Oh Baby True Stories About Conception Adoption Surrogacy Pregnancy Labor And Love:

Oh, Baby Lee Gutkind, Alice Bradley, 2015-05-01 In these 23 original stories mothers and fathers from all walks of life straight gay single surrogate biological adoptive explore the challenges and rewards of parenthood Here among other adventures parents fall hopelessly in love with newborns secretly fear having made huge mistakes race to finish birthing at home before the paramedics arrive struggle with the bureaucracy of international adoption despair of ever getting a one year old to nap are nearly broken by colic encounter other judgmental parents in birthing class learn how to parent children with special needs and more Together these thoughtful searing often hilarious essays map the grand and sometimes terrifying journey that begins with each new life Women Talk Money Rebecca Walker, 2022-03-15 A searing and fearless anthology of essays exploring the profound impact of money on women's lives edited by prominent feminist and writer Rebecca Walker *Women Talk Money* is a groundbreaking collection that lifts the veil on what women talk about when they talk about money it unflinchingly recounts the power of money to impact health define relationships and shape identity The collection includes previously unpublished essays by trailblazing writers activists and models such as Alice Walker Tressie McMillan Cottom Rachel Cargle Tracy McMillan Cameron Russell Sonya Renee Taylor Adrienne Maree Brown and more with Rebecca Walker as editor In this provocative anthology we discover a family that worships money even as it tears them apart we read about the financial death sentence a transgender woman must confront to live as herself We trace the journey of a Silicon Valley entrepreneur who finally makes enough money to discover her spiritual impoverishment we follow a stressful email exchange between an unsympathetic university financial officer and a desperate family who can't afford to pay their daughter's tuition and more This collection is a clarion call to conduct honest conversations that demystify and transform the role money plays in our lives Dazzlingly resonant and deeply familiar *Women Talk Money* is a revelation *Los Angeles Magazine*, 2000-07 *Los Angeles Magazine* is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 *Los Angeles Magazine* has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian **Surrogacy Was the Way** Zara Griswold, 2006 *Surrogacy Was the Way* Twenty Intended Mothers Tell Their Stories documents the true stories of twenty women who had children via surrogacy Surrogacy is a complete possibility in today's day and age but anyone considering this route to parenthood should know the pros and cons The women featured go to surrogacy for a variety of reasons ranging from Mayer Rokitansky Kuster Hauser syndrome MRKH to cancer to unexplained infertility and everything in between Some of the journeys go rather smoothly while others are filled with one obstacle after another Some of the women have children already and want to add to their family while most are attempting to become moms for the first time

What they all have in common however is that every woman whose story is told knows what it is like to be an intended mother the term for the mother to be if and when a baby is born And all of the women ultimately end up having a child or more through surrogacy When I first started researching surrogacy I was fortunate to find several Online support groups As I gave and received support to so many other women I became fascinated with the extent to which people would go to simply have a baby I realized that their stories our stories needed to be heard thus the idea for this book was born For the millions of women who have been touched by infertility in some way or know someone who has Surrogacy Was the Way will open their eyes to amazing possibilities It will show them that they do have options and with persistence and faith they can achieve their dreams of motherhood after all

A Gay Couple's Journey Through Surrogacy Jerry Bigner, Michael Menichiello, 2014-06-03 A deeply personal account of the trials and tribulations of the surrogacy journey Surrogacy has been coldly and unjustifiably called baby buying and baby selling and many states have banned it But those insensitive terms do not tell the inspiring tale of a couple fiercely wanting to become parents A Gay Couple's Experience with Surrogacy Intended Fathers is the moving true story of a gay couple's decision to have their child through a surrogate mother With humor and emotion the author traces their intense experience from the initial decision to have a child through surrogacy on through the entire pregnancy and birth A Gay Couple's Journey Through Surrogacy chronicles this couple's no holds barred account of the emotional toll the legal matters the financial concerns and the ultimate fulfillment of parenting a child A Gay Couple's Journey Through Surrogacy reveals the author's answers to these questions why surrogacy over adoption which type of surrogacy traditional or gestational what were the issues when choosing a surrogate how much does surrogacy cost what living expenses are included in the cost what are the emotional and financial reasons that surrogates choose to bear another's child what are the pitfalls in choosing surrogacy what are the legal issues what to beware and what to consider An excerpt Before I knew it I was writing an ad of my own and I actually posted it David of course had no idea what I was up to The ad read We're a gay couple in New York that just celebrated our fourteenth anniversary and we've decided to extend our family We're looking for someone close by and even have a separate apartment available if needed Nice huh Could it be just a little bit more vague Could my ad have lacked a little more personality Sure have our baby and move right in while you're doing it Who the hell would respond to that I wasn't even sure after reading it myself that it made any sense But what should I have said What could I have said I scrambled to find a way to delete it but couldn't A Gay Couple's Journey Through Surrogacy is a touching memoir that reveals the challenges that face gay and lesbian couples who may be considering either adoption or surrogacy

