Raspberry Juice Lynne Wivane,2022-10-31 Although this is a novel it is full of true life experiences that we all encounter at times the break up of a marriage and the anger and heartache it brings to all who are involved our children being bullied at school and the pain surrounding that the feeling of failure lack of confidence in ourselves and the torture of following the procedures when someone dies let alone dealing with our emotions This book offers a possible way to look back at these experiences and view them from a totally different perspective a more healthy and accepting one and not full of guilt for not being good enough We are all good enough and we do the best we can with the resources we have at the time we can do no better Scattered throughout there are references to books song lyrics and poetry that give a positive aspect to changing our whole view of our lives and seeing it all as a true learning experience to accept and welcome even though some

of our experiences may have been horrendous at the time there is still a way to gain from them in retrospect **Meet Yourself Again for the First Time** William Pillow,2009-06-08 Do you think you really know yourself You might be consciously aware of whom you think you are But hidden forces recorded in your subconscious mind when you were a fetus or a young child can unconsciously and unintentionally shape your behavior and interpersonal relationships In **Meet Yourself Again for the First Time** author William Pillow shows how these forces can have a profound impact on your life **Meet Yourself Again for the First Time** provides a wealth of thought provoking information about the intricacies of memory brain plasticity and early human experiences It helps you understand The complexity of humans The lifelong impact of events in your early years The influence of a complicated unpredictable society The individual uniqueness of human beings The special nature and incomparable capabilities of each human being Based on years of research on various forms of memory **Meet Yourself Again for the First Time** helps you learn why you behave as you do with the ultimate goal of discovering a personal path to a better life for you and your children **Something Else, Something Other** Carmen Gleadow,2007 Is there an afterlife What happens when we die How do we reach the other side What is heaven like according to comatose children who have regained consciousness What do Quantum and Reincarnation theories share Is organ transplantation the physical replacement of organs or is there more to it than that What are soulmates These and other questions are explored by Dr Carmen Gleadow against an academic background of religious medical and philosophical research **Exploring the Divine Library** Richard Rowe,2020-09-22 Exploring the Divine Library explains profound insights by way of meditation past life regression channeling information remote viewing dowsing automatic writing and astral projection **Breadcrumbs for Beginners:** Dr. Sherry L. Meinberg,2013-04-23 **Breadcrumbs for Beginners** provides a practical and entertaining umbrella approach to the world of the writer It covers the process from just thinking about writing to actually putting pen to paper and then revising and finally info as to what to do to get a manuscript published and promoted **Gurdjieff Was Wrong But His Teaching Works** Orest Stocco,2016-02-07 Gurdjieff was wrong but his teaching works is the story of one man's remarkable journey of self discovery which dispels the Gurdjieffian premise that man is not born with an immortal soul With his own quest Orest Stocco illustrates that we are all born with a spark of divine consciousness but not until we take evolution into our own hands which Gurdjieff's teaching helped him to do will we realize our true self **A Touch of Love from Heaven** Angel Love,2005-11 Standing in the Great Room at my home I see a rainbow appearing between the mirrors on my living room wall I note that the six colors of the chakra system are in the correct sequence red orange yellow green blue and lilac at the top of the rainbow Looking at my watch the time is 5 50 p m The rainbow disappears and now none can be seen The time is 5 55 p m Next almost immediately two rainbows appear The first one is on the back of the Great Room Wall to the right above the sofa while I stand there facing the mirrors The second rainbow appears on the lamp Both of them contain the six colors of the chakra system in the chronological order I am left wondering if these visuals are the light of God giving me the

go ahead for putting my writings into the hands of the people Since the chakra system and the rainbow are both utilized in my writings I believe this sign is from God and no accident *Spirituality and Alternativity in Contemporary Japan* Ioannis Gaitanidis,2022-10-20 This book critically analyses the creation and effects of spirituality as both discourse and practice in Japan It shows how the value of spirituality has been sustained by scholars who have wished for a more civic role for religion by the publishing industry whose exponential growth in the 1980s fashioned those who later identified as the representatives of this new spirituality culture by spiritual therapists who have sought to eke out a livelihood in an increasingly professionalized and regulated therapeutic field and by the cruel optimism of an increasingly precarious workforce placing its hopes in the imagined alternative that the supirichuaru represents Ioannis Gaitanidis offers a new transdisciplinary conceptualisation of alternativity that can be applied across and beyond the disciplines of religious studies media studies popular culture studies and the anthropology sociology of medicine **Through Time Into Healing** Brian L.

