Met God Hell Tim Ehmann:

I Met God in Hell Tim Ehmann, 2015-11-01 On September 1 2000 Tim Ehmann a wild thirty five year touring rock n roll musician steeped in the underground entertainment industry overdosed from shooting too many successive speedballs of heroin and crack He collapsed and died in his upstairs bedroom Within moments he found himself in a place of inconceivable horror and absolute terror at the very gates of hell To his shock Tim heard and saw many of the old friends he had played and partied with over the years who had previously died untimely deaths from those wild decades Fully knowing his just fate lost for eternity unexpectedly God met Tim in hell and pulled him up into His protective arms and into the wonders of heaven Tim was shown his calling and destiny and resurrected seven hours later This miracle packed book reveals a God whose love proves so outta control that He continually chased and supernaturally protected a man bent on destruction through countless surreal situations with no other possible explanation for his survival Since that day Tim has been experiencing God with ongoing explosive encounters while being led on many dangerous and sometimes comical front line adventures with God Tim Ehmann has a unique friendship with God that shows just how fun and exciting God and heaven can be *I Met God in Hell*

Tim Ehmann, 2018-10-30 *I Was Born to Destroy Hell* is the second book of Tim Ehmann Like his first book *I Met God in Hell* Tim Ehmann gives us an even more brilliant description of Heaven focusing on new revelation and on the ancient truths of Jesus This book gives a more accurate detail on the appearance of Jesus and all of heaven but most important the heart of God A Continuing theme with his first book Tims message is of a true love affair with the Lord Jesus which of course is our salvation Tim devotes several chapters of the new book *I Was Born to Destroy Hell* to uncommon miracles and the 3rd Great Awakening When Jesus appeared to Tim and saved him at the very gate of hell on September 1 2000 the last words of that 8 hour conversation was Timmy I saved you Now you Go and save my Children So needless to say there are many new

and thorough descriptions of heaven and of course hell which has been on the heart of Tim Ehmann to release to the world This ministry is a miracle ministry it started with this miracle and we have seen miracle ever since There is also a couple of chapters on the Christian music market and a rare insight on the entertainment industry This book is a great revelation for the saved and the unsaved for the mature in the Lord and for a brand new convert The graphic descriptions of the horrors of hell and what Tim Ehmann saw is well worth the price itself but what i like the most is the accurate descriptions of Jesus ever written and the spiritual laws of heaven There are several chapters devoted to teaching on the gifts on the faith walk and of course the most important subject salvation Without that nothing else matters Jesus said I am the Way the Truth and the Life no man comes to the Father but through me Without this basic truth there is no salvation This book shows you the outrageous and out of control Love of Jesus for each and every one of us It s the love of God that brings us to salvation and this book shows you in how many different ways JESUS speaks to us and shows us the way back home to heaven Realize through your own life how many times God perfomed miracles to get your attention Know the day of your salvation Come and Join us in Heaven Tim Ehmann Website www.TimEhmannProductions.com **Gems Beneath the Coals of Fire** Grizelda Comulada,2025-06-07 Gems Beneath the Coals of Fire is a poetic masterpiece that will ignite your soul with a fresh perspective on life s challenges As you delve into these pages you ll discover familiar biblical narratives intertwined with my personal experiences creating a tapestry of inspiration that can be captivating like a cinematic masterpiece These stories rooted in real life events will empower you to see beyond the chaos and find hope in the most unexpected places They re like a divine trailer leaving you eager to explore and stretch your faith in the grand narrative of our Creator who is perfect love Along with His son who is the timeless Author of life who is ready to enrich His children with an inheritance that has been set aside for those who have believed blessed is he that believes in me and has not seen me John 20 29 God isn t merely a distant figure He s intimately involved in every detail of your life yearning for a deep connection with you through the wonderful works of His divine Holy Spirit Are you ready to set aside your worldly distractions and tune into His spirit As Jesus said He that hath ears to hear let him hear Matthew 11 15 Real Estate Record and Builders' Guide ,1896 **Forthcoming Books** Rose Army,1998 **All You Want to Know About Hell** Steve Gregg,2013-11-12 All You Want to Know About Hell breaks down the three most popular views on hell and tells us what the Bible really says about this terrifying and mystifying place It is an undeniable fact that the very concept of hell is shrouded in mystery We know what books and movies tell us hell is like but we re left with so many questions Is hell simply a place where sinners are sent to suffer for their sins or is it more than that How could a loving God send anyone to hell Does the Bible give us a clear and consistent picture of hell What does the existence of hell tell us about God s character Steve Gregg author of Revelation Four Views will take you on a tour of the three most popular views on hell and walk you through a clear explanation of what Scripture really says From the traditional view of hell as a place of eternal torment to the early Christian view that hell is a place of suffering intended to purge sin and

to bring about repentance no other book gives such in depth biblical insight into the truths about hell that are hidden in all the hype All You Want to Know About Hell is an accessible and interesting read for laypeople pastors and scholars alike

