Meridian Tapping and the Blessed Virgin Mary Doron Alon, 2015-11-28 The virgin Mary has always been a fascinating spiritual power to me I have always resonated with the sacred feminine in her various forms so it was easy for me to connect to The Great Mother Mary She represents to me the most perfect form of motherly nurturing and care I also feel a sense of sanctity and inner peace when I pray to her I love her energy very much Hundreds of millions of people pray to her for assistance and it has been shown that she does answer She has been seen in countless apparitions all over the world there are more Mary sightings than there are sightings of Jesus She is a special spiritual force and it is for this reason I am writing this book If you have read my other books in the Tapping Miracles series you will see that this is a little bit of a departure from the other books In this book we will incorporate Prayers to Mary with Meridian tapping Prayer itself is a powerful energetic initiator in and of itself but incorporating it with Meridian tapping increases this energy 10 fold You will be literally tapping Mary's beautiful and sanctified energy into your very being You will feel her peace on AND within you As thanks to Mary I will give 10% of the proceeds from this book to St Jude Hospital for kids *Techniques of Grief Therapy* Robert A.
