

STEPHEN GUNDOLE

MUSSOLINI'S DREAM FACTORY

Film Stardom in Fascist Italy

It is high time that a complete revision of our thinking on Italian cinema under Fascism takes place, and this book represents a giant step in that direction. *—* *Richard Dyer*

Mussolini's Dream Factory Stardom Fascist:

Mussolini's Dream Factory Stephen Gundle, 2014-05-14 This book offers the first extended analysis of film stardom in Fascist Italy focusing on the period from the start of sound cinema to the final end of Fascism in 1945 The author examines the development of an Italian star system evaluates its place in film production and distribution and explores its relationships with the political sphere and with broader commercial culture The popular press along with other evidence is used to assess the extent of public engagement with film stars Several major stars including Isa Miranda Vittorio De Sica Amedeo Nazzari and Alida Valli are closely analysed in terms of their screen performances and professional trajectories including their fates in the aftermath of the Fascist regime The book makes an original contribution to the understanding of Italian Fascism and the cinema of the period by tackling a field hitherto neglected despite it being deemed important enough by the regime to warrant sustained attention and interference A final chapter explores the place of the stars in popular memory and representations of the Fascist film world in postwar cinema Stephen Gundle is Professor of Film and Television Studies at the University of Warwick His books include *Between Hollywood and Moscow the Italian Communists and the Challenge of Mass Culture* 1943 91 2000 *Bellissima Feminine Beauty and the Idea of Italy* 2007 *Mass Culture and Italian Society from Fascism to the Cold War* 2008 with David Forgacs *Glamour A History* 2008 and *Death and the Dolce Vita The Dark Side of Rome in the 1950s* 2011 He is co editor with Christopher Duggan and Giuliana Pieri of *The Cult of the Duce Mussolini and the Italians* 2013

Mussolini's Dream Factory Stephen Gundle, 2013-12-01 The intersection between film stardom and politics is an understudied phenomenon of Fascist Italy despite the fact that the Mussolini regime deemed stardom important enough to warrant sustained attention and interference Focused on the period from the start of sound cinema to the final end of Fascism in 1945 this book examines the development of an Italian star system and evaluates its place in film production and distribution The performances and careers of several major stars including Isa Miranda Vittorio De Sica Amedeo Nazzari and Alida Valli are closely analyzed in terms of their relationships to the political sphere and broader commercial culture with consideration of their fates in the aftermath of Fascism A final chapter explores the place of the stars in popular memory and representations of the Fascist film world in postwar cinema

The Perfect Fascist Victoria De Grazia, 2020-08-11 A New Statesman Book of the Year Winner of the Helen and Howard R Marraro Prize Winner of the Aldo and Jeanne Scaglione Prize for Italian Studies Extraordinary I could not put it down Margaret MacMillan Reveals how ideology corrupts the truth how untrammelled ambition destroys the soul and how the vanity of white male supremacy distorts emotion making even love a matter of state Sonia Purnell author of *A Woman of No Importance* When Attilio Teruzzi a decorated military officer and early convert to the Fascist cause married a rising American opera star his good fortune seemed settled The wedding was blessed by Mussolini himself Yet only three years later Teruzzi now commander of the Black Shirts renounced his wife Lilliana was Jewish and fascist Italy would soon introduce its first race laws The Perfect Fascist pivots from the intimate story of a

