## **Murder In Scorpio An Elizabeth Chase Mystery:**

**Murder in Scorpio** Martha C. Lawrence, Licensed Private Investigator Elizabeth Chase is used to skeptical glares and sarcastic comments when she's working on a case. Her unorthodox methods tend to surprise people. Dr. Chase is also a double Ph.D. parapsychologist who uses her understanding of the paranormal in her investigations. Certainly some of her techniques do stand out a bit from those of the average P.I. such as her ability to see auras around witnesses or pluck important clues from her own dreams. So naturally Escondido Police Department Sergeant Tom McGowan has some internal doubts about consulting Elizabeth on a case involving the so-called accidental death of his old high school friend Janice Freeman. As her investigations cast an increasingly suspicious light on Janice's death, Tom quickly gains more than a little respect and affection for Elizabeth. But the closer she gets to the truth, the less either Tom's protection or the intervention of the stars and planets may be able to keep Elizabeth out of harm's way. In this delightful series debut Martha Lawrence captures the sunny offbeat appeal as well as the danger of Southern California and introduces an original detective who promises to enchant readers for many cases to come. One of the most engaging mysteries I've ever read. There's no tougher critic than a Virgo and this Virgo says *Murder in Scorpio* is flawless. Nancy Pickard, author of *Confession* **Mystery Women, Volume Three (Revised)** Colleen Barnett, 2010-12-31

Like other fictional characters, female sleuths may live in the past or the future. They may represent current times with some level of reality or shape their settings to suit an agenda. There are audiences for both realism and escapism in the mystery novel. It is interesting, however, to compare the fictional world of the mystery sleuth with the world in which readers live. Of course, mystery readers do not share one simplistic world. They live in urban, suburban, and rural areas as do the female heroines in the books they read. They may choose a book because it has a familiar background or because it takes them to places they long to visit. Readers may be rich or poor, young or old, conservative or liberal. So are the heroines. What incredible choices there are today in mystery series. This three-volume encyclopedia of women characters in the mystery novel is like a gigantic menu. Like a menu, the descriptions of the items that are provided are subjective. Volume 3 of *Mystery Women*, as currently updated, adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3. These are more recently discovered sleuths who were introduced during the period from January 1, 1990, to December 31, 1999. This more than doubles the number of sleuths introduced in the 1980s, 298 of whom were covered in Volume 2, and easily exceeded the 347 series and some outstanding individuals described in Volume 1, which covered a 130-year period from 1860-1979. It also includes updates on those individuals covered in the first edition, changes in status, short reviews of books published since the first edition through December 31, 2008. *The Mystery Readers' Advisory* John Charles, Joanna Morrison, Candace Clark, 2002. Three librarians from Scottsdale, Arizona, provide library staff with an introduction to the mystery genre and offer tips and techniques for providing advice to mystery readers in the library. They include some of their own bibliographies but refer readers elsewhere for fuller ones. They also include a brief history of the genre to pass on to

readers new to it      **Aquarius Descending** Martha C. Lawrence, Torn McGowan Elizabeth's cop boyfriend asks her to take on a case that seems to be more in her line of work than in his. The father of Tom's ex-fiancee has come to him in desperation. He fears a mysterious package he's just received means that his daughter who has disappeared into The Bliss Project must be dead or in terrible trouble. Although Elizabeth is not too keen on the idea of accepting a case so close to home she didn't even know Tom had an ex-fiancee and The Bliss Project's efforts at mind control threaten to wreak havoc on her finely attuned senses she agrees to investigate. But infiltrating a cult is no easy matter especially one that seems to have as many secrets as this one and soon Elizabeth finds herself in a life and death battle that will lead to a shocking conclusion. Just when you think you've seen everything something new comes and astounds you. *The Dallas Morning News*      [Ashes of Aries](#)

Martha C. Lawrence, I closed my eyes intent on quieting my thoughts the necessary first step in opening up psychically. I relaxed my shoulders and took a deep breath through my nostrils. I smelted smoke. Sharp and pungent it hit the back of my throat tickling the membrane. I coughed and opened my eyes. The nervousness I'd been feeling all morning turned to fear. Something's burning. I warned. When Matthew Fielding the four-year-old son of a San Diego telecommunications mogul turns up missing the psychic skills of P.I. Elizabeth Chase are requested. The stakes are raised soon after Elizabeth begins her investigation when a wildfire breaks out in Rancho Santa Fe the secluded community where Matthew and his family and Elizabeth's own parents live. Aided and abetted by the Santa Ana winds flames rage out of control consuming thousands of acres and dozens of homes. Before the ashes can be cleared away another fire blazes through everything in its path. Are the kidnapper and arsonist one and the same? Will Elizabeth be able to find the clues she needs in the dying embers around her? It's a race against time as man and nature combine to wreak destruction on Elizabeth's community and keep a little boy lost forever. In the fifth installment of a series Sue Grafton referred to as a natural and a supernatural as well Martha C. Lawrence once again combines the quirky and the familiar as her smart resilient and endearing heroine uses her psychic ability and incomparable detecting skills to hunt down a killer.      *Detecting Women 2* Willetta L. Heising, 1996. Lists over 3,400 mystery titles written by women in correct series order as well as more than 600 series detectives created by women and more. Titles are indexed by mystery type and series setting.      [Pisces Rising](#)

Martha C. Lawrence, Just when you think you've seen everything something new comes and astounds you. *The Dallas Morning News*. I moved through the casino in a daze my senses overloaded by lights noise and the discordant vibes of the gamblers. Their emotions numbness excitement anxiety ecstasy love loathing clashed all around me. I stopped at a game and that's when it all started. I began to know things. It's an unpredictable gift an ability I can't force to come about. Nor can I stop it once it's begun. I knew that the short-haired brunette at the end of the table would lose. In spite of her pretty white smile and positive attitude I could see her defeat. As for me it was as if I'd already played my hands and seen their outcome. Tonight I was destined to win. After seeing her fiancé gunned down at the end of her last investigation psychic detective Elizabeth Chase is reluctant to go back to detective work. But

when an old friend calls in a favor Elizabeth finds her unique talents pitted against her most brutal and baffling case yet the pursuit of a vicious murderer wanted in connection with the scalping of a Native American casino owner Elizabeth soon learns that the tranquil setting of the Temecu reservation belies a dangerous undercurrent of political scheming racism and pure human greed As she struggles to figure out who can be trusted Elizabeth must call upon all of her resources not only to solve the crime but to restore her own spirit The first three Elizabeth Chase mysteries have been widely acclaimed by readers critics and other writers alike With a refreshingly eccentric style Martha C Lawrence makes psychic investigator Elizabeth Chase immensely appealing and totally believable says Diane Mott Davidson Or as Harlan Coben puts it You don't have to read the stars to see that Martha Lawrence is up there with the likes of Sue Grafton Sara Paretsky and Marcia Muller
