Whitehead, Evelyn Eaton Whitehead, 1995-09 Theological Reflection and Christian Ministry James Evelyn Whitehead Topics ranging from Tradition and the minister to the broad concerns of theology in conversation with culture Method in Ministry James D. Whitehead, 1995 *Method in ministry : theological reflection and Christian ministry* James D. Whitehead, 1981 *SCM Studyguide: Theological Reflection* Judith Thompson , Stephen Pattison, Ross Thompson, 2019-03-30 Since it was first published the SCM Studyguide to Theological Reflection has quickly gained a reputation for being a vital and accessible guide to the subject for all who embark on it for the first time This studyguide offers newcomers a step by step introduction to understanding what theological reflection is and helps them to explore which of the methods introduced best suits them and their particular situation It is practical in emphasis providing students with a wide variety of worked examples and opportunities to carry out their own exercises This 2nd edition will bring the content up to date offering a revised and improved bibliography and updated and refreshed examples and exercises including new sections on scriptural reasoning and contemplative theology **Handbook of Spirituality for Ministers** Robert J. Wicks, 1995 An applied spirituality handbook that covers an array of topics relevant to professionals daily work in pastoral care **Learning in the Way** Jeff Astley, 2000 Adult Christian learning is central to the life of the Christian church and is essential for its health outreach and very survival Leading Christian educators here apply the principles of Christian education to adult learning in the churches and present the results and methods of empirical research relevant to the church s ministry of adult Christian education This book will be of interest to all who are concerned for the ways in which adults learn to be Christian The editor Jeff Astley is Director of the North of England Institute for Christian Education and Honorary Professorial Fellow in Practical Theology and Christian Education in the University of Durham Opening the Field of Practical Theology Kathleen A. Cahalan, Gordon S. Mikoski, 2014-04-10 Opening the Field of Practical Theology introduces students to practical theology through an examination of fifteen different approaches ranging from feminist to liberationist Roman Catholic to evangelical Asian American to Latino a After an introduction to the field of practical theology and its broad range of practice today the book features chapters written by leading experts in the discipline Each chapter has an identical structure to facilitate comparison covering historical context key features and figures norms and sources of authority theory practice contexts interdisciplinary considerations areas of current and future research and suggested readings Opening the Field of Practical Theology is an ideal introduction to the field highlighting the diverse ways practical theology is engaged today **Let's Do Theology** Laurie Green, 2010-01-12 **Poetry, Practical Theology and Reflective Practice** Mark Pryce, 2019-03-13 This groundbreaking study offers an innovative critical analysis of poetry as a

resource for reflective practice in the context of continuing professional development In the contemporary drive in all professions for greater rigour in education training and development little attention is paid to the inner shape of learning and meaning making for individuals and groups especially ways in which individuals are formed for the task of their work Building on empirical research into the author s professional practice the book takes the use of poetry in clergy continuing ministerial development as a case study to examine the value of poetry in professional learning Setting out the advantages and limitations of poetry as a stimulant for imaginative critical reflexivity and formation within professional reflective practice the study develops a practical model for group reflection around poetry distilling pedagogical approaches for working effectively with poetry in continuing professional development Drawing together a number of strands of thinking about poetry Practical Theology and reflective practice into a tightly argued study the book is an important methodological resource It makes available a range of primary and secondary sources offering researchers into professional practice a model of ethnographic research in Practical Theology which embraces innovative methods for reflexivity and theological reflection including the value of auto ethnographic poetry

The Christian Path in a Pluralistic World and the Study of Spirituality Diana Villegas, 2012-01-01 Based on exploration of boundaries between spirituality and religion this book argues that theological study of spirituality is important for interpretation of the Christian path in a pluralistic world As a text for graduate study in spirituality and ministry it explores relevant sociological studies post modern culture contemporary study of Christian spirituality and a brief history of the relationship between theology and spirituality The book argues that the revelation and tradition of Christianity understood and interpreted in the light of contemporary culture make a difference to postmodern persons quests for spirituality What one believes and how one understands that belief influences the manner in which the Christian path is lived in a pluralistic global world The book discusses the role of religion in culture and the relevance of this for the identity of religious spirituality and the study of Christian spirituality

Pastoral Theology in an Intercultural World Emmanuel Y. Lartey, 2013-03-13 In today s world the challenge of care is how to respond to people s emotional as well as their economic circumstances How can we be respectful of the individual and the community in ways that affirm both How are we to live respectfully with difference and ambiguity Where shall we find our models of life and care from the dominant Western or else some kind of global perspective that includes indigenous knowledge In our theologies do we continue to privilege the study of abstract conceptual theory or do we give place to pragmatic aesthetic and nonverbal forms In the face of increasing extremism terrorism and violence is it possible to make a sensible choice between radical relativism and absolute essentialism Are we to be drawn towards the various expressions of religion or to the opportunities and ambiguities of spirituality as it is called upon in many societies today With the scarce resources available or allocated to health care in many national budgets across the world shall we give greater attention to the eradication of disease through increasingly advanced technologies and therapeutic strategies or to the promotion of health through primary health care and

