Mere Christianity Clive Staples Lewis, 1984 First broadcast as informal radio talks and later published as three separate books *The Case for Christianity*, *Christian Behaviour* and *Beyond Personality* are presented together in *Mere Christianity*. In his remarkably direct and accessible style the renowned Christian apologist shows how the power of Christianity manifests itself not in any single denomination but as mere Christianity, a total force. For Lewis sets out to prove only that in the center of each there is something or a Someone who, against all divergencies of belief, all differences of temperament, all memories of mutual persecution, speaks with the same voice.