Labor of Love Heather Jacobson, 2016-03-15 While the practice of surrogacy has existed for millennia new fertility technologies have allowed women to act as gestational surrogates carrying children that are not genetically their own While some women volunteer to act as gestational surrogates for friends or family members others get paid for performing this service The first ethnographic study of gestational surrogacy in the United States *Labor of Love* examines the

conflicted attitudes that emerge when the ostensibly priceless act of bringing a child into the world becomes a paid occupation Heather Jacobson interviews not only surrogate mothers but also their family members the intended parents who employ surrogates and the various professionals who work to facilitate the process Seeking to understand how gestational surrogates perceive their vocation she discovers that many regard surrogacy as a calling but are reluctant to describe it as a job In the process Jacobson dissects the complex set of social attitudes underlying this resistance toward conceiving of pregnancy as a form of employment Through her extensive field research Jacobson gives readers a firsthand look at the many challenges faced by gestational surrogates who deal with complicated medical procedures delicate work family balances and tricky social dynamics Yet *Labor of Love* also demonstrates the extent to which advances in reproductive technology are affecting all Americans changing how we think about maternity family and the labor involved in giving birth For more visit <http://www.heatherjacobsononline.com>

Baking a Baby Lauren Knight, 2020-01-10 ***Labor of Love*** Shannon Garner, 2016-07-01 A story of generosity hope and surrogacy Shannon Garner met and married the man of her dreams had two gorgeous children and lived an idyllic life on the New South Wales coast So why did she decide one day to pursue altruistic surrogacy And what made her choose a gay male couple from Sydney *Labor of Love* is Shannon's honest and engaging story a rollercoaster of emotion set against the backdrop of a highly regulated industry This is no account of heartache and conflict but an uplifting story of a collective love one that involves a handful of people from very different walks of life who end up being so much more than family As Shannon travels her journey of body mind and soul she lays bare the loving reality behind surrogacy but also the trouble she found along the way Finding strength in unexpected places Shannon pushed past the negativity of others to discover the courage she needed to selflessly carry and birth a baby that will not be her own and to bring the gift of a precious life and soul into the world to be loved and cared for by her new adoring parents

Experiencing Surrogacy: Perspective and Advice from a Surrogate's and Intended Parent's Pregnancy Journey Together Emily Dubin Field, Melissa Fleck, 2019-11-01 If you can make it through this book without feeling a shred of emotion or shedding a tear of sorrow or joy then please check yourself for a pulse EXPERIENCING SURROGACY is the true story of how a beautiful girl named Ava arrived in our world through a years long collaboration of patience determination love friendship and professionalism between two couples their families and a host of professionals The story is told step by step from the respective perspectives of the book's authors Melissa the gestational surrogate who carried and gave birth to Ava and Emily Ava's intended parent and mother In telling the story the authors provide the reader with a unique look into and candid advice about every step in the surrogacy process from the two most important sides of the surrogacy experience Surrogacy is a unique beautiful and challenging way to have a baby Whether you are looking into surrogacy as an intended parent or surrogate are a professional in a related field or are simply curious about surrogacy and want to know more the authors hope that through you reading about their experiences and hearing their advice you will feel more informed about

