Fairy Queens Saga Amber Argyle, 2017-09-06 Rule 1 Never bargain with the fae Rule 2 Never fall for the enemy To be with the one they love three women must break the fae curse that bound their families as immortal enemies Of Ice and Snow The fourth throwaway son of the clanchief Otec witnesses his faraway mountain village come under attack while all the other men are off to war Cut off from his clan and dodging raiders he must trust a foreign woman stalked by a dark mysterious magic as they race to save his family from a life of slavery and his kingdom from utter destruction Winter Queen Never bargain with the fae A dying man delivers a terrible warning a civil war has begun between neighboring clans As healer and clanmistress Ilyenna is tasked with keeping the wounded alive and her people fed in the midst of a seemingly endless winter But she is taken captive she discovers the feud between clans is merely a distraction from something far worse Of Fire and Ash There is one rule above all others never bargain with the fae for such bargains always morph into curses But as the droughts worsens Nelay must rely more and more on her forbidden sight to keep her family alive When her father goes missing she risks exposure to find him before time runs out Summer Queen To rise from the ashes first she must burn As Nelay's kingdom is pummeled into submission Nelay realizes a bigger power is at play than that wielded by mere mortals Perhaps the only way to defeat the fae is to embrace the curse they gave her For only Nelay can stand between the cinders of her once great nation and the vengeance of the Winter Queen Of Sand and Storm By law any child born in Idara is free even if that child is born in a slave brothel Unfortunately for Cinder she has grown into a beauty that surpasses even the renown of her mother and grandmother making her far too valuable a commodity to lose The slaveholder calls in Cinder's debts forcing her into a dangerous game where her very freedom is the prize Daughter of Winter Bargains Only the desperate need them Only the desperate make them And always the desperate pay Isolated in a northern queendom Elice dreams of color and music and life So when a whaling ship crashes just offshore she doesn't hesitate to rescue the lone survivor Adar who quickly becomes her friend She must keep him hidden from her mother at all costs for if the Winter Queen discovers him trespassing she ll kill him Unbeknownst to Elice a bargain was made long ago A bargain she was born to fulfill Winter's Heir Unless Elice can force the immortal queens to unite the magic of winter and summer the magic will die and take the world with it **Sand and Storm** Amber Argyle, 2016-08-03 It s a dangerous game and Cinder's freedom is the prize By law any child born in Idara is free even if that child is born in a slave brothel Unfortunately for Cinder she has grown into a beauty that surpasses even the renown of her mother and grandmother making her far too valuable a commodity to lose The slaveholder calls in Cinder's debts forcing her into a dangerous game where her very freedom is the prize The man most interested in buying Cinder is Adar a prince with a wicked reputation that masks a kindness she cannot fathom In his glittering world of prestige and power she discovers the game for her freedom is only a smaller move in a complex coup against the nobility And Cinder's newfound closeness with the prince makes her the perfect assassin to kill Adar's own mother the immortal Summer Queen If

she fails the slaver will kill her entire family Cinder is faced with an impossible choice save herself and her family or Adar and his What will she choose Buy Of Sand and Storm to find out You don t want to miss Of Sand and Storm the fifth book in the Fairy Queens Series a sweeping saga that spans generations of two families cursed to be immortal enemies Those families must find a way to forgive past wrongs and combine their magic one of fire the other of ice to save their dying world Buy Of Sand and Storm now A captivating series Jennifer A Nielsen New York Times bestselling author **Queen** Mercedes Lackey, 2009-02-01 Aleksia Queen of the Northern Lights is mysterious beautiful and widely known to have a heart of ice But when she s falsely accused of unleashing evil on nearby villages she realizes there s an impostor out there far more heartless than she could ever be And when a young warrior disappears Aleksia's powers are needed as never before Now on a journey through a realm of perpetual winter it will take all her skills a mother s faith and a little magic to face down an enemy more formidable than any she has ever known The Fairy Queen Cynthia A Sears, 2016-08-23 The Abandoned Kingdom Lord Akir was tired of fighting senseless wars for a bloodthirsty greedy king He dreamed of starting a kingdom where his men could live in peace and benefit from their loyalty and hard work This dream seemed unlikely until Lord Akir was approached by a wizard claiming to have had a vision of an abandoned kingdom far to the unexplored north Lord Akir was a practical man who thought that all wizards were charlatans but there was something different about this wizard Deciding to take a chance Lord Akir sails north with several ships and discovers a lush kingdom which is indeed abandoned as the wizard predicted Now the wizard suggests that they sail farther north where he maintains lies the Fairy Kingdom claiming the legendary fairies would help Lord Akir establish his new kingdom Lord Akir is no fool He knows that the wizard has his own reasons for wishing to visit the Fairy Kingdom and as soon as their interests no longer aligned there would be trouble Fairy Tales, Myth, and Psychoanalytic Theory Veronica L. Schanoes, 2016-04-15 At the same time that 1970s feminist psychoanalytic theorists like Jean Baker Miller and Nancy Chodorow were challenging earlier models that assumed the masculine psyche as the norm for human development and mental emotional health writers such as Anne Sexton Olga Broumass and Angela Carter were embarked on their own revisionist project to breathe new life into fairy tales and classical myths based on traditional gender roles Similarly in the 1990s second wave feminist clinicians continued the work begun by Chodorow and Miller while writers of fantasy that include Terry Windling Tanith Lee Terry Pratchett and Catherynne M Valente took their inspiration from revisionist authors of the 1970s As Schanoes shows these two decades were both particularly fruitful eras for artists and psychoanalytic theorists concerned with issues related to the development of women s sense of self Putting aside the limitations of both strains of feminist psychoanalytic theory their influence is undeniable Schanoes s book posits a new model for understanding both feminist psychoanalytic theory and feminist retellings one that emphasizes the interdependence of theory and art and challenges the notion that literary revision involves a masculinist struggle with the writer s artistic forbearers The Kiss of the Snow Queen Wolfgang Lederer, 2023-04-28