public health education Pastoral Theology in an Intercultural World presents practical theological resources for the broad vision deep passion and thoughtful action needed for pastoral care in the twenty first century *A Voice of Their Own* William Anthony Clark,2005 Examines community intimacy and authority in the church at the formative local ecclesial level examines contributions of several theologians concludes that a deeper appreciation for the enormous practical authority of local communities can help ground a renewal of the church s self understanding Provided by publisher Counseling Asian Indian Immigrant Families Varughese Jacob,2017-11-01 This book provides insight into the unique challenges facing Indian and South Asian immigrants in the West particularly in the United States It explores the baggage they carry their expectations versus the realities of negotiating a new cultural social religious and economic milieu nostalgia and idealization of the past and the hybridity of existence Within this context the author discusses factors which often contribute to intergenerational family conflict among this population Jacob asserts that this conflict is largely a product of differences in cultural values and identity acculturation stress and the experience of marginality After analyzing and interpreting empirical data collected from two hundred families he proposes the Praxis Reflection Action PRA Model a five stage therapeutic model and the first pastoral psychotherapeutic model developed for the Asian Indians living in the West *The Oxford Handbook of Mission Studies* Kirsteen Kim,Knud Jørgensen,Alison Fitchett-Climenhaga,2022-04-18 The Oxford Handbook of Mission Studies represents more than a century of scholarship related to the theology history and methodology of the propagation of Christian faith and the engagement of Christians with cultures religions and societies worldwide It contains more than 40 articles by experts from different disciplinary and ecclesial perspectives who are from all continents It not only offers a broad overview of key approaches and issues in mission studies but it also highlights current trends and suggests future developments The Handbook builds on renewed interest in mission studies this century generated by recent key statements on mission from ecumenical evangelical Catholic and Orthodox sources and by a spate of academic works on the topic Western church leaders now apply insights from foreign missions such as inculturation liberation interfaith work and power encounter to today s multicultural societies Meanwhile there are new initiatives in mission from the Majority World where most Christians live so that sending is not only from the west to the rest but from everywhere to everywhere Therefore this volume aims to reflect the voices of the receivers of mission as well as its protagonists and to raise awareness of new movements In a time of growing recognition of religions more generally this work examines and theorizes the missional dimensions of the world s largest religion its agendas growth outreach role in public life effect on cultures relevance for development and its approaches to other communities **Counter-Cultural Paradigmatic Leadership** Gary K. G. Choong,2011-06-03 In Counter Cultural Paradigmatic Leadership Gary Choong challenges the reader to consider the mind set motive and manner of leadership in any Asian setting that is suffused with contemporary practices of paternalistic authority It provides a counter cultural paradigm shift for the Christian leader who desires to honor God with mind and heart

based on a biblical moral foundation and to lead with character biblical core values and a commitment to further the cause of Christ The counter cultural paradigms and practices of integrity humility and empowerment address the ills of contemporary paternalistic authority such as didactic leadership guarding and building of reputation protection of dominance autocratic control nepotism cronyism ambivalence lack of accountability overstaying one s effectiveness and underestimating one s subordinates This counter cultural paradigmatic Christian leadership deals first with the Christian leader s character and spiritual formation over a lifetime second it seeks to influence and impact team members toward biblical coherence and congruence in discipleship team ministry and leadership development third it encourages the leader to consider ways to address organizational behavioral dysfunctions and hence organizational coherence congruence and effectiveness particularly with a view toward leadership succession and organizational significance **Sensus Fidelium** Daniel J. Finucane,2016-02-19 Daniel J Finucane s original work assesses the long history of the understanding and use of the concept of *sensus fidelium* and develops criteria from its history and the teachings of Vatican II to critique the postconciliar use of the concept This a comprehensive work in both its scope of history and its treatment of contemporary theologies of the concept as well as suggesting a significant role for hermeneutical issues The variety of views on the *sensus fidelium* challenges the traditional understanding of the concept In this study criteria are offered here for reassessing the *sensus fidelium* in the light of Vatican II s teaching and the concept s history Major theological perspectives on this topic since Vatican II are surveyed and explicated Among the theologians and philosophers discussed are Newman Congar Rahner John Coulson Jean Guitton Guenter Biemer Samuel D Femiano John C Ford Beinert Schmaus Granfield and others **Made in God's Image** Regis A. Duffy,Angelus Gambatese,1999 The Catholic Church in its social teaching has consistently rooted its mission in the dignity of the human person created in the image of God For three years Catholic scholars from various disciplines participated in a seminar on human dignity The fruits of their conversation are presented in this engaging and readable collection Ideal for college courses on religious and social issues or adult education groups the essays in this volume are also useful for personal study BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Conundrums in Practical Theology* Joyce Ann Mercer,Bonnie Miller-McLemore,2016-09-19 In this landmark volume internationally recognized scholars address key intellectual and practical conundrums that not only trouble practical theology but also reflect biases and breakdowns in the construction of theological knowledge in academy and religious communities at large With critical facility and unheralded honesty that includes reflexivity about their own lives in the academy the authors tackle complex issues that refuse easy solutions racism hierarchy of theory over practice devaluation of small case studies risks of interdisciplinarity to scholarly identity inequities between Christian traditions unreflective Christian centrism and tensions between the production of scholarship and public service Outcomes of these issues will have serious implications for the discipline and the study of theology for years to come Contributors include Tom Beaudoin Eileen R Campbell Reed Faustino

M Cruz Jaco Dreyer Courtney T Goto Tone Stangeland Kaufman Joyce Ann Mercer Bonnie J Miller McLemore Phillis Isabella Sheppard Katherine Turpin Claire E Wolfteich Theological Reflection: Methods Elaine Graham, 2013-01-25 This is the first in a two part project aimed at postgraduates and academics interested in the expanding volume of work and research surrounding theological reflection Brought together in Volume one is a comprehensive collection of models of theological reflection By bringing this diverse collection together in one place the editors create a unique reference work that allows a clear and visible contrast and comparison as each model is treated formally and in a standard format Throughout each chapter the distinguishing features of the model are examined the geneology and origins are discussed worked examples of the model applied to contemporary theology are provided and critical commentary future trends and exercises and questions are provided
