Messy God Likes It That Way:

Messy A. J. Swoboda, 2012-04-13 Christianity is messy Unanswered prayers Painful choices Unresolved regrets We are called to have faith and yet we doubt We try to be perfect but we fall short This is the chaos It's all around us There's no limit to it And there's no quick fix for it Both annoyingly honest and refreshingly humorous Messy reassures Christians that God can reveal Himself in their clutter Author and pastor A J Swoboda offers biblical insight and vivid personal stories to redefine faith from something that must be perfect to something that is imperfect but can still give beauty meaning and purpose to a messy life As entertaining as it is challenging this book teaches Christians what it means to trust in each other in grace in hope and in a Savior who defied the rules of death Here's to finding joy in your chaos **A Glorious Dark** A. J.

Swoboda, 2015-01-27 On Thursday as they ate the Passover meal with Jesus the disciples believed that the kingdom was coming and they were on the front end of a revolution Then came the tragedy of Friday and somehow even worse the silence of Saturday They ran They doubted They despaired Yet within the grave God's power was still flowing like a mighty river beneath the ice of winter And then there was Sunday morning Real raw and achingly honest A Glorious Dark meets readers in the ambiguity doubt and uncertainty we feel when our beliefs about the world don't match up to reality Tackling tough questions like Why is faith so hard Why do I doubt Why does God allow me to suffer and Is God really with me in the midst of my pain A J Swoboda puts into sharp focus a faith that is greater than our personal comfort or fulfillment He invites readers to develop a faith that embraces the tension between what we believe and what we experience showing that the very tension we seek to eliminate is where God meets us **American Learned Men and Women with Czechoslovak Roots** Mila

Rechcigl, 2020-11-18 Apart from a few articles no comprehensive study has been written about the learned men and women in America with Czechoslovak roots That's what this compendium is all about with the focus on immigration from the period of mass migration and beyond irrespective whether they were born in their European ancestral homes or whether they have descended from them Czech and Slovak immigrants including Bohemian Jews have brought to the New World their talents their ingenuity their technical skills their scientific knowhow and their humanistic and spiritual upbringing reflecting upon the richness of their culture and traditions developed throughout centuries in their ancestral home This accounts for the remarkable success and achievements of these settlers in their new home transcending through their descendants as this monograph demonstrates The monograph has been organized into sections by subject areas i.e. Scholars Social Scientists Biological Scientists and Physical Scientists Each individual entry is usually accompanied with literature and additional biographical sources for readers who wish to pursue a deeper study The selection of individuals has been strictly based on geographical ground without regards to their native language or ethnic background This was because under the Habsburg rule the official language was German and any nationalistic aspirations were not tolerated Consequently it would be virtually impossible to determine their innate ethnic roots or how the respective individuals felt Doing it in any other way would be a

mere guessing and thus less objective **Grace Sticks** Kristina Robb-Dover, 2013-10-10 Even on a bumper sticker grace is irresistible Grace Sticks The Bumper Sticker Gospel for Restless Souls is light hearted spiritual memoir and theological travel guidance for restless souls looking for more direction more truth and more life Robb Dover invites readers to reflect on how the bumper stickers they affix to their cars or entertain at traffic lights are themselves spiritual aspirations of sorts pointing to One who is the Way the Truth and the Life In their meanderings with bumper stickers as pit stops readers will laugh cry be provoked and be inspired to look for God in the most seemingly frivolous and unlikely of places They ll discover in the process there s as much grace to be found in the journeying itself as in the destination **The Sacred Overlap** J.R. Briggs, 2020-09-08 The widening of political racial generational and religious differences leads too often to an us vs them mentality The Sacred Overlap communicates a refreshing vision that embraces tension and shows us how to live in radical love and faithfulness between the extremes that isolate and divide people The gospels display how Jesus was committed to crossing the either or waters of the cultural and societal wars of his day His miracles and parables often broke or ignored religious and political lines that seemed all important He comforted the disturbed and disturbed the comfortable Using Jesus example J R Briggs offers a fresh and relevant understanding of evangelism and discipleship in our present time of extreme polarization Without sacrificing biblical integrity The Sacred Overlap is a joyful exploration of the complexity of life in the peace of Christ With careful discernment Briggs Shares creative ways to engage with God s mission of ministering to those who are intrigued by Jesus but turned off by church Explores what it means to be joyful in the midst of heart wrenching pain and earthly suffering Models what it means to maintain a posture of convicted civility which emphasizes both grace and truth The Sacred Overlap helps readers see how Christians are called to live with their feet firmly planted in two different worlds in both heaven and earth living naturally with both the sacred and the ordinary Only then can a Christian be a faithful witness and disciple of Jesus Creating a Missional Culture JR Woodward, 2013-09-20 Missiologist and church planter JR Woodward offers a blueprint for the missional church not small adjustments around the periphery of the infrastructure but a radical revisioning of how a church ought to look that entails changing how we think about leadership and what we expect out of discipleship *Practicing Life Together* Paul Gutacker, 2025-09-02 You don t have to go it alone after college nor should you This book invites emerging adults to consider participating in a common rule that will guide their growth and cultivate genuine community A rule of life is like a trellis It s a standard offering guidance and encouraging growth in the right direction It s a way of living intentionally of committing to spiritual disciplines that are too important to leave up to our day to day whims Dietrich Bonhoeffer discerned that Christian community is not an ideal which we must realize it is rather a reality created by God in Christ in which we may participate Christians don t have to go it alone during the formative years after college it s possible to practice life together Gutacker introduces practices we can take up with others communal prayer weekly dinners studying together and Sabbath in the hope that these can become life shaping habits Encyclopedia of