Hell Timothy Pitts,2022-08-01 Most Christians have at one time or another wondered what heaven will really be like But what about hell Have you ever wondered what the place prepared for the devil and his followers will be like Do the countless cartoon drawings we ve all seen accurately portray what hell is really like Or has the humorous content of those cartoons confused us as to what it is really like and subtly removed our revulsion for such an awful place Most of us would rather not think about hell but if it was important enough for Jesus to discuss then maybe we should take another look at this unpleasant topic A clear understanding of hell can and should be a powerful motivator for obedience to Jesus final command to go and make disciples and thus play a part in saving as many as possible from an eternity separated from God In his book Hell Shedding Light on a Dark Place author Timothy Pitts uses a laid back easy to read style to provide a biblical look at what hell will be like You ll discover that the main thing about hell while a truth that is a simple no brainer has far reaching implications As you read ask God to change your heart and to give you a greater compassion for those who are rushing through life towards such an awful fate *Heaven Hell* Tim Thomas,2012 The goal of this book is very simple to awaken the complacent to the terrors associated with eternal damnation When it comes to the topic of Heaven and Hell there are no shades of gray It s either white or black By not making a conscious decision to accept Jesus Christ as one s personal Lord and Savior by default one has accepted an eternal death sentence The book attempts to make the case for Jesus Christ in simple but compelling terms God fully intends for us to enjoy our short earthly existence but it s imperative that we have a clear sense of priorities Knowing that your eternal destiny is secure should be the highest priority of every human being **Is Hell for Real or Does Everyone Go To Heaven?** Zondervan,2011-08-02 Both outside and inside of the church many people today are increasingly uncomfortable with hell They wonder How could it be fair to punish anyone for eternity Will Jesus really condemn millions simply for not believing the right things about him Isn t God a God of love not vengeance The top notch contributors to Is Hell for Real or Does Everyone Go to Heaven tackle these and other questions with an even handed survey of the Bible s teaching on this difficult subject Together they present a careful case for upholding hell showing that it remains central to a right understanding of God the gospel humanity and God s purposes for the world Useful for group discussion or individual study Is Hell for Real or Does Everyone Go to Heaven provides an accessible introduction to the historic Christian doctrine of hell Four Views on Hell William V. Crockett,1992 What is the nature of hell Will the wicked be destroyed by physical flames or was God using a metaphor in the New Testament This book places four views of hell side by side and allows the reader to decide on the true nature of God s judgment Features debates and rebuttals by editor Crockett Zachary Hayes John Walvoord and Clark Pinnock Erasing Hell Francis Chan,Preston M. Sprinkle,2011-07-01 Addressing a variety of views on hell the Bible and the character of God offers an eloquent response to the recent media

HELL THE DOGMA OF HELL ILLUSTRATED BY FACTS TAKEN FROM PROFANE AND SACRED HISTORY REVEREND F X SCHOUPPE S J A Classic Includes An Eternity of Heaven or Hell Thoughts for Lent by Reverend Clement Henry Crock Includes Illustrations by Giovanni Antonio Canal Includes an Active Index Table of Contents and NCX Navigation Publisher Available in Paperback ISBN 13 978 1 78379 217 7 The Dogma of Hell is the most terrible truth of our faith There is a hell We are sure of it as of the existence of God the existence of the sun Nothing in fact is more clearly revealed than the dogma of hell and Jesus Christ proclaims it as many as fifteen times in the Gospel The atheist who denies hell is like the thief who should deny the prison A thief was threatened with sentence to prison The foolish fellow replied There is no Court there is no prison He was speaking thus when an officer of justice put his hand on his shoulder and dragged him before the Judge This is an image of the atheist who is foolish enough to deny hell A day will come when taken unawares by divine justice he shall see himself dashed headlong into the pit which he stubbornly denied and he shall be forced to acknowledge the terrible reality The unprofitable servant cast ye out into the exterior darkness there shall be weeping and gnashing of teeth Matt xxv 30 Includes An Eternity of Heaven or Hell Thoughts for Lent by Reverend Clement Henry Crock PUBLISHER CATHOLIC WAY PUBLISHING **23 Questions about Hell** Bill Wiese, 2010 Draws on biblical teachings and the author's personal experiences to answer questions regarding hell and related topics **When God Sent Me to Hell** Michael H Yeager, 2018-09-19 If you dare open the pages of this booklet and enter into a world that is more horrifying than the human mind can ever imagine As you read Michel Yeager's terrifying and true experience of going to hell do not be surprised if what he felt saw and experienced does not begin to happen to you **The Most Encouraging Book on Hell Ever** Thor Ramsey, 2014 It's become a modern question because of the traditional doctrine How can God be both loving and wrathful In The Most Encouraging Book on Hell Ever Thor Ramsey an author pastor and comedian but don't let that fool you tackles this question by probing deeper Avoiding the caricatures of God as either a Frankenstein out to crush you or a Santa Claus ready to grant your every wish as long as you've been really really good he asks What changes about God if this traditional understanding of the doctrine of hell changes As it turns out everything changes If you think a God without hell is more loving this book will surprise you While many believe that by eliminating hell they're getting a new and improved God this new thinking is more troubling than the old doctrine itself The new doctrine of hell being sold today is only good news at the most superficial level leaving us with a wrathless God who tolerates evils that make even the average atheist cringe What if hell itself is good news about God What if hell highlights everything we find glorious about God What if the loss of hell leaves the world with a smaller God Discover why the church needs a new and different breed of hellfire and brimstone preacher in the pulpit today If you can't imagine how the doctrine of hell could ever make you say Praise God this book often funny but deadly serious lays out the biblical vision **Shades of Sin** William Hofer, 2021-03-05 Traditionalists postulate an all loving