tempestuous courtship and inconvenient marriage to the operatic spectacle of Mussolini's rise and fall. It invites us to see in the vain unscrupulous fanatically loyal Attilio Teruzzi an exemplar of fascism's New Man. Victoria De Grazia's landmark history shows how the personal was always political in the fascist quest for manhood and power. In his self-serving pieties and intimate betrayals, his violence and opportunism, Teruzzi is a forefather of the illiberal politicians of today. The brilliance of De Grazia's book lies in the way that she has made a page-turner of Teruzzi's chaotic life while providing a scholarly and engrossing portrait of the two decades of Fascist rule. Caroline Moorhead, *Wall Street Journal*. Original and important. A probing analysis of the fascist strong man. De Grazia's attention to Teruzzi's private life, his behavior as suitor and husband, deepens and enriches our understanding of the nature of leadership in Mussolini's regime and of masculinity, virility and honor in Italian fascist culture. Robert O. Paxton, author of *The Anatomy of Fascism*. This is a perfect book. Its two entwined narratives, one political and public, the other personal and private, help us understand why the personal is political for those who insist on reshaping people and society. Azar Nafisi, author of *Reading Lolita in Tehran*. **Galeazzo Ciano** Tobias Hof, 2021-05-12. Through the prism of the rise and fall of Galeazzo Ciano, 1903-1944, this biography is a comprehensive study of a leading member of the fascist regime, other than Benito Mussolini. **Fame Amid the Ruins** Stephen Gundle, 2019-11-04. Italian cinema gave rise to a number of the best-known films of the postwar years, from *Rome, Open City* to *Bicycle Thieves*. Although some neorealist film-makers would have preferred to abolish stars altogether, the public adored them, and producers needed their help in relaunching the national film industry. This book explores the many conflicts that arose in Italy between 1945 and 1953 over stars and stardom, offering intimate studies of the careers of both well-known and less familiar figures, shedding new light on the close relationship forged between cinema and society during a time of political transition and shifting national identities. [A History of Italian Cinema](#) Peter Bondanella, Federico Pacchioni, 2017-10-19. A History of Italian Cinema, 2nd edition, is the much-anticipated update from the author of the bestselling *Italian Cinema*, which has been published in four landmark editions and will celebrate its 35th anniversary in 2018. Building upon decades of research, Peter Bondanella and Federico Pacchioni reorganize the current History in order to keep the book fresh and responsive, not only to the actual films being created in Italy in the twenty-first century but also to the rapidly changing priorities of Italian film studies and film scholars. The new edition brings the definitive history of the subject from the birth of cinema to the present day, up-to-date with a revised filmography as well as more focused attention on the melodrama, the crime film, and the historical drama. The book is expanded to include a new generation of directors as well as to highlight themes such as gender issues, immigration, and media politics. Accessible, comprehensive, and heavily illustrated throughout, this is an essential purchase for any fan of Italian film. *Fashion under Fascism* Eugenia Paulicelli, 2025-01-09. Looking at the dark history of Italian fashion by focusing on the impact of 1930s Fascism, this is the second edition of Eugenia Paulicelli's classic text. In *Fashion under Fascism*, Paulicelli explores the subtle yet sinister changes to the seemingly innocuous

practices of everyday dress and shows why they were such a concern for the state. Importantly, she also demonstrates how these developments impacted on the global dominance of Italian fashion today. Alongside interviews with major designers such as Fernanda Gattinoni and Micol Fontana, this newly expanded revised edition includes updated material on gender and masculinity, the role of uniforms in standardizing individuality, race and colonial Italy, and the reception of 1930s cinema. It sheds new light on the complicated relationship between style and politics and is an essential read for all those interested in the history of fashion, politics, national identity, and the culture of fascism. *America in Italian Culture* Guido

Bonsaver, 2024-02-10 When Italy unified in 1861, America was emerging as a world power, and advances in communication allowed Italians a view of American life to which they could aspire. *America in Italian Culture* traces this huge cultural shift, looking at how US fiction, comics, music, and film came to dominate Italian culture, even as the countries went to war. *A*

Companion to Italian Cinema Frank Burke, 2017-04-13 Written by leading figures in the field, *A Companion to Italian Cinema* re-maps Italian cinema studies, employing new perspectives on traditional issues and fresh theoretical approaches to the exciting history and field of Italian cinema. Offers new approaches to Italian cinema whose importance in the post-war period was unrivalled. Presents a theory-based approach to historical and archival material. Includes work by both established and more recent scholars with new takes on traditional critical issues and new theoretical approaches to the exciting history and field of Italian cinema. Covers recent issues such as feminism, stardom, queer cinema, immigration, and postcolonialism, self-reflexivity, and postmodernism, popular genre cinema, and digitalization. A comprehensive collection of essays addressing the prominent films, directors, and cinematic forms of Italian cinema, which will become a standard resource for academic and non-academic purposes alike. *Print Matters* Maria Antonella Pelizzari, Andrés Mario Zervigón, 2025-11-11

