Project Brandon Reed highlights how this wrong is ever invading the minds of the younger generation and continually evading the detection of the church He reveals from four years of firsthand experience at a Division I University how a concoction of alcohol drugs sex and ignorance is what drives the relativistic mindset that is flooding society today And he then proposes how the church the community and the Christian can work together to reset the mind heart and soul on Jesus Christ and His saving work through the Cross in a fresh way *Inside Out* David Henderson,2016-11-02 This book is written for my sons and is a patchwork of my thoughts prayers journal entries and emails These emails etc were written to family friends and the youth group students I have had the privilege of getting to know and love for the past 25 years Some of the questions I get are about creation evolution the deity of Christ the end times as well as personal issues such as sexual purity and how to live a holy life Part of the book is also about the journey God has brought me through in my personal life My hope is that however God uses this book that it pleases and glorifies Him **Gospel-Centered Youth Ministry** Cameron Cole,Jon Nielson,2016-02-12 Youth ministry is an essential part of most evangelical churches And yet there is a surprising lack of resources written specifically for youth workers focused on viewing all aspects of youth ministry through a gospel focused lens Featuring contributions from a host of experienced youth workers from a wide variety of churches this how to manual offers guidance related to every facet of youth ministry from planning short term mission trips to working with parents Theologically rooted yet eminently practical this handbook will equip youth leaders to effectively shepherd the young people under their care training them to live faithfully in their homes churches and schools **Reclaiming Authentic Christianity** Calvin Eugene Dollar Jr,2018-06-20 Will Christianity survive in America Is there a way to restore its impact on our culture How can you can be a part of rebuilding the foundations of a Christian worldview in our churches and nation Join Calvin Dollar in exploring the essentials of authentic Christian faith Discover your part in reversing the current demise of Christianity in America Allow yourself to be challenged by exploring a personal path of discipleship Come explore the concepts and evidence for Christianity On your journey you will find a biblical pattern for restoring authentic Christianity in your personal life and in your church If youre ready for adventure grab your hiking boots or your kayak and lets set out to explore together *Salmon Swimmers* Mary Lou Codman-Wilson Ph.D.,2017-12-14 All followers of Jesus Christ are called to become people transformed by the Holy Spirit so we can live out Gods heart for the world in terms of Christs great commission To do that often requires Christians to move against cultural sameness familial expectations secular norms religious boundaries and even personal emotional issues Obedience to God in todays world requires the lifestyle of a Salmon Swimmera Christian equipped to overcome whatever obstacles keep them from fulfilling Gods global agenda Such commitment has intriguing parallels to the journey of Atlantic salmon in their effort to swim upstream to spawn the next generation of salmon Weary Souls Anna Joy Ware,2025-09-18 The world is weary and so are God s people But weariness doesn t have the final word Jesus calls us to walk with Him through the valleys grow strong in His character and rise up to

ReClaimed Church Bill Henard, 2018-06-01 It s no secret churches are dying Tragically thousands of churches in the United States are shrinking some closing their doors forever The key to reversing these trends argues Bill Henard is for a local church to recognize where it is in the church life cycle Unless churches intentionally do something about it many of them will follow the same pattern from birth to plateau and eventually to death But if a church learns to identify its place within the life cycle and embraces the necessary processes it can return to growth In a day when church membership has decreased evangelistic zeal has cooled and budgets are disappearing ReClaimed Church is the tool that struggling churches need Having previously written and taught seminary courses on church revitalization Bill Henard uses his expertise to provide all the practical insights and instructions needed to reclaim your church **Christ's Discipleship Deal** Richard Christenson, 2018-01-08 As a former pastor Richard Christenson has had the opportunity to address numerous congregations and men s ministry groups throughout the northwestern United States and his observations from these experiences are alarming He found that comprehensive discipleship training that addresses the spiritual formation and mission involvement requirement of Christ s followers has been replaced by felt needs driven programming and religious education classes The result is local churches are becoming increasingly ingrown and are comprised of consumers spectators and Jesus fans rather than cross carrying followers of Jesus Christ Richard Christenson believes this problem is the result of our incomplete presentation of the Gospel and our failure to provide comprehensive maturity ministry and mission training for church members Christ s discipleship deal comes with many temporal and eternal benefits but there are also costs involved that need to be counted before making a commitment to become a follower of Christ In his new book Christ s Discipleship Deal Christenson offers assistance for local church leaders in identifying and correcting concerns related to their presentation of the Gospel spiritual formation of their members and proactive participation in Christ s redemptive mission
