon is just as afraid of you as you are of it, provided, of course, that you are eight feet tall, composed of living fire, and capable of destroying a small village with a single angry thought. Otherwise, it doesn't find you frightening at all." When selecting educational programs, do not be tempted by solicitations from wizardry parchment mills. A so-called degree from such a place is not worth the scroll on which it appears to be inscribed. The ink will disappear not long after the school itself does. *The Government Manual for New Wizards* is a sidesplitting spoof of all things wizardry.