the surrogacy process No matter your level of existing knowledge or reason for interest if you choose to read this book then you are guaranteed to learn something new about surrogacy And you will be treated to a beautiful story that is both fascinating and joyous along the way Why Didn't Anyone Tell Me? Rebecca Griffin,2010-11-01 Every step of the journey to become a parent while exciting can also be daunting with countless choices and varying advice In *Why Didn't Anyone Tell Me* parents from around the world speak honestly about their experiences of assisted conception pregnancy birth sex relationships and raising children Woven between the stories are insights and tips as well as evidence based information and recommended further reading about the topics referred to in the stories Intended Parents Sandra Watson Rapley,2005-07 Who does a woman turn to when more than anything in the world she wants to have a child but her body refuses to cooperate Sometimes all you need is a miracle In 1998 when thirty seven year old Sandra Watson Rapley and her husband Craig married both decided that they wanted children right away Sandra expected some difficulty trying to conceive because of uterine fibroids she had removed years ago However she was not prepared for the turbulent and often times disappointing road she would have to travel to make her dream a reality After many failed attempts at drug therapy ovulation calculation and in vitro fertilization the Ripleys finally learned the devastating truth fibroids inside Sandra s uterus were preventing a successful pregnancy Following months of discussion testing and counseling the miracle that the Ripleys were praying for arrived in the form of a surrogate Their sister in law Victoria selflessly volunteered to be their embryo s oven and on August 29 2001 Victoria gave birth to the Ripleys twin sons *Intended Parents Miracles Do Happen* is the touching account of author Sandra Watson Rapley s struggle with infertility through the emotional highs and lows and the exciting time when her dream of having a child is finally fulfilled **Jessica Lost** Bunny Crumpacker,Jil Picariello,2011-05-03 A mother and her child lost and then found again after four decades this extraordinary story of love loss and reunion is told in alternating voices by the two women each relating her own powerful experience For the mother its the tale of an unhappy marriage followed by betrayal a pregnancy of uncertain paternity and the heartrending decision to give up her newborn The daughters search begins 40 years later as she slowly painstakingly stitches together her story These intertwined tales give us two unforgettable points of view of a remarkable journey and of the multiple meanings of motherhood What I Didn't Know Lee Gutkind,2016-09-28 Teachers delve into the most difficult rewarding and transformative moments of their careers as they discover that succeeding at teaching is a test not just of training or of subject matter but of resolve dedication faith and character Whether in a New England prep school or a public school in South Central LA a preschool in Malawi or a high school in China the fundamental challenges of becoming a teacher are the same finding authority forging an authentic connection with students and making a space where learning can occur In these twenty personal narratives teachers provide us with a fascinating insight into a profession that touches us all *Adoption Joys* Doris Howe,2023-05-12 *Adoption Joys They Expected a Miracle* gives God s plan for unplanned pregnancies as it shares encouraging true stories of the joys

adoptive couples have found in adoption Young unmarried single women who have found themselves in an unplanned pregnancy are also encouraged with the truth that these couples love them unconditionally over all the years to come The baby is welcomed of course but not more so than the birth mom The adoptive couples enter the adoption in a covenanted relationship just as God expects from the couple in their marriage Because of the covenant the birth mom finds their couple and loves them as well as her baby

Labor of Love Thomas Beatie,2009-08-25 A woman transitioned to a man with her ovaries and birth canal intact As a result he was able to be pregnant as a man

The Waiting Cathy LaGrow,2014 In 1928 16 year old Minka was on a picnic in the woods when she was assaulted and raped and became pregnant The baby was secretly born named Betty Jane and given up for adoption For decades Minka wrote letters trying to get news of her daughter she kept loving and praying for her even though she never dared believe they would meet again Until nearly eighty years later when Minka whispered a secret impossible prayer for the first time Unbeknownst to Minka that very same day a judge was releasing the sealed adoption records to her 77 year old daughter And soon Minka s phone would ring Amazon com

Adoption Is Not a Bad Word Robin Waltrip,2013-09-26 I write this book in hopes of showing how adoption can be a positive thing Today in our society we have come to accept children and their birth moms in a different light While this is fantastic I still believe that the child needs to have the option when they are older to meet their birth parents I searched my birth mom out first because I wanted to know of medical problems my children may face I then realized what a blessing I have as I found a best friend in my birth mom Our relationship is different than the one with my mom and to me it is a blessing in disguise

Yesterday They Took My Baby Ben Wicks,1993-01-01

Great Expectations Dede Crane,Lisa Moore,2008 In this collection of original essays twenty four celebrated writers take the reader on an emotional and physical journey like no other giving birth Lynn Coady relates the painful memory of her teenage pregnancy and the anguish of giving up her newborn for adoption Peter Behrens expresses a father s feeling of utter helplessness and incomparable joy during the birth of his first child Afua Cooper reflects upon giving birth in a new land with evolving customs Anne Fleming describes the process of choosing a male donor with her same sex partner and Jaclyn Moriarty transcribes her grandmother s and her mother s birth stories along with her own to create a tender oral history spanning three generations
