Alan Watts

Metaphysic Christianity Buddhism Dawsonne Strong Ebook:

The Supreme Identity Alan Watts, 2020-09-24 Modern Civilization Watts maintains is in a state of chaos because its spiritual leadership has lost effective knowledge of man's true nature. Neither philosophy nor religion today gives us the consciousness that at the deepest center of our being exists an eternal reality which in the West is called God. Yet only from this realization come the serenity and spiritual power necessary for a stable and creative society. One of the most influential of Alan Watts's early works, *The Supreme Identity* examines the reality of civilization's deteriorated spiritual state and offers solutions through a rigorous theological discussion on Eastern metaphysic and the Christian religion. By examining the minute details of theological issues, Watts challenges readers to reassess the essences of religions that before seemed so familiar and to perceive Vedantic oneness as a meeting ground of all things good and evil. In addressing how religious institutions fail to provide the wisdom or power necessary to cope with the modern condition, Watts confidently seeks the truth of the human existence and the divine continuum. In this eye-opening account of metaphysical blindness in the West, Watts accents this dense exploration of religious philosophy with wry wit that will engage inquiring minds in search of spiritual power and wisdom.

The Life and the Way A. K. Mozumdar, 2002-08 Mozumdar, founder of the Christian Yoga Society, has written many spiritual classics which reflect the philosophy of Christian Yoga. Is Christian Yoga a contradiction of terms? Not here. East and West are brought together so that both may experience an all-pervading Oneness in the universe. This Oneness transcends religious separation and cultural barriers, which is the purpose of this book. He uses not only his own teachings but includes those of Jesus and the Buddha. The book also contains powerful guidelines of wisdom for daily living and is capable of transforming an individual. May help to provide a unique path to follow and spiritual peace of mind.

The Mirror Mind William Johnston, 1981 Eight lectures delivered at Oxford in honor of Martin D Arcy, Master of Campion Hall, about Christianity in Dialogue with Eastern Mysticism from preface.

Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club.