Paging God Wendy Cadge, 2013-01-18 While the modern science of medicine often seems nothing short of miraculous religion still plays an important role in the past and present of many hospitals When three quarters of Americans believe that God can cure people who have been given little or no chance of survival by their doctors how do today s technologically sophisticated health care organizations address spirituality and faith Through a combination of interviews with nurses doctors and chaplains across the United States and close observation of their daily routines Wendy Cadge takes readers inside major academic medical institutions to explore how today s doctors and hospitals address prayer and other forms of religion and spirituality From chapels to intensive care units to the morgue hospital caregivers speak directly in these pages about how religion is part of their daily work in visible and invisible ways In *Paging God Religion in the Halls of*

Medicine Cadge shifts attention away from the ongoing controversy about whether faith and spirituality should play a role in health care and back to the many ways that these powerful forces already function in healthcare today **The Whole Armor of God** Iain M. Duguid, 2019-08-22 A battle manual for every Christian Sinclair B Ferguson The Christian life is a battle We are in a daily struggle against the world sin and Satan But God didn't leave us to fend for ourselves He gave us his own armor armor that Jesus has already worn on our behalf all the way to the cross The same power that raised Christ from the dead is now at work inside of us This book unpacks each of the pieces of spiritual armor Paul describes in Ephesians 6 inviting us to take up the armor each day all while resting in the finished victory of Christ and the assurance that our strength for the battle comes from him All Ages Becoming Valerie M Grissom, 2023-10-24 We are in this together all ages practicing all ages becoming God's people Often intergenerational initiatives are seen as the next new church trend or another programming tool for church growth and revitalization Ultimately though intergenerational practice is at the core of what it means for us to be the body of Christ God intends for all ages to participate in faith formation together we are formed in our practice of intergenerationality as we participate in the formation of becoming God's people All Ages Becoming brings theologians practitioners and ministry leaders representing diverse denominations generations cultures and geographical locations together to help us explore this adventure of intergenerational Christian practice As you consider intergenerational practice in your own faith community each chapter provides Theology in Practice sections with questions designed to help your community reflect discuss discover experiment reinvent redesign and continue in your community of practice **Born Royal** Oneka McClellan, 2024-07-23 A revolution for women to live confidently in their God-given identity and united in the call to bring goodness to the world adapted from Born of a Woman from speaker and pastor of the influential Shoreline City Church In these pages you will experience the beauty of a friend who says Royal sister take a seat We have been waiting for you Charlotte Gambill pastor author and global Bible teacher We know women are meant to bring powerful and lasting goodness into the world because God repeatedly called women to do so He trusted Mary to give birth to Jesus Esther to save His people and Deborah to lead His kingdom Yet so much of our potential is limited by our own insecurity and fear It's time for us to stand confident in our stunning worth as royal daughters unite in community and walk in the unshakable hope of Christ In a message that's both vibrant and conversational Pastor Oneka McClellan reminds us that God has uniquely positioned and gifted women to be a source of life wisdom and strength Through insightful biblical truths and real stories of women showing up in powerful ways McClellan equips you to completely trust your God-given identity lead with courage and wisdom in any room fight for the flourishing of others celebrate the greatness in every woman see with eyes of hope that God can redeem any story To every woman who's ever felt held back pushed down or disqualified from stepping fully into her purpose McClellan's Born Royal offers hope encouragement and empowerment It also sounds a liberating call for each and every one of us including you to walk boldly and precisely as the women God has created us to be *Making Faith Magnetic*

