Doc Cheatham and George Duvivier and more back you up in this amazing collection of New York style Dixieland standards
After the break up of the big band era around 1950 many of the finest swing or mainstream players found themselves without
an outlet for their abilities and took to playing Dixieland in New York clubs such as Eddie Condon s and the Metropole And so
was born a new style of Dixieland jazz minus the banjos tubas steamboats and magnolias It is this version we celebrate on
this album We encourage you the soloist to invent counter melodies rather than mere harmony parts This is a music of loose
weaving parts not one of precision ensemble figures And in short it is one of the greatest improvisational experiences any
