Underneath the church lies an underground complex hidden for over 500 years where there was a monetary treasure and a pagan religious site once under the control of the Templars. Both the Compagnie de St. Sacrement, a 17th-century secret society, and Saunière, the priest at the centre of the enigma of Rennes-le-Château, tried to get hold of this underground complex and its monetary and religious treasure and of the secret. Here is the full, shocking story.
