Agnes de Mille Kara Anne Gardner, 2016-07-13 This book explores the Broadway legacy of choreographer Agnes de Mille from the 1940s through the 1960s Six musicals are discussed in depth Oklahoma One Touch of Venus Bloomer Girl Carousel Brigadoon and Allegro Oklahoma Carousel and Brigadoon were de Mille's most influential and lucrative Broadway works The other three shows exemplify aspects of her legacy that have not been fully examined including the impact of her ideas on some of the composers with whom she worked her ability to incorporate a previously conceived work into the context of a Broadway show and her trailblazing foray into the role of choreographer-director Each chapter emphasizes de Mille's unique contributions to the original productions Several themes emerge in looking closely at de Mille's Broadway repertoire Character development remained at the heart of her theatrical work She often took minor characters represented with minimal or no dialogue and fleshed out their stories These stories added a layer of meaning that resulted in more complex productions Sometimes de Mille's stories were different from the stories her collaborators wanted to tell which caused many conflicts Because her unique ideas often got woven into the fabric of her musicals de Mille saw her choreography as an authorship She felt she should be given the same rights as the librettist and the composer De Mille's work as an activist is an aspect of her legacy that has largely been overlooked She contributed to revisions in dance copyright law and was a founding member of the Stage Directors and Choreographers Society a theatrical union that protects the rights of directors and choreographers Her contention that choreographers are authors who have their own stories to tell offers a new way of understanding the Broadway musical **Catalog of Copyright Entries** Library of Congress. Send in the Clowns and many more Carefully Taught Cary Ginell, 2022-10-15 Carefully Taught looks at American history
as depicted in forty Broadway musicals Presented chronologically according to the musical timeframe award winning theater
critic and author Cary Ginell dissects the stories characters and songs to not only examine how Broadway viewed historical
events epochs and personalities but also to capture how dramatic license separated fact from fantasy The chosen musicals
fall into a variety of categories biographies of famous Americans Andrew Jackson and Fiorello LaGuardia stories with national
conflicts Hamilton South Pacific events that captured the attention of the American public Floyd Collins Newsies and
sociological studies or satires of specific eras The Music Man Hair Many books have been written about Broadway but
Carefully Taught from the song You've Got To Be Carefully Taught in South Pacific uniquely approaches American history
from two vantage points the point of view of the playwright and composer accompanied with the context of how these events
were seen when they were produced versus how they are seen today Ginell's research of contemporary theater reviews and
in depth studies of productions back stories play off his knowledge gained from his quarter century as a theater critic in
Southern California The combination is a complete overview of American history on the stage from the coveted balcony seat
 Describing Music Materials Richard P. Smiraglia, 2016-11-14 This fourth edition was prepared in 2015 2016 as a
supplementary text for a graduate music cataloging course This edition is rewritten to a large extent to conform to the new
instructions and paradigms represented in Resource Description and Access RDA RDA instructions for printed music
recorded music and music video are accompanied by advice examples illustrations and complete catalog records including
versions in MARC21 format Consistent with RDA the chapter on form and choice of access points found in earlier editions is
gone replaced with a chapter on authorized access points The concept of uniform title has evolved into the concept of the
preferred title as part of an authorized access point which might require manipulation and addition of some elements for
disambiguation and collocation Only three chapters are used for description of printed music sound recordings and video
recordings Many of the older LP examples were removed as were VHS video recordings Multimedia packages are now rare in
the marketplace but streaming audio and video are quite evident so examples now include those media Facsimile examples
from the third edition have been retained and many new examples have been added Most catalogers today are using RDA in
combination with MARC21 Accordingly in an appendix we have rendered each example in MARC21 format using the OCLC
Connexion approach to MARC21 record formatting A lengthy bibliography in earlier editions has been replaced by a brief list
in the introduction with pointers to online resources that are both current and constantly updated by working catalogers
 The Theater Experience Edwin Wilson, 1991 The ideal theater appreciation text for courses focusing on theater elements

The Theater Experience encourages students to be active theater goers as they learn about the fundamentals of a production. By addressing the importance of the audience, Wilson brings the art of performance to life for students who may have little experience with the medium.

Oklahoma Musical Score: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Oklahoma Musical Score : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