Weiss,2012-05-08 The book that sheds new light on reincarnation and the extraordinary healing potential of past life and hypnotic regression therapy from the New York Times bestselling author of Many Lives Many Masters Brian Weiss made headlines with his groundbreaking research on past life therapy in Many Lives Many Masters Now based on his extensive clinical experience he builds on time tested techniques of psychotherapy revealing how regression to past lifetimes provides the necessary breakthrough to healing mind body and soul Using vivid past life case studies Dr Weiss shows how regression therapy can heal grief create more loving relationships uncover hidden talents and ultimately shows how near death and out of body experiences help confirm the existence of past lives Dr Weiss includes his own professional hypnosis dream recall meditation and journaling techniques for safe past life recall at home Compelling and provocative Through Time Into Healing shows us how to help ourselves lead healthy productive lives secure in the knowledge that death is not the final word and that the doorways to healing and wholeness are inside us Power of the Universe Lies Within You PRADIPTA KUMAR DAS.,2015-11-12 This book delves deep into the genesis and power of human thought Human civilization has consistently grown over few millennia but the exponential growth during last few centuries of industrialization and particularly during the last half a century due to digital revolution can be attributed to one single phenomenon called Human Thought Processes The idea of an acronym for Generation Operation and Destruction G O D by human thought has a spiritual background based on Karmic Principles argues the author in the book The delicate balance in the brain chemicals that are responsible for harmonious thought processes can sometimes be severely derailed due to modern day anxiety and stress causing immense agonies leading to serious mental health problems The author had a firsthand experience of such a mental health crisis in July 2000 while during his PhD study in Adelaide Australia almost leading to a Near Death Experience which he not only survived but could convert the crisis into an opportunity to harvest immense knowledge and wisdom for self growth The author has adopted partly an autobiographical approach to put across ideas that he thinks can find some resonance with

people struggling to overcome similar mental health problems in life While researching into concepts of life after death he raises few questions about the current understanding of human consciousness The ultimate realization of the author that Humans are infinite spiritual beings in finite bodies has been systematically and logically brought out to enable a conviction that mental health problems are better handled with medico spiritual practices The title of the book suggests that to achieve happiness and bliss in life human beings anywhere in this world need not search elsewhere because it is all there within The author has outlined all the practical steps which helped him not only overcome his serious crisis but achieve his desired goals and thus sublime happiness He strongly believes in the universal application of the principles enumerated Soul Path Trilogy Ruth Lera,2023-11-29 Soul Path Trilogy is a collection of three books in one volume that deal with the importance of the soul s path during its human experience This collection delves into the knowledge that in every moment of our life we are forging soul patterns into our energy By being intentional with our awareness we can use loving kindness to create the soul path energy we truly want to have in our life By focusing on meditation mindfulness energy awareness and self healing we can direct our path toward peace and fulfillment Ruth Lera professional Energy Healer uses her experience to share practical exercises and powerful examples to help readers open themselves to the concept that they themselves hold the power to heal their soul existence Readers will learn how to use energetic self healing to clear old pain and trauma increase their sense of unconditional self love and develop inner confidence and strength Written in an inviting and conversational voice the Soul Path Trilogy will serve as a valuable resource for both experienced energy healing practitioners and newcomers to the understanding of the soul path With a strong balance between the practical and theoretical Soul Path Trilogy will guide readers on their most exciting journey yet *Summary of Brian L.
