My Cat Wants Me Dead:

Does God Want Me Dead? D. Scott Bowling, 2015-11-30 This book is a result of the spiritual lessons I have learned upon being diagnosed with a slow progressive and terminal illness Once I was told I had a life expectancy of less than five years biblical truths that seemed to be hidden to me prior to my diagnosis now seemed to pour off of every page I was an avid Bible student and teacher prior to my diagnosis but following my dire prognosis I began to have a greater appreciation for the pain suffering and death of so many of the men and women that share their stories within the cover of our Holy Bible The title of this book Does God Want Me Dead came first The title is not intended to be sacrilegious but other phrases seem to come woefully short of the question pressing upon my heart Slowly over three years each additional chapter would germinate in my mind and heart and develop over varying time periods My goal is always to handle Gods Word accurately and honestly I know I will stand before God in a relatively short period of time to answer for each word I have uttered and written My objective is to disseminate the truths that I have learned first to my family and friends that will be most affected by my departure and then to all the saints of God willing to invest a few hours of their time for their edification and sanctification May Gods glory be high and lifted up in all things

Run with the Devil or Walk with God Manjuan De La Pas, 2014-11-14 This autobiography is about a characters transition from a curious child to an evil adolescent into a highly self secure spiritual man As a child he loves and is very close to his grandmother whom although poor shes always happy very spiritual and the only real example of anyone being close to God He loves to sit down with her and listen curiously as she describes the beauty of heaven as well as reads and explains the at times grim prophecies of the bible Still too young to understand he would remain a confused and bitter unbeliever due to all the pain and suffering that surrounded him on a daily basis Hes a child growing up in a very tough racially divided community who never looks for trouble but trouble always finds him At first he could care less and isnt impressed by the hoods in the fast life But on the surface compared to his mother and any hard working individual it was the hoods that had it all So by the time hed become an adolescent hes tired of being poor any good he had left in him has faded and he vows to do whatever it takes to get ahead even if he has to kill In the process he prays to the devil makes an abundance of money gains power and attains an unbelievable amount of notoriety Hed become almost uncontrollable to the point where hes very aware but doesnt care that he only has two stops left life in prison or eternal death in hell Until one fateful day when hes made to think about his only son after a crime hed committed that could have hurt or even killed an enemies innocent kids and thus began his road to repentance
