

STEPHEN GUNDOLE

MUSSOLINI'S DREAM FACTORY

Film Stardom in Fascist Italy

It is high time that a carefully researched and well-illustrated book on Italian cinema should be published. Fascism takes place, and this book provides a good story in this direction. The book is well written and is a good read.

Mussolini's Dream Factory Film Stardom In Fascist Italy Stephen Gundle:

Mussolini's Dream Factory Stephen Gundle, 2013 The intersection between film stardom and politics is an understudied phenomenon of Fascist Italy despite the fact that the Mussolini regime deemed stardom important enough to warrant sustained attention and interference Focused on the period from the start of sound cinema to the final end of Fascism in 1945 this book examines the development of an Italian star system and evaluates its place in film production and distribution The performances and careers of several major stars including Isa Miranda Vittorio De Sica Amedeo Nazzari and Alida Valli are closely analyzed in terms of their relationships to the political sphere and broader commercial culture with consideration of their fates in the aftermath of Fascism A final chapter explores the place of the stars in popular memory and representations of the Fascist film world in postwar cinema

Mussolini's Dream Factory Stephen Gundle, 2014-05-14 This book offers the first extended analysis of film stardom in Fascist Italy focusing on the period from the start of sound cinema to the final end of Fascism in 1945 The author examines the development of an Italian star system evaluates its place in film production and distribution and explores its relationships with the political sphere and with broader commercial culture The popular press along with other evidence is used to assess the extent of public engagement with film stars Several major stars including Isa Miranda Vittorio De Sica Amedeo Nazzari and Alida Valli are closely analysed in terms of their screen performances and professional trajectories including their fates in the aftermath of the Fascist regime The book makes an original contribution to the understanding of Italian Fascism and the cinema of the period by tackling a field hitherto neglected despite it being deemed important enough by the regime to warrant sustained attention and interference A final chapter explores the place of the stars in popular memory and representations of the Fascist film world in postwar cinema Stephen Gundle is Professor of Film and Television Studies at the University of Warwick His books include *Between Hollywood and Moscow the Italian Communists and the Challenge of Mass Culture* 1943 91 2000 *Bellissima Feminine Beauty and the Idea of Italy* 2007 *Mass Culture and Italian Society from Fascism to the Cold War* 2008 with David Forgacs *Glamour A History* 2008 and *Death and the Dolce Vita The Dark Side of Rome in the 1950s* 2011 He is co editor with Christopher Duggan and Giuliana Pieri of *The Cult of the Duce Mussolini and the Italians* 2013

Mussolini's Dream Factory Stephen Gundle, 2013-12-01 The intersection between film stardom and politics is an understudied phenomenon of Fascist Italy despite the fact that the Mussolini regime deemed stardom important enough to warrant sustained attention and interference Focused on the period from the start of sound cinema to the final end of Fascism in 1945 this book examines the development of an Italian star system and evaluates its place in film production and distribution The performances and careers of several major stars including Isa Miranda Vittorio De Sica Amedeo Nazzari and Alida Valli are closely analyzed in terms of their relationships to the political sphere and broader commercial culture with consideration of their fates in the aftermath of Fascism A final chapter explores the place of the stars in popular memory and representations of the Fascist film world in

postwar cinema **Claretta** R. J. B. Bosworth, 2017-01-01 A master historian illuminates the tumultuous relationship of Il Duce and his young lover Claretta whose extraordinarily intimate diaries only recently have become available Few deaths are as gruesome and infamous as those of Benito Mussolini Italy's fascist dictator and Claretta or Clara Petacci his much younger lover Shot dead by Italian partisans after attempting to flee the country in 1945 the couple's bodies were then hanged upside down in Milan's main square in ignominious public display This provocative book is the first to mine Clara's extensive diaries family correspondence and other sources to discover how the last in Mussolini's long line of lovers became his intimate and how she came to her violent fate at his side R J B Bosworth explores the social climbing of Claretta's family her naive and self interested commitment to fascism her diary's graphically detailed accounts of sexual life with Mussolini and much more Brimful of new and arresting information the book sheds intimate light not only on an ordinary extraordinary woman living at the heart of Italy's totalitarian fascist state but also on Mussolini himself **Fashion under Fascism** Eugenia