Daniel Strange,2021-10-01 How to talk about Jesus in a way that connects with modern culture As followers of Jesus we know that the good news is deeply attractive But we often fear that to those on the outside it comes across as irrelevant or even repellent Sometimes the Christian worldview feels so out of step with everything else going on that we don't know how to share our faith However author Daniel Strange wants to show you that the connections are there in fact the longings that our culture cannot help but express are the very ones that Jesus fulfils Building on the work of theologian J H Bavinck Dan reveals five recurring themes that our culture can't stop talking about or as he puts it the five permanent itches that in our work rest and play we have to vigorously scratch From TV to books to social media these are the questions we can't stop asking and the tensions we can't stop wrestling with and Jesus speaks powerfully into each one This book will help you to spot these connections in our culture excite you about how Jesus makes sense of humankind's deepest questions and longings apply them to your own life first and then equip you to speak of him to others in a way that is truly magnetic Dan Strange has written another terrific down to earth book to help believers engage in fruitful conversations with friends about faith Dr Timothy Keller who has also written the foreword to this book A Full-Hearted Life Jake Owensby,2024-12-03

Meaningful answers for life's big questions Everyone must ask life's big questions Even people who reject any hint of the supernatural and insist that nothing exists apart from matter will have to find meaning for themselves To put this another way the defining mark of our secular age is not the absence of belief but rather the effect on our consciousness of the sheer number of competing belief systems That effect is fragilization And so belief is fragile We don't have to believe what we believe We could believe something else entirely This book articulates how believing in Jesus gives us a sense of who we are why we're here what the good life is and how to move toward that good life This is not traditional apologetics offering logical proofs that God exists or that Jesus is God incarnate or that all those alternative belief systems are false Put simply the aim of this book is to help you see for yourself and to explain to others how Christian belief and Christian practice can make life meaningful If you want to know what it looks and feels like to be a Christian read this book If as a Christian you could use a little encouragement look no further The Rt Rev Mariann Edgar Budde Bishop of the Episcopal Diocese of Washington DC author of How We Learn to Be Brave Decisive Moments in Life and Faith Silicon Dominion David W. Rolston

PhD,2024-11-19 This book provides an expert's view of Artificial Intelligence AI and explains why many observers fear that intelligent machines could overwhelm humanity in the foreseeable future It describes how the key objective of some researchers is to use AI to become God and grant eternal life to a new race of superhumans that they hope to create by combining humans with intelligent machines The book begins by defining AI and describing how it works and then presenting both the benefits and risks associated with AI development past present and future It focuses on why Generative AI the form of AI that is currently emerging represents a unique point in the 50 year history of AI development and explains why it presents enormous potential benefits and enormous risks The last third of the book describes how future forms of AI

may be focused specifically on attempting to crush Christianity and replace it with a new correct religion It also discusses how AI may be a sign of the coming of the End Times and describes how AI may be used as a tool of dark forces during that time Lastly it suggests how Christians should prepare for this challenging future **Calm and Quiet My Soul** Alyssa Lynn Bell,2023-10-19 Self care and soul care are trending topics in Christian leadership circles because ministry leaders know they cannot care for their people unless they care for themselves Pastors who are mothers know this too and yet it can feel like just one more task to manage among the many they carry on their schedules and in their hearts The biblical truth is that spiritual rest is a gift from God not an achievement a refreshing reminder for women who hold the dual roles of mom and minister This book invites women leading in these spaces to remember that the God of the Old and New Testaments the one who pours out replenishment for weary hearts is a God who is Mother as well as Father and mothers them with tenderness and strength Starting here in the arms of a mothering God who whispers beloved changes the tone of spiritual care for her from a chore to an oasis of replenishment that grounds her in her identity in Christ as a daughter of Creator God

Nightmare on Church Street Tasha L. Johnson,2010-05-27 Serving God changing lives loving people praising Him together these are the ideals and goals of those answering the call to church ministry What a privilege to be able to care for and love God s people Or is it For many the excitement and joy of being able to serve God as pastor s minister s or deacon s and their wives quickly turns to nightmares The flock often ends up ripping the ministers to pieces and leaving them emotionally or spiritually dead This book offers encouragement to those especially minister s wives who are living the nightmare and Biblical helps in becoming victorious in the face of the nightmare **Starting Missional Churches** Mark Branson,Nicholas Warnes,2014-07-24 All mission is local the people of God joining the work of God in a particular place In *Starting Missional Churches* Mark Lau Branson and Nicholas Warnes introduce us to seven missional churches and identify best practices while examining common challenges regarding their genesis