This volume presents a nuanced exploration of how illustrated magazines shaped global visual culture between 1910 and 1970. In the early to mid-twentieth century, the vast majority of printed photographs appeared in the pages of illustrated magazines. Publications such as *Life*, *China Pictorial*, *Drum*, *Picture Post*, and *Ebony* did more than showcase photographs; they crafted visual narratives by combining images, text, and graphics into influential cultural artifacts. These periodicals shaped public perception and mass media consensus like the Internet does today, bringing a shared visual experience to homes and newsstands around the world. The essays in this volume delve into the technologies and visual strategies behind these publications, showing how their layouts were affected by political, commercial, editorial, and artistic factors leading up to World War II. The commentaries also explore how democracy, dictatorships, colonization, and modernity at large gave rise to experimental magazine designs, turning avant-garde art and lifestyle reporting into popular formats. Featuring over 150 images, *Print Matters* traces how illustrated magazines evolved across countries and continents, offering new insights into their history and enduring impact on culture and society. *Women and Migration in Contemporary Italian Cinema* Giovanna Faleschini Lerner, 2022-10-15

Women and Migration in Contemporary Italian Cinema Screening Hospitality puts gender at the centre of cinematic representations of

contemporary transnational Italian identities It offers an intersectional feminist analysis of the ways in which transnational migration has been represented understood and constructed in the contemporary cinema of Italy Drawing on Jacques Derrida's notion of hospitality and in dialogue with postcolonial and decolonial theory queer studies and feminist critiques the six chapters of the book focus on a series of exemplary fiction films from the last twenty years which both reflect and shape the nation's responses to the growing presence of transnational migrants in Italian society The book shows how questions of gender sexual difference and reproductivity have been central to Italian filmmakers approaches to stories of mobility and displacement Gender is also enmeshed in the rhetoric and poetic of hospitality that filmmakers propose as a critical framework to condemn Italian border policies and politics

Women and Migration in Contemporary Italian Cinema Screening Hospitality traces an arc that moves from the embrace of a humanitarian rhetoric of infinite hospitality toward migrants apparent in films produced in the early 2000s to a more fluid understanding of Italian identities from a transnational perspective

Italian Cinema from the Silent Screen to the Digital Image Joseph Luzzi, 2020-02-20 In this comprehensive guide some of the world's leading scholars consider the issues films and filmmakers that have given Italian cinema its enduring appeal Readers will explore the work of such directors as Federico Fellini Michelangelo Antonioni and Roberto Rossellini as well as a host of subjects including the Italian silent screen the political influence of Fascism on the movies lesser known genres such as the giallo horror film and Spaghetti Western and the role of women in the Italian film industry

Italian Cinema from the Silent Screen to the Digital Image explores recent developments in cinema studies such as digital performance the role of media and the Internet neuroscience in film criticism and the increased role that immigrants are playing in the nation's cinema

Italian Fascism's Empire Cinema Ruth Ben-Ghiat, 2015-02-11 Ruth Ben-Ghiat provides the first in-depth study of feature and documentary films produced under the auspices of Mussolini's government that took as their subjects or settings Italy's African and Balkan colonies These empire films were Italy's entry into an international market for the exotic The films engaged its most experienced and cosmopolitan directors Augusto Genina Mario Camerini as well as new filmmakers Roberto Rossellini who would make their marks in the postwar years Ben-Ghiat sees these films as part of the aesthetic development that would lead to neo-realism Shot in Libya Somalia and Ethiopia these movies reinforced Fascist racial and labor policies and were largely forgotten after the war Ben-Ghiat restores them to Italian and international film history in this gripping account of empire war and the cinema of dictatorship

Muscles in the Movies John D. Fair, David L. Chapman, 2020-11-16 John Fair and David Chapman tell the story of how filmmakers use and manipulate the appearance and performances of muscular men and women to enhance the appeal of their productions The authors show how this practice deeply rooted in western epistemological traditions evolved from the art of photography through magic lantern and stage shows into the motion picture industry arguing that the sight of muscles in action induced a higher degree of viewer entertainment From Eugen Sandow to Dwayne The Rock Johnson muscular actors appear capable of performing

the miraculous and with the aid of stuntmen and filming contrivances they do By such means muscles are used to perfect the art of illusion inherent in movie making from its earliest days Historical Dictionary of Italian Cinema Gino

