Muqataat Quran Miracles:

Knowing the Certainty I Lym Al-Yaqeen By the Perfect Wisdom of the Holy Revelation of the Holy Quran His Majesty King Yaqeenullah Alamal Yaqeen Muhammad Shuaibi ,SUUH Kingdom, Library Classification Schedule on Islam and Related Subjects Indian Institute of Islamic Studies,S. Mahmood Hasan Qaisar,S. A. H. Abidi,1974 AN AUTOBIOGRAPHY OF A REBEL Kassim Ahmad, An Autobiography of a Rebel is the final biographical writing of Kassim Ahmad completed shortly before his passing in October 2017 Within he tells the story of his transition from a leader of Parti Rakyat Malaysia to a scholar of the Quran and Hadith and a member of UMNO Brought up in rural Kedah Kassim Ahmad became politically aware in the period of Malaya s independence struggle Participating in the University Socialist Club he would go to make his name with a radical analysis of the figures of Hang Tuah and Hang Jebat in the Hikayat Hang Tuah Yet by the 1980s he had become both a staunch critic of socialism and an Islamic thinker who set out to challenge orthodoxy and reinterpret dominant interpretations most notably in his Hadis Satu Penilaian Semula before later championing a political system based upon the Charter of Medina Through a series of short reflective essays An Autobiography of a Rebel tells the story of a man whose intellectual journey from socialism to Islam was rooted in his belief that philosophical inquiry was vital to the production of a better governed and more prosperous country Autobiography of a Rebel forms then not only the final account of Kassim Ahmad s life but also his final intellectual statement *Science & Technology in the Islamic World* ,1984 *E.J.W. Gibb Memorial Series* ,1919 Master The Miracles of the Quran In 10 days Suhaib Sirajudin,2015-12-18 Most of us have heard this statement many times Quran is a miracle of miracles We have heard this many times and we continue to hear this statement often but the question is that what is it in the Quran that really makes the Quran a miracle Well to find out more by mastering the miracles in this book you will master the miracles in the Quran that you may have never heard of When I found these amazing miracles in the Quran after every miracle that I found I asked myself this question How come I was unaware of this miracle Why didn t I know about this miracle Some miracles amazed me where as some shocked me I can assure you once you start reading this book it will not quench your thirst until you finish reading it and you would feel the same way as what I felt when I got to know about these miracles This will only increase in knowing your creator Allah and becoming more obedient to him since this is really the ultimate purpose of our creation *Reflections on the Miracles of the QURAN* Zagloul Kadah,2015-12-03 This book is dedicated to the subject of the miracles contained in the Quran also referred to as signs or portents Each prophet of the three Abrahamic faiths was empowered with signs to facilitate his mission and these are well documented in scriptures With the passage of time many faded away from memory and many people came to doubt their existence but not so with the Quran It remains as pure and eternal as God decreed it to be when it was revealed upon the Prophet Muhammad The author s intention in this book was to select stories from the Quran some randomly that cover a wide range of disciplines such as cosmology physics history embryology and others and present them

within the framework of the prevailing knowledge at the time Discerning readers will hopefully find such presentations not only interesting and easy to follow but also leave no doubt in their minds that the Quran is the Word of God and that it could not have been created by humans The author s ultimate objective is to link the Islamic faith to the other Abrahamic religions in an effort to convey the message that it is God s intent that we establish peace and justice universally and attain compassion among humankind en toto
