Fleet Owner ,2000      **Mergent International Manual** ,2002      *Academic and Workplace Sexual Harassment* Michele A. Paludi,Richard B. Barickman,1991-11-01 This book represents the first comprehensive resource manual for understanding and preventing sexual harassment in the academic community and in the workplace Studies indicate that sexual harassment is at epidemic proportions in the academy and in the workplace from 30% 70% of women in U S colleges and universities experience some form of sexual harassment including sexual assaults each year a University of Massachusetts study reports 13% of undergraduate women were raped by acquaintances and 50% of women in the workplace report serious sexual harassment from supervisors and fellow employees This manual provides the results of research and of practical effective experience in reducing the occurrence of sexual harassment investigating complaints and providing counseling and remedies for the victims In addition the authors have compiled bibliographies audio visual material and pedagogical techniques for dealing with sexual harassment in the academy and in the workplace as well as information and workshop techniques to facilitate training programs      **Working Law** Lauren B. Edelman,2016-11-28 Since the passage of the Civil Rights Act virtually all companies have antidiscrimination policies in place Although these policies represent some progress women and minorities remain underrepresented within the workplace as a whole and even more so when you look at high level positions They also tend to be less well paid How is it that discrimination remains so prevalent in the American workplace despite the widespread adoption of policies designed to prevent it One reason for the limited success of antidiscrimination policies argues Lauren B Edelman is that the law regulating companies is broad and ambiguous and managers therefore play a critical role in shaping what it means in daily practice Often what results are policies and procedures that are largely symbolic and fail to dispel long standing patterns of discrimination Even more troubling these meanings of the law that evolve within companies tend to eventually make their way back into the legal domain inconspicuously influencing lawyers for both plaintiffs and defendants and even judges When courts look to the presence of antidiscrimination policies and personnel manuals to infer fair practices and to the presence of diversity training programs without examining whether these policies are effective in combating discrimination and achieving racial and gender diversity they wind up condoning practices that deviate considerably from the legal ideals      **AE - Human Sexuality 92/93** Grolier Educational Associates,McGraw-Hill Companies, The,1992      **The Origin of the Modern Jewish Woman Writer** Michael Galchinsky,2018-02-05 Analyses the development of Jewish women s writing in relation to Victorian literary history women s cultural history and Jewish cultural history Between 1830 and 1880 the Jewish community flourished in England During this time known as haskalah or the Anglo Jewish Enlightenment Jewish women in England became the first Jewish women anywhere to publish novels histories periodicals theological tracts and conduct manuals The Origin of the Modern Jewish Woman Writer analyzes this critical but forgotten period in the development of Jewish women s writing in relation to

Victorian literary history women s cultural history and Jewish cultural history Michael Galchinsky demonstrates that these women writers were the most widely recognized spokespersons for the haskalah Their romances some of which sold as well as novels by Dickens argued for Jew s emancipation in the Victorian world and women s emancipation in the Jewish world
