Message From The Pleiades The Contact Notes Of Eduard Billy Meier Volume 1:

The Chaos Conundrum Aaron John Gulyas,2014-01-23 In The Chaos Conundrum historian Aaron John Gulyas examines how the paranormal has intersected and influenced our culture in myriad ways from the conspiracy beliefs of William Cooper and Exopolitics to the challenge that the stories of Gray Barker presented to our concept of self and time He looks at the maelstrom of personalities agendas impressions data confusion and contradictions that can be found in the world of the weird and demonstrates how they have become an integral part of our lives whether in the form of flying saucers hauntings religious revelations psychic abilities or dozens of other guises Gulyas delves into the stories of the people who have attempted to create order out of the chaos Along the way he recounts his own journey from enthusiastic believer in the shadow government and their underground bases to jaded academic skeptic and then finally to someone who thinks there might just be something to the paranormal after all but not what we have been led to expect or believe *Spaceships of the Pleiades* Kal K. Korff,2010-08-05 The case of Eduard Billy Meier has gained worldwide attention for his claims of being in on going contact with aliens from the star cluster known as the Pleiades Purported to be the most documented UFO account of all time Meier s files consist of 1 000 photographs and 12 motion picture films of the visiting spacecraft Through thousands of pages of contact notes Meier claims to have passed on the wisdom and advanced technical knowledge from his conversations with these aliens designed to help guide our evolution In addition he alleges that 40 independent eyewitnesses have also seen the alien ships and observed Meier s contacts with them The aliens also left numerous landing tracks in the ground and gave Meier various rock metal mineral and crystal samples as proof of their visitations Author Kal Korff conducted the most thorough examination ever into the case of Billy Meier and all its alleged evidence and reveals here how a Swiss farmer hatched and continues to maintain the most elaborate UFO hoax in history *High Strangeness* Jerome Clark,1996 *Extraterrestrials and the American Zeitgeist* Aaron John Gulyas,2013-05-11 Since the 1950s men and women around the world have claimed to have had contact with human like visitors from space This book explores how the contactee subculture has critiqued political social and cultural trends in the United States Europe and elsewhere Not merely quaint relics of the 1950s Atomic Age contactees have continued their messages of transformation into the 21st century Regardless of whether these alleged contacts took the form of physical meetings or channeled paranormal psychic communications or whether they actually happened at all contactees have provided a consistently relevant source of commentary on this world and beyond *Adventures of a Western Mystic* Peter Mt Shasta,2010-03-10 This is the true story of encounters with enlightened beings known in the East as Bodhisattvas who have attained the Rainbow Body yet who can and do appear in whatever form they are needed to assist humanity These are the Gods of ancient myth known in the West as Ascended Masters Here are the adventures of one individual as the Masters bring him face to face with his own Higher Self the I AM Presence **Programmes spatiaux secrets et alliances extraterrestres tome VI** Michael E.

Salla,2023-01-27T11:32:00-05:00 Le développement d'armes nucléaires a-t-il une des raisons pour lesquelles les civilisations extraterrestres ont commencé à visiter la Terre l'après-guerre mondiale ? Il existe ce sujet une explication plus significative et lourde de conséquences. Pendant des décennies, la vérité n'a pas été communiquée en raison de sa nature dérangeante. C'est seulement aujourd'hui que nous en percevons une image plus nette. La Terre tait devenue l'objectif central d'une guerre temporelle impliquant une future tyrannie galactique dont les origines se trouvent dans notre passé mais qui a commencé au début des années 1900 avec un accord secret conclu par l'Allemagne nazie avec un groupe d'extraterrestres appelés Dracos reptiliens. Après la Seconde Guerre mondiale, cet accord aboutit à l'établissement d'une colonie allemande autonome en Antarctique qui a rapidement donné naissance à une flotte dotée d'une technologie extraterrestre. Dans les années 1970, Michael Salla fait un survol des différents groupes extraterrestres et programmes spatiaux secrets impliqués dans la guerre temporelle qui fait silencieusement rage autour de nous. L'insu de la majorité de l'humanité. Il met surtout en évidence les développements actuels menant à la réalisation d'un avenir positif et passionnant pour l'humanité. Rejoindra son tour la communauté galactique.

Alien Intelligence and the Pathway to Mars Mary Bennett, 2021-05-04. Détails sur les sondes exploratoires envoyées vers Mars dans les années 1970 qui ont déclenché une multitude d'événements anormaux particulièrement des cercles de culture et des glyphes, et sur comment ces événements sont des messages d'intelligence extraterrestre destinés à nous aider à envoyer une mission humaine vers Mars. Révèle que la région Cydonia de Mars correspond au Golden Ratio Spiral et examine les liens entre les formations martiennes et les sites anciens terrestres illustrés à travers des photographies en couleur, des cartes et des diagrammes. Dans cette étude en couleur basée sur 25 ans de recherche, Mary Bennett explore les connexions anciennes et modernes entre Mars et la Terre, ainsi que les tentatives d'intelligences extraterrestres pour nous aider à construire une fusée spatiale viable pour atteindre Mars rapidement et sûrement. Elle détaille également les formations de culture et les événements associés qui encodent des concepts d'ingénierie avancée offrant des solutions aux problèmes fondamentaux qui empêchent actuellement les longues traversées spatiales, qu'il s'agisse de la Lune, de Mars ou au-delà. En regardant la planète rouge elle-même, l'auteur révèle des preuves scientifiquement vérifiables pointant vers une conception intelligente sur la surface de Mars, spécifiquement dans la région Cydonia qui correspond au Golden Ratio Spiral. Elle examine les liens discrets entre les formations martiennes et les sites anciens terrestres tels que le paysage d'Avebury en Angleterre et le complexe de Giza. Elle décrit comment les agences concernées par le voyage spatial ont discrètement reflété les zones de Mars à travers des projets de construction sur Terre, révélant que de nombreuses messages extraterrestres ont déjà été partiellement décodés. En vous emmenant d'un complexe sur Mars aux pyramides de Teotihuacan au Mexique, en passant par les rapports de la Pentagone, la Grande Pyramide et les calculs quantiques, cette exploration de l'influence cachée de Mars montre que nos capacités comme espèce futuriste ont commencé dans le passé ancien et continuent à émerger maintenant.