Paulicelli, 2025-01-09 Looking at the dark history of Italian fashion by focusing on the impact of 1930s Fascism this is the second edition of Eugenia Paulicelli's classic text In Fashion under Fascism Paulicelli explores the subtle yet sinister changes to the seemingly innocuous practices of everyday dress and shows why they were such a concern for the state Importantly she also demonstrates how these developments impacted on the global dominance of Italian fashion today Alongside interviews with major designers such as Fernanda Gattinoni and Micol Fontana this newly expanded revised edition includes updated material on gender and masculinity the role of uniforms in standardizing individuality race and colonial Italy and the reception of 1930s cinema It sheds new light on the complicated relationship between style and politics and is an essential read for all those interested in the history of fashion politics national identity and the culture of fascism **Fame Amid the**

Ruins Stephen Gundle, 2019-11-04 Italian cinema gave rise to a number of the best known films of the postwar years from Rome Open City to Bicycle Thieves Although some neorealist film makers would have preferred to abolish stars altogether the public adored them and producers needed their help in relaunching the national film industry This book explores the many conflicts that arose in Italy between 1945 and 1953 over stars and stardom offering intimate studies of the careers of both well known and less familiar figures shedding new light on the close relationship forged between cinema and society during a time of political transition and shifting national identities Fascism in Europe and Beyond Paul Baxa, 2025-09-18

Fascism in Europe and Beyond examines fascism from its origins to the present It begins in the fin de siècle era when the various ideas that eventually coalesced into fascism first emerged and concludes with the re emergence of fascist ideas in recent times Historiographical discussions illustrations biographical textboxes and maps are interwoven into the text while a valuable collection of primary documents can be found at the end of the book to facilitate further study Paul Baxa focuses primarily on European experiences in countries such as Germany Italy Hungary Croatia Romania the UK France Belgium Spain and Portugal but there is also significant coverage of imperial Japan and Cold War fascism in the shape of North

American movements and leaders like Rockwell's American Nazi Party. Baxa even discusses The World Union of National Socialists and its attempt to build a universal fascist movement after the Second World War. The aims of the fascist movements, their social composition and their actions are explored extensively in the book while an emphasis is placed on the cult of personality in driving fascism in its many manifestations. Baxa's underlying assertion that fascism is primarily a cultural movement, a political cult in fact that relies on charismatic leaders who have been able to articulate and project the fantasies and desires of their followers, provides a consistent position throughout one that both enriches and enlivens the text itself and that offers a useful jumping off point for classroom discussions. *Motorsport and Fascism* Paul Baxa, 2022-04-28

This book is the first English language study of motorsport and Italian Fascism, arguing that a synergy existed between motor racing and Fascism that did not exist with other sports. Motorsport was able to bring together the two dominant and often opposed cultural roots of Fascism: the Futurism of F. T. Marinetti and the Decadence associated with Gabriele D'Annunzio. The book traces this cultural convergence through a topical study of motorsport in the 1920s and 1930s, placing it in the context of the history of sport under Mussolini's regime. Chapters discuss the centrality of speed and death in Fascist culture, the attempt to transform Rome into a motorsport capital, the architectural and ideological function of the Monza and Tripoli and autodromes, and two chapters on the importance of the Mille Miglia, a genuine Fascist artefact that became one of the most legendary motor races of all time. *The Perfect Fascist* Victoria De Grazia, 2020-08-11

Attilio Teruzzi: Mussolini's commander of the Black Shirts exemplified fascism's obsession with male strength. Through the story of his broken marriage to a young Jewish American opera star, Victoria de Grazia explores the cult of masculinity on which the New Rome was to be built, revealing the seductive appeal of fascism. **Print Matters** Maria Antonella Pelizzari, Andrés Mario

Zervigón, 2025-11-11 This volume presents a nuanced exploration of how illustrated magazines shaped global visual culture between 1910 and 1970. In the early to mid-twentieth century, the vast majority of printed photographs appeared in the pages of illustrated magazines. Publications such as *Life*, *China Pictorial*, *Drum*, *Picture Post*, and *Ebony* did more than showcase photographs; they crafted visual narratives by combining images, text, and graphics into influential cultural artifacts. These periodicals shaped public perception and mass media consensus like the Internet does today, bringing a shared visual experience to homes and newsstands around the world. The essays in this volume delve into the technologies and visual strategies behind these publications, showing how their layouts were affected by political, commercial, editorial, and artistic factors leading up to World War II. The commentaries also explore how democracy, dictatorships, colonization, and modernity at large gave rise to experimental magazine designs, turning avant-garde art and lifestyle reporting into popular formats. Featuring over 150 images, *Print Matters* traces how illustrated magazines evolved across countries and continents, offering new insights into their history and enduring impact on culture and society. **America in Italian Culture** Guido