all powerful God who has revealed Himself in His inspired inerrant Word Since His Word speaks of hell questions about hell in the final analysis are not philosophical but hermeneutical Bible interpretation properly done provides ready answers for such life and death debates We should not practice eisegesis reading into the text what our philosophical penchant may be but exegesis getting out of the biblical text what the original author put in Understanding the following elements will allay any fears of God being unjust when consigning unrepentant sinners to hell 1 the duration of life 2 the definition of death 3 the description of hell Non traditionalists claim God is neither just nor loving if He tortures everyone in hell forever regardless of the life they lived They are offended by such an idea and believe God is too Rather than jettison the doctrine of eternal punishment at the expense of biblical fidelity the author inserts into the debate an idea that undergirds God s justice while maintaining the traditional doctrine of hell Hofer rejects the notion victims at Auschwitz suffer the same fate as the madman who dispatched them there That is offensive to God

Dare We Hope That All Men be Saved? Hans Urs Von Balthasar, 2014-10-08 This book is perhaps one of the most misunderstood works of Catholic theology of our time Critics contend that von Balthasar espouses universalism the idea that all men will certainly be saved Yet as von Balthasar insists damnation is a real possibility for anyone Indeed he explores the nature of damnation with sobering clarity At the same time he contends that a deep understanding of God s merciful love and human freedom and a careful reading of the Catholic tradition point to the possibility not the certainty that in the end all men will accept the salvation Christ won for all For this all embracing salvation von Balthasar says we may dare hope we must pray and with God s help we must work The Catholic Church s teaching on hell has been generally neglected by theologians with the notable exception of von Balthasar He grounds his reflections clearly in Sacred Scripture and Catholic teaching While the Church asserts that certain individuals are in heaven the saints she never declares a specific individual to be in hell In fact the Church hopes that in their final moments of life even the greatest sinners would have repented of their terrible sins and be saved Sacred Scripture states God desires all men to be saved and to come to the knowledge of the truth For there is one God and there is one mediator between God and man the man Christ Jesus who gave himself as a ransom for all 1 Tim 2 4 5

Four Views on Hell

Zondervan, 2016-03-08 Recent years have seen much controversy regarding a unified Christian doctrine of hell Do we go to heaven or hell when we die Or do we cease to exist Are believers and unbelievers ultimately saved by grace in the end By focusing on recent theological arguments *Four Views on Hell* Second Edition highlights why the church still needs to wrestle with the doctrine of hell In the fair minded and engaging Counterpoints format four leading scholars introduce us to the current views on eternal judgment with particular attention given to the new voices that have entered the debate Contributors and views include Denny Burk representing a principle of Eternal Conscious Torment John Stackhouse representing a principle of Annihilationism Conditional Immortality Robin Parry representing a principle of Universalism Ultimate Reconciliation Jerry Walls representing a principle of Purgatory Preston Sprinkle concludes the discussion by

evaluating each view noting significant points of exchange between the essayists The interactive nature of the volume allows the reader to reflect on the strengths and weaknesses of each view and come to an informed conclusion BONUS CONTENT Includes entire first edition of Four Views on Hell to help readers grasp the history of the discussion and how it has developed over the last twenty years **Is Hell Eternal; Or, Will God's Plan Fail?** Charles Hamilton Pridgeon, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1920 edition Excerpt XXX THE TEST OF USEFULNESS AS A DIVINE ACCBEDITING The question may arise in the heart of a Christian worker Is it not all right to sacrifice a little frankness and truth in order to usefulness The Word of God tells us to Buy the truth and sell it not All truth that we really have has cost its possessor something and sometimes it is gained only at a great price God bids us buy it It is true it is without money and without price and yet it costs dearly but it is always worth more than it costs Truth to become really ours has to be held more strongly than a mere opinion or belief beliefs have to be burned into convictions and convictions changed into life There is always the temptation to compromise and when any truth is compromised or denied it is apt to become weaker and fainter to our consciousness God s Word says sell it not for all truth is a part of Him who is the Incarnate Truth and in selling it to that degree we are selling Him God always desires us to be tactful in the presentation of truth but He never wants us to sacrifice it nor to practise diplomatic falsehoods to promote His cause There are times when one may be called upon to sacrifice greatly for some truth but if done unto God in the spirit of joy and faith it always yields its hundredfold and that kind of truthfulness is always one of the secrets of power we might say a rare secret of power It is contrary to heavenly wisdom to prefer a present profit to a future good In fact he who is not looking for profit at all but only at what will please God that man has already the greatest profit in a more intimate fellowship with God And he who has the most intimate fellowship with God will have the life of greatest usefulness
