Victor Hugo's Conversations with the Spirit World John Chambers, 2008-01-16 First English translation of Victor Hugo's writings on his experiments in spiritualism Reveals Hugo's conversations with renowned discarnate entities such as Shakespeare Plato Galileo and Jesus Examines his contacts with aliens from the planets Mercury and Jupiter and the revelation that our entire universe is a quantum hologram Discusses Hugo's possible role as a grand master of the Priory of Sion During Victor Hugo's exile on the Isle of Jersey where he and his family and friends escaped the reign of Napoleon III he conducted table tapping sessions transcribing hundreds of channeled conversations with entities from the beyond Among his discarnate visitors were Shakespeare Plato Hannibal Rousseau Galileo Sir Walter Scott and Jesus According to the transcripts Jesus during his three visits condemns Druidism faults Christianity and suggests a new religion with Hugo as its prophet To the skeptic some of the conversations may seem self-serving at best the subconscious wishes of the naive participants But author John Chambers places Hugo's experiments firmly in the tradition of visionary literature and psychic exploration aligning those experiences with the poetry of William Blake the table tapping experiences of the Fox sisters and the channeled writings of the great modern day Pulitzer Prize winning poet James Merrill whose spirits' utterances uncannily resemble those of Hugo's Hugo's transcriptions are the missing link between the early nineteenth century's fascination with the kabbalistic Zohar reincarnation and the writings of the Illuminati and the rise of spiritualism and the societies for the study of psychic phenomena in the latter nineteenth and early twentieth centuries

 Belisle, Philippe Regnier, 2014-07-15 Provocative yet sober Digital Critical Editions examines how transitioning from print to a
 digital milieu deeply affects how scholars deal with the work of editing critical texts On one hand forces like changing
 technology and evolving reader expectations lead to the development of specific editorial products while on the other hand
 they threaten traditional forms of knowledge and methods of textual scholarship Using the experiences of philologists text
 critics text encoders scientific editors and media analysts Digital Critical Editions ranges from philology in ancient Alexandria
 to the vision of user supported online critical editing from peer directed texts distributed to a few to community edited
 products shaped by the many The authors discuss the production and accessibility of documents the emergence of tools used
 in scholarly work new editing regimes and how the readers expectations evolve as they navigate digital texts The goal
 exploring questions such as What kind of text is produced Why is it produced in this particular way Digital Critical Editions
 provides digital editors researchers readers and technological actors with insights for addressing disruptions that arise from
 the clash of traditional and digital cultures while also offering a practical roadmap for processing traditional texts and
 collections with today s state of the art editing and research techniques thus addressing readers new emerging reading
