Pas de deux E. J. Noyes,2021-05-01 Caitlyn Lloyd has the world at her feet Or more accurately under her horse s hooves With the 2016 Rio Olympics just around the corner nothing is going to derail her long held dream of winning a medal or two in Olympic dressage Not even the reappearance of a childhood so not a friend throwing her perfectly balanced life into disarray Addie Gardner s career is at its peak and accepting a last minute fill in position as the veterinarian for the US Olympic Dressage Team was a no brainer The fact that her old crush from Pony Club is on the team is just a bonus Not a

distraction at all And it might just offer the chance to be friends with the girl who wouldn't even give her the time of day twenty years ago But Caitlyn and Addie have very different memories of their time together at Pony Club and their first meeting as adults is less like a reconnection and more like a butting of heads With the Olympics looming they'll need to set aside their history and learn to work together And maybe Caitlyn and Addie will realize childhood memories aren't always accurate and that they have more in common than they would ever have thought Maybe Just maybe The Poland China Journal, 1916 *The Lyceum Banner*, 1867 **Catalog of Copyright Entries.