Moliterno,2020-12-08 Italian cinema is now regarded as one of the great cinemas of the world Historically however its fortunes have varied Following a brief moment of glory in the early silent era Italian cinema appeared to descend almost into irrelevance in the early 1920s A strong revival of the industry which gathered pace during the 1930s was abruptly truncated by the advent of World War II The end of the war however initiated a renewal as films such as *Roma città aperta* Rome Open City *Sciusci Shoeshine* 1946 and *Ladri di biciclette* Bicycle Thieves 1948 flagbearers of what soon came to be known as Neorealism attracted unprecedented international acclaim and a reputation that only continued to grow in the following years as Italian films were feted worldwide Ironically they were celebrated nowhere more than in the United States where Italian films consistently garnered the lion's share of the Oscars with Lina Wertmüller becoming the first woman to ever be nominated for the Best Director award This second edition of *Historical Dictionary of Italian Cinema* contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on major movements directors actors actresses film genres producers industry organizations and key films This book is an excellent resource for students researchers and anyone wanting to know more about Italian Cinema Mussolini in Myth and Memory Paul Corner,2022-08-25

Mussolini in Myth and Memory Paul Corner looks at the brutal reality of the Italian dictator's fascist regime and confronts the nostalgia for dictatorial rule evident today in many European countries Mussolini has rarely been taken seriously as a totalitarian dictator Hitler and Stalin have always cast too long a shadow But what was a negative judgement on the Duce considered innocuous and ineffective has begun to work to his advantage As has occurred with many other European dictators present day popular memory of Mussolini is increasingly indulgent in Italy and elsewhere he is remembered as a strong decisive leader and people now speak of the many good things done by the regime After all it is said Mussolini was not like the others *Mussolini in Myth and Memory* argues against this rehabilitation documenting the inefficiencies corruption and violence of a highly repressive regime and exploding the myths of Fascist good government But this short study does not limit itself to setting the record straight it seeks also to answer the question of why there is nostalgia not only in Italy for dictatorial rule Linking past history and present memory Corner's analysis constructs a picture of the realities of the Italian regime and examines the more general problem of why in a moment of evident crisis of western democracy people look for strong leadership and take refuge in the memory of past dictatorships If in this book Fascism is placed in its totalitarian context and Mussolini emerges firmly in the company of his fellow dictators the study also shows how a memory of the past formed through reliance on illusion and myth can affect the politics of the present

Routledge Handbook of Celebrity Studies Anthony Elliott,2018-03-05 Ours is the age of celebrity An inescapable aspect of daily life in our media saturated societies of the twenty first century celebrity is celebrated for its infinite plasticity and

glossy seductions But there is also a darker side Celebrity culture is littered from end to end with addictions pathologies neuroses even suicides Why as a society are we held in thrall to celebrity What is the power of celebrity in a world of increasing consumerism individualism and globalization Routledge Handbook of Celebrity Studies edited by acclaimed social theorist Anthony Elliott offers a remarkably clear overview of the analysis of celebrity in the social sciences and humanities and in so doing seeks to develop a new agenda for celebrity studies The key theories of celebrity ranging from classical sociological accounts to critical theory and from media studies to postmodern approaches are drawn together and critically appraised There are substantive chapters looking at fame renown and celebrity in terms of the media industries pop music the makeover industries soap stars fans and fandom as well as the rise of non Western forms of celebrity The Handbook also explores in detail the institutional aspects of celebrity and especially new forms of mediated action and interaction From Web 3.0 to social media the culture of celebrity is fast redefining the public political sphere Throughout this volume there is a strong emphasis on interdisciplinarity with chapters covering sociology cultural studies psychology politics and history Written in a clear and direct style this handbook will appeal to a wide undergraduate audience The extensive references and sources will direct students to areas of further study The Routledge Companion to European Cinema Gábor

