Five Minutes with Jesus Randal A. Wiedemann, 2015-10-29 Today's culture is overscheduled typically characterized by short attention spans We want to compress our lives into small bite sized pieces Taking this approach with Jesus can draw us into a relationship that becomes the focus of our delight Eventually our desire for true life is whetted by brief meetings with Jesus The longer we spend with Him the more His divinely radioactive life infuses ours with the power of an endless life The irony of the book title is that five minutes with Jesus is never enough Five Minutes with Jesus presents a daily devotional that focuses on meeting with Jesus in ways that may be new to some Christians Each day author Randal Wiedemann takes a look at a different aspect of Jesus the most discussed person in history Wiedemann focuses on how to live the Christian faith with delight depth meaning compassion and joy You will discover and be reminded that this is only possible when Jesus Christ lives in and through us Five Minutes with Jesus is about spending quality time with God For those who know Jesus it is a joy to go to that secret inner place of the heart and meet with Him For those who do not there may be a vague sense of looking for something You may not know what it is you are looking for but when you find it don't be surprised if it's Jesus

surface into the heart of what we need and desire from God ourselves and one another It s the spiritual straight talk we need about the things that matter most in life Drawing from decades of study Dr Robert Jeffress breaks down Jesus s most well known yet least followed teachings about happiness faith relationships sex reconciliation prayer money and more He shows how we often misunderstand and misapply these verses and unpacks exactly what Jesus was teaching us about our own hearts and minds If you long to take your Christian walk to the next level it s time to grasp these biblical truths that have the power to change your life

Seven Minutes with Jesus for Men Cummings, Ray, 2025-06-10 This sixty day journey through John provides a bite size approach to Scripture in the hopes that you will carefully apply God s Word to your everyday life Jesus practiced this same approach of smaller teaching segments with His first disciples His longest sermon the Sermon on the Mount can be read in less than twelve minutes Peter s sermon at Pentecost was less than three minutes long and 3 000 souls were saved So a lot can happen in a short amount of time when the time is set apart by God and for God This book was written for men to spend sixty days walking through the Gospel of John in order to kickstart our spiritual maturity and make us more like Jesus Each day is divided into explanation application and prayer The explanation section is short relational and inspirational The application section is brief making it doable and sustainable The prayer section is designed to jumpstart your dialogue with God for the day
