Asymmetry, Multinationalism and Constitutional Law Maja Sahadžić, 2020-09-02 This book examines the link between constitutional asymmetry and multinationalism and the effects asymmetry produces on legitimacy and stability in federal and quasi federal systems This is done through a structured and exhaustive comparative analysis covering states in Africa America Asia and Europe Contrary to traditional federal theory contemporary scholars have linked constitutional asymmetry with multinational federal systems by presenting asymmetry as a mechanism for diversity management This book offers insights on whether and how constitutional asymmetry is linked with multinationalism and looks into the socio economic cultural ideological historical and separatist factors that support the emergence of asymmetries The work also provides a legal analysis of whether constitutional asymmetry is a condition or a threat to legitimacy and stability in federal systems The book will be essential reading for academics researchers and policy makers in law and political science interested in the fields of constitutional law federal theory multinationalism and minorities

Multinational Federalism in Bosnia and Herzegovina Soeren Keil, 2016-04-15 In 1995 none of the political parties representing the peoples of Bosnia preferred a federal option Yet Bosnia became a federal state highly decentralised and with a complex institutional architecture This solution was imposed on them by international actors as a result of peace negotiations following the Yugoslav wars Political parties in post war Bosnia were not willing to identify with or accept the federation The international community intervened taking over key decisions and so Bosnia and Herzegovina became the first state to experience a new model of federalism namely imposed federalism and a new model of a federal state that of the internationally administered federation By combining comparative politics conflict analysis and international relations theory Soeren Keil offers a unique analysis of federalism in post Dayton Bosnia and Herzegovina By exploring this model of imposed federalism not only does this study greatly contribute to the literature on developments in Bosnia and Herzegovina it also re evaluates comparative federalism in theory and practice This study also offers important conclusions for similar cases both in the Western Balkans region and the wider world where international involvement and federalism as a method of conflict resolution in diverse societies becomes ever more prevalent and important

Fiscal Federalism in Multinational States François Boucher, Alain Noël, 2021-07-21 Substate nationalism is often studied as a question of political identity and cultural recognition The same applies to the study of multinational federalism it is mainly conceived as a tool for the accommodation of minority cultures and identities Few works in political philosophy and political science pay attention to the fiscal and redistributive dimensions of substate nationalism and multinational federalism Yet nationalist movements in Western countries make crucial claims about fiscal autonomy and the fair distribution of resources between national groups within the same state In recent years Scottish nationalists have demanded greater tax autonomy Catalan and Flemish nationalists have

viewed themselves as unfairly disadvantaged by centralized fiscal arrangements and equalization payments and social transfers in Canada have exacerbated tensions within the federation In *Fiscal Federalism in Multinational States* contributors from political philosophy and political science disciplines explore the fiscal side of substate nationalism in Canada Belgium the United Kingdom Spain and Australia Chapters examine the connection between secessionist claims and interregional redistributive arrangements power relations in federations where taxing and spending responsibilities are shared between orders of government the relationship between substate nationalism and fiscal autonomy and the role of federal governments in redistributing resources among substate national groups *Fiscal Federalism in Multinational States* brings together scholars of nationalism and federalism in a groundbreaking analysis of the connections between nationalist claims and fiscal debates within plurinational states

Dynamic Federalism Patricia Popelier, 2021-03-09 This book offers a new theory of federalism The work critically discusses traditional federal theories and builds on theories that focus on the dynamics of federalism It offers a definition of federalism and federal organizations that encompasses both new and old types of multi tiered system Unlike traditional federal theory it is well suited to research both multinational and mononational systems It also takes into account the complexity of these systems with bodies of governance at the local regional national and supranational level The book is divided into three parts the first part outlines the contours of dynamic federalism based on a critical overview of traditional federal theory the second part develops comprehensive indexes to measure autonomy and cohesion of multi tiered systems and the third part focuses on the dynamics of federal organizations with a special focus on institutional hubs for change *Dynamic Federalism* will be an essential resource for legal social economic and political scholars interested in federalism regionalism and de centralization

The Making and Ending of Federalism , 2024-07-29 This compilation *The Making and Ending of Federalism* includes the main topics addressed by recognized experts on federalism at the Conference of the International Association of Federal Studies IACFS held in Innsbruck Austria on 28 30 October 2021 It analyzes how federal and quasi federal systems are created and if there are common patterns or certain conditions that promote the emergence or the demise of federal systems including case studies from Brazil Spain and Italy

Constitutional Politics in Multinational Democracies André Lecours, Nikola Brassard-Dion, Guy Laforest, 2021-07-15 Constitutional politics is exceptionally intense and unpredictable It involves negotiations over the very nature of the state and the implications of self determination Multinational democracies face pressing challenges to the existing order because they are composed of communities with distinct cultures histories and aspirations striving to coexist under mutually agreed upon terms Conflict over the recognition of these multiple identities and the distribution of power and resources is inevitable and indeed part of what defines democratic life in multinational societies In *Constitutional Politics in Multinational Democracies* Andr Lecours Nikola Brassard Dion and Guy Laforest bring together experts on multinational democracies to analyze the claims of minority nations about their political future and the responses they elicit through constitutional politics Essays

focus on the nature of these states and the actors and political process within them This framework allows for a multidimensional examination of crucial political periods in these democracies by assessing what constitutional politics is who is involved in it and how it happens Case studies include Catalonia and Spain Puerto Rico and the United States Scotland and the United Kingdom Belgium Bosnia and Herzegovina and Quebec and the M tis People in Canada Theoretically significant and empirically rich *Constitutional Politics in Multinational Democracies* is a necessary read for any student of multinationalism

Emerging Federal Structures in the Post-Cold War Era Soeren Keil, Sabine Kropp, 2022-05-18 This book conceives federalism not as a static institutional architecture but as a dynamic formation always in flux This may entail processes of federalization but in some cases also lead to de federalization It looks at emerging federal structures worldwide and analyses federal structures their emergence operation and categorization The contributors highlight that the emergence of these federal structures has multiple facets from the recognition of ethnic diversity to the use of federalism as a tool of conflict resolution Identifying and categorizing processes of federalization and defederalization in a variety of cases the book provides much needed empirical and theoretical discussion on emerging federal structures and the changing nature of federalism in the post Cold War era
