

## CHAPTER 15

### **“That Wasn’t Us”**

THERE WAS A GRIM SYMMETRY to the murders of Tupac Shakur and Biggie Smalls, an echo chamber amplifying the cross talk of conspiracy, which had lost none of its persuasive power over the years.

It was hard *not* to draw a direct link: both victims were huge stars, at the height of their appeal, with long and lucrative careers in front of them. Both had been at the forefront of a street-level musical revolution, one that had taken the world by storm, celebrated and condemned in equal measure. Both had been killed by semiautomatic gunfire sprayed from the window of a passing car. And both, ultimately, were seen as martyrs of the gang wars that had engulfed rap music in bloody and pointless turf battles, a conflict that their own talents had helped to foster and fuel.

As with any celebrity gone before their time, the intertwined deaths of Biggie and Tupac had become the subject of rampant speculation,

*Annual Report* Africa Institute of South Africa, 1994 **The Keefe D Confession Story** TJ Clemons, The arrest of Duane Keith Davis has opened up a door from 30 years ago in the past that can no longer remain closed The real question that remains to be answered is who else will get caught up in this storm from the past indiscretions of both Sean Puffy Combs and Marion Suge Knight Only time will tell how this entire situation will play out with it It is truly a testament to the fact that real life is often stranger than fiction And the Keefe D Confession Story definitely lives up to the hype The streets have been telling this story over and over again adding more and more detailed information as it continues to be passed down from generation to generation over the past 30 years The drama continues to unfold right here before our eyes Keefe D is one of the greatest storytellers in this epic journey towards the real life story behind the murders of both Tupac Shakur and Christopher Wallace He has continued to snitch on himself and confess to being directly involved with the Tupac Shakur drive by shooting that ultimately resulted in the rap star's death Keefe D has continuously given detailed accounts of his participation in the plot to murder Tupac Shakur and Suge Knight from the beginning planning stages until they tried to cover up the whole entire crime He even ended up claiming that he passed the murder weapon to Big Dre who he then claims passed it on to his nephew Orlando Anderson the alleged shooter Big Dre is actually rumored to be the actual shooter and was even allegedly bragging about pulling the trigger on Tupac Shakur but Keefe D is so caught up in the clout and infamy of him and his nephew Orlando Anderson as being known as the actual TUPAC KILLERS that Keefe wants that story to be historically accurate no matter how it went down in those Las Vegas streets that fateful September night And he is also on a mission to get Sean Puffy Combs caught up in the drama of the Tupac murder conspiracy for his solicitation in the amount of

1 Million dollars to eliminate his west coast rivals and enemies Suge Knight and Tupac Shakur Puffy allegedly paid Terrance Brown for the hit and Pac and Suge but Zip double crossed Keefe D Orlando Anderson and the rest of the South Side Crips and used the money to finance a record label and a nightclub called The Zip Code located in Harlem New York Duane Keith Davis is obviously out for revenge recognition and notoriety as the TUPAC KILLER And he is also looking to extract a venomous amount of retribution and retaliation on the executive producer of Bad Boy records for slighting him and not fulfilling all of the terms of his murder for hire contract of Tupac Amaru Shakur and Marion Suge Knight respectively

**TUPAC SHAKUR and THE NOTORIOUS B I G MURDERS** Shocking Murders of the Rap Music Scene In his short life Tupac Shakur became a figure of heroism in the world of hip hop Despite rap culture s association with violent and aggressive living Shakur preached that the hardships of the street lifestyle were something that could be changed if feuds and disagreements were solved without violence Shakur s life would come to a tragic end in September 1996 An unknown perpetrator fired at Shakur from a vehicle as he was parked up on a Las Vegas sidewalk He was rushed to hospital but would succumb to his wounds six days later He was only 25 years old While Shakur was the prominent face of the West Coast hip hop scene along with fellow rapper Dr Dre the East Coast scene was fronted by fellow legendary rapper Christopher Wallace aka The Notorious B I G In February 1997 Christopher Wallace was shot at on the streets of California by an unknown perpetrator In a very similar manner to Shakur his killer pulled up alongside Wallace s vehicle and fired four rounds into Wallace s chest Thirty minutes later Wallace was pronounced dead He was 24 years old This is the story of rap s murder problem and the violence and aggression that have plagued the genre for decades With two of its brightest stars cut down in their prime this book uncovers the seams of murder and violence underpinning gang and rap culture **The Killing of Tuapc Shakur-Third Edition** Cathy Scott, 2014-03-01 It s been almost 20 years since poet revolutionary convict and movie star Tupac Amaru Shakur a k a 2Pac Makaveli or simply pac was gunned down at age 25 while he sat in traffic with Suge Knight near the Las Vegas Strip following a Mike Tyson fight at MGM Grand In the new updated and expanded third edition of this acclaimed biography Las Vegas crime writer Cathy Scott has finally been able to include the previously unpublished chapter featuring the account of that last fateful night from Big Frank the rapper s now deceased personal bodyguard The raw no holds barred narrative which includes exclusive photo evidence including of Tupac s autopsy is the definitive account of the unsolved murder of Tupac Shakur the many possible motives the failed investigation the rap wars the killing of Biggie Smalls the Bloods Crips connection the Suge Knight and Death Row Records association and the subsequent fate of numerous principals involved in the aftermath It is also a sensitive candid and insightful account of the contradictory icon who remains not only one of the most influential rappers ever but with more than 75 million records sold worldwide he s also one of the best selling music artists of all time The music of Tupac Shakur is the legacy of his life The Killing of Tupac Shakur is the legacy of his death **They Killed Notorious B.I.G.** Sayeed Benin, 2021-01-25 The Tupac Shakur ambush shooting and robbery at Quad Recording Studios in New York City on November 30 1994 set off a course of events that is directly associated with the murder of Christopher Notorious B I G Wallace No matter who pulled the trigger the murder of Christopher Notorious B I G Wallace was negatively associated with both the November 30 1994 ambush styled shooting and the September 7 1996 fatal drive by shooting of Tupac Shakur New York City s main characteristics are its physical size population density and pace

