The Revolt of the Palestinian Jews Anthony Cardinale,2024-06-25 The Revolt of the Palestinian Jews describes Israeli Prime Minister Benjamin Netanyahu s campaign to enhance the rights of Palestinian Jews at the expense of Palestinian Arabs Bibi on trial for corruption could return to office in late 2022 only by aligning with rabid far right religious parties that were intent on driving Palestinian Arabs out of the so called occupied territories Hoping to get the Knesset to legalize the crimes for which he was on trial Bibi proposed a judicial reform plan to neuter the power of the Supreme Court to annul such a law Soon thousands of Israelis were demonstrating for and against the reform even coming to blows prompting President Isaac Herzog to warn of impending civil war Seeing Israelis bitterly divided Hamas exploited this weakness with a surprise all out attack on October 7 2023 Israel is now fighting back But will the tens of thousands of civilian casualties in Gaza someday prompt the nations to attack Israel as prophesied in the Bible While Netanyahu exploited divisions in Israeli society increasing the ungodly polarization this book predicts that God will employ a godly polarization between religious and secular Jews forcing them to take a stand in the coming final days **The Jewish Encyclopedia** ,1925 *Salvation Is from the Jews* Roy H. Schoeman,2019-04-15 The book traces the role of Judaism and the Jewish people in God s plan for the salvation of mankind from Abraham through the Second Coming as revealed by the Catholic faith and by a thoughtful examination of history It will give Christians a deeper understanding of Judaism both as a religion in itself and as a central component of Christian salvation To Jews it reveals the incomprehensible importance nobility and glory that Judaism most truly has It examines the unique and central role Judaism plays in the destiny of the world It documents that throughout history attacks on Jews and Judaism have been rooted not in Christianity but in the most anti Christian of forces Areas addressed include the Messianic prophecies in Jewish scripture the anti Christian roots of Nazi anti Semitism the links between Nazism and Arab anti Semitism the theological insights of major Jewish converts and the role of the Jews in the Second Coming Perplexed by controversies new and old about the destiny of the Jewish people Read this book by a Jew who became a Catholic for a well written provocative ground breaking account Some of the answers most have never heard

before Ronda Chervin Ph D Hebrew Catholic      **Our Bible Too** Jeffrey W. Dandoy, 2021-04-02 God grabbed hold of a Presbyterian pastor to take him to the religion of Messianic Jews What follows is a mystery story that reveals answers to the dilemmas in a problematic faith In traditional rabbinic Judaism it is blasphemy and in church doctrine it is heresy But as a third biblical religion with its own soteriology it is neither false nor mistaken Untying the knot of contradictions in Messianic Judaism sheds light on the eminence of Judaism and the chauvinism of Christianity It turns familiar assumptions upside down with a monotheistic hermeneutic for reading the New Testament and an inclusive soteriology unfolding the revelation of God's new idea It is new wine that invites believers to a deeper devotion through reexamination of fundamental truths The majority of Messianic congregations share many of the beliefs and teachings of evangelical Protestantism a choice that has not achieved the goals of the Messianic movement because the contradiction in the evangelical assumption is real Explore the alternative truths of radical monotheism through the eyes of a gentile convert from the church who learned to read the Bible with new eyes and met Yeshua Jesus again for the first time      **The Jewish Encyclopedia** Isidore Singer, Cyrus Adler, 1901      **The Jewish Encyclopedia: a Descriptive Record of the History, Religion, Literature, and Customs of the Jewish People from the Earliest Times to the Present Day**, 1907      **The Jewish Encyclopedia: Talmud-Zweifel** Isidore Singer, Cyrus Adler, 1905      From Resurrection to New Creation Michael W. Pahl, 2010-02-01 What is Christianity really all about Is it in its essence about proper religious rituals or correct religious beliefs or acceptable moral behavior What is at the heart of an authentic Christian faith and life In From Resurrection to New Creation Michael Pahl provides an introduction to Christian theology which attempts to answer these questions proposing that the heart of Christianity is not a set of rituals or beliefs or behaviors but an event the resurrection of the crucified Jesus from the dead that prompts a story the gospel or good news of salvation through Jesus Jesus resurrection Pahl claims is the starting place and the compass in the journey of Christian theology our journey to understand God God's work in the world and how we should live out God's purposes for humanity Thus beginning with Jesus resurrection and using this event as a guide Pahl surveys the terrain of classic Christian belief and practice The Trinity the identity of Jesus the work of the Holy Spirit the nature of humanity Christ's atonement for sin salvation and the gospel baptism and the Eucharist the church and the future state all these landscapes and more are explored in this concise introductory survey of essential Christian theology      **The Messiah of Brooklyn** Avrum M. **The Journal of Jewish Studies**, 1966 **The Earliest View of New Testament Tongues** Maurice E. Vellacott, 2024-11-11 This book is a groundbreaking paradigm shifting look at the languages tongues problem of the first century AD Corinthian church It adduces that in a multilingual setting new converts were expressing themselves in their native dialect without translation where Koine Greek was not yet overriding all regional dialects This cuts against the idea that tongues were supernatural earthly languages an

idea not found before AD 160 Vellacott also argues against the view that tongues were heavenly languages as claimed by Pentecostals Charismatics This he says is a novel trend started about 145 years ago by German higher critical scholars and seized upon after the 1906 15 Los Angeles Azusa Street Revival s supposed supernatural earthly languages proved to be a mirage whereupon a redefinition to heavenly angelic non earthly languages occurred This book soundly establishes the credibility of an ancient third view regarding tongues that they were non supernatural learned earthly languages The author endeavors to demonstrate that this is the earliest known Christian interpretation of New Testament tongues languages