Gergely, Susan Hayward, 2021-12-29 Presenting new and diverse scholarship this wide ranging collection of 43 original chapters asks what European cinema tells us about Europe The book engages with European cinema that attends to questions of European colonial racialized and gendered power seeks to decentre Europe itself not merely its putative centres and interrogate Europe's various conceptualizations from a variety of viewpoints It explores the broad complex and heterogeneous communities produced in and by European films taking in Kurdish Hollywood and Singapore cinema as comfortably as the cinema of Poland Spanish colonial films or the European gangster genre Chapters cover numerous topics including individual films film movements filmmakers stars scholarship representations and identities audiences production practices genres and more all analysed in their contexts so as to construct an image of Europe as it emerges from Europe's film corpus The Companion opens the study of European cinema to a broad readership and is ideal for students and scholars in film European studies queer studies and cultural studies as well as historians with an interest in audio visual culture nationalism and transnationalism and those working in language based area studies

Motorsport and Fascism Paul Baxa, 2022-04-28 This book is the first English language study of motorsport and Italian Fascism arguing that a synergy existed between motor racing and Fascism that did not exist with other sports Motorsport was able to bring together the two dominant and often opposed cultural roots of Fascism the Futurism of F. T. Marinetti and the Decadence associated with Gabriele D'Annunzio The book traces this cultural convergence through a topical study of motorsport in the 1920s and 1930s placing it in the context of the history of sport under Mussolini's regime Chapters discuss the centrality of speed and death in Fascist culture the attempt to transform Rome into a motorsport capital the architectural and ideological function of the

Monza and Tripoli and autodromes and two chapters on the importance of the Mille Miglia a genuine Fascist artefact that became one of the most legendary motor races of all time **Italian Contemporary Screen Performers** Luca Barra,Cristina Formenti,Mariapaola Pierini,Francesco Pitassio,2024-11-29 Bringing together performance studies celebrity studies and media production studies this open access book offers a comprehensive understanding of the multi layered condition of film and television performers within the contemporary Italian screen media landscape By focusing on a selection of stars who reached success from 2000 onwards the collection highlights how the renewal of the Italian media industry in the late 1990s impacted different aspects of Italian screen performers professional lives from training to promotion and validation strategies

Mussolinis Dream Factory Stardom Fascist Introduction

Mussolinis Dream Factory Stardom Fascist Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Mussolinis Dream Factory Stardom Fascist Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Mussolinis Dream Factory Stardom Fascist : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Mussolinis Dream Factory Stardom Fascist : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Mussolinis Dream Factory Stardom Fascist Offers a diverse range of free eBooks across various genres. Mussolinis Dream Factory Stardom Fascist Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Mussolinis Dream Factory Stardom Fascist Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Mussolinis Dream Factory Stardom Fascist, especially related to Mussolinis Dream Factory Stardom Fascist, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Mussolinis Dream Factory Stardom Fascist, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Mussolinis Dream Factory Stardom Fascist books or magazines might include. Look for these in online stores or libraries. Remember that while Mussolinis Dream Factory Stardom Fascist, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Mussolinis Dream Factory Stardom Fascist eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites.

While this might not be the Mussolinis Dream Factory Stardom Fascist full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Mussolinis Dream Factory Stardom Fascist eBooks, including some popular titles.

FAQs About Mussolinis Dream Factory Stardom Fascist Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Mussolinis Dream Factory Stardom Fascist is one of the best book in our library for free trial. We provide copy of Mussolinis Dream Factory Stardom Fascist in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Mussolinis Dream Factory Stardom Fascist. Where to download Mussolinis Dream Factory Stardom Fascist online for free? Are you looking for Mussolinis Dream Factory Stardom Fascist PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Mussolinis Dream Factory Stardom Fascist. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Mussolinis Dream Factory Stardom Fascist are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Mussolinis Dream Factory Stardom Fascist. So depending on what exactly you are searching, you will be able to

choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Mussolinis Dream Factory Stardom Fascist To get started finding Mussolinis Dream Factory Stardom Fascist, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Mussolinis Dream Factory Stardom Fascist So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Mussolinis Dream Factory Stardom Fascist. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Mussolinis Dream Factory Stardom Fascist, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Mussolinis Dream Factory Stardom Fascist is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Mussolinis Dream Factory Stardom Fascist is universally compatible with any devices to read.