There are other locations in the United States that rival New York's physical landscape but none come close to its vibrance and intensity. New York City had been known as a music town for a long time while Los Angeles was mainly associated with the television and film industry. At one time it seemed like every square block of Manhattan housed a recording studio. The city was always wide awake and active 24 hours per day. That work ethic reflected the impact that the music industry had on the town. Right before he was murdered, Notorious B.I.G. was arguably on his way to becoming the most successful Hip Hop artist in Rap music. Hip Hop purists respected B.I.G.'s lyricism. Music industry executives respected Biggie's ability to consistently deliver chart-topping hit records. After the murder of Tupac Shakur, Los Angeles, California should have represented a premonition of death and destruction for Sean Puffy Combs and Christopher Wallace. Sean Puffy Combs did not recognize the danger they faced. Combs moved throughout Los Angeles like a child who is stumbling down the street because they had not grown into their oversized shoes. 1990s New York City had changed in ways that some people did not see. Those changes started in the late 1960s and eventually turned the city into something different. Other events contributed to the way New York had changed. Those changes allowed the Quad Recording Studios shooting of Tupac Shakur to happen and possibly triggered the murder of Christopher Wallace. Compton Street Legend DUANE. DAVIS, 2019-03-15. More than twenty years after the killings of global Hip Hop icons Tupac Shakur and Notorious B.I.G., Keffe D's gritty memoir is an authentic street-level narrative from a street player who was inextricably involved. Duane Keffe D Davis' memoir underscores the universal corruption of crime and punishment in the United States in an environment where plea deals, grand jury indictments, and cooperation with the FBI have become commonplace. Compton Street Legend is the story of the explosive consequences when the powerful worlds of the streets, entertainment, and corrupt law enforcement collide. *Notorious C.O.P.* Derrick Parker, 2006. Traces the story of the NYPD officer who solved the murders of Tupac Shakur and other famous hip-hop artists, describing the establishment of a hip-hop crime special force and the relationship between hip-hop culture, gangs, and drugs. Once Upon a Time in Compton: From Gangsta Rap to Gang Wars...the Murders of Tupac & Biggie....This Is the Story of Two Men at the Center of It All Tim Brennan, Robert Ladd, Lolita Files, 2017-04-21. From Gangsta rap to gang wars and everything in between. Former Compton police officers Tim Brennan and Robert Ladd have seen it all. And now they're telling all. For twenty years, gang unit detectives Tim Brennan and Robert Ladd patrolled the streets of Compton. They witnessed the birth and rise of gangsta rap with acts they knew personally, such as N.W.A. and DJ Quik. Dealt firsthand with the chaos of the L.A. riots, its aftermath, and the gang truce that followed, they were involved in the investigations of the murders of hip-hop stars Tupac Shakur and The Notorious B.I.G. and were major players in an all-out tug-of-war with City Hall that ultimately resulted in the permanent shut-down of the Compton Police Department. Through it all, they developed an intricate knowledge of gangs and the streets and a methodology that has been implemented by local law enforcement agencies across the country. Their compassionate and fair approach to community policing earned them the

respect of citizens and gangbangers alike This story told with bestselling author Lolita Files whose research with Brennan and Ladd has spanned over four years is a firsthand glimpse into a world during an era many have heard about in song and legend but have rarely had the opportunity to witness at ground level from the inside out through the eyes of two men who witnessed and experienced it all