Bonsaver, 2024-02-10 When Italy unified in 1861, America was emerging as a world power and advances in communication

allowed Italians a view of American life to which they could aspire America in Italian Culture traces this huge cultural shift looking at how US fiction comics music and film came to dominate Italian culture even as the countries went to war

Neorealist Film Culture, 1945-1954 Francesco Pitassio, 2025-10-01 Unique truthful brutal Neorealism is often associated with adjectives stressing its peculiarities in representing the real its lack of antecedents and its legacy in terms of film style While this is useful when confronting auteurs such as De Sica Rossellini or Visconti it becomes problematic when examining a widespread cultural practice that realistic modes deeply affected This cultural production included filmmaking literature visual culture and photography as well as media discourses It was internally contradictory but fruitful inasmuch as its legacy influenced national culture for many decades to come The volume spotlights post war Italian film culture by locating a series of crossroads i e topics barely examined when discussing neorealism nation memory and trauma visual culture stardom and performance The aim is to deconstruct neorealism as a monument and to open up its cultural history

Muscles in the Movies John D. Fair, David L. Chapman, 2020-11-16 John Fair and David Chapman tell the story of how filmmakers use and manipulate the appearance and performances of muscular men and women to enhance the appeal of their productions The authors show how this practice deeply rooted in western epistemological traditions evolved from the art of photography through magic lantern and stage shows into the motion picture industry arguing that the sight of muscles in action induced a higher degree of viewer entertainment From Eugen Sandow to Dwayne The Rock Johnson muscular actors appear capable of performing the miraculous and with the aid of stuntmen and filming contrivances they do By such means muscles are used to perfect the art of illusion inherent in movie making from its earliest days **Promiscuous**

Media Hikari Hori, 2018-01-15 In Promiscuous Media Hikari Hori makes a compelling case that the visual culture of Showa era Japan articulated urgent issues of modernity rather than serving as a simple expression of nationalism Hori makes clear that the Japanese cinema of the time was in fact almost wholly built on a foundation of Russian and British film theory as well as American film genres and techniques Hori provides a range of examples that illustrate how maternal melodrama and animated features akin to those popularized by Disney were adopted wholesale by Japanese filmmakers Emperor Hirohito's image Hori argues was inseparable from the development of mass media he was the first emperor whose public appearances were covered by media ranging from postcards to radio broadcasts Worship of the emperor through viewing his image Hori shows taught the Japanese people how to look at images and primed their enjoyment of early animation and documentary films alike Promiscuous Media links the political and the cultural closely in a way that illuminates the nature of twentieth century Japanese society **International Communism and the Cult of the Individual** Kevin Morgan, 2016-12-28 This book explores how the communist cult of the individual was not just a Soviet phenomenon but an international one When Stalin died in 1953 the communists of all countries united in mourning the figure that was the incarnation of their cause Though its international character was one of the distinguishing features of the communist cult of personality this is the first extended

study to approach the phenomenon over the longer period of its development in a truly transnational and comparative perspective Crucially it is concerned with the internationalisation of the Soviet cults of Lenin and Stalin But it also ranges across different periods and national cases to consider a wider cast of bureaucrats tribunes heroes and martyrs who symbolised both resistance to oppression and the tyranny of the party state Through studying the disparate ways in which the cults were manifested Kevin Morgan not only takes in many of the leading personalities of the communist movement but also some of the cultural luminaries like Picasso and Barbusse who sought to represent them The cult of the individual was one of the most fascinating troubling and revealing features of Stalinist communism and as reconstructed here it offers new insight into one of the defining political movements of the twentieth century *Rethinking the History of Italian Fascism* Giulia Albanese,2022-03-10 In the last years the discussion around what is fascism if this concept can be applied to present forms of politics and if its seeds are still present today became central in the political debate This discussion led to a vast reconsideration of the meaning and the experience of fascism in Europe and is changing the ways in which scholars of different generations look at this political ideology and come back to it and it is also changing the ways in which we consider the experience of Italian fascism in the European and global context The aim of the book is building a general history of Fascism and its historiography through the analysis of 13 different fundamental aspects which were at the core of Fascist project or of Fascist practices during the regime Each essay considers a specific and meaningful aspect of the history of Italian fascism reflecting on it from the vantage point of a case study The essays thus reinterrogates the history of Fascism to understand in which way Fascism was able to mould the historical context in which it was born how and if it transformed political cultural social elements that were already present in Italy The themes considered are violence empire war politics economy religion culture but also antifascism and the impact of Fascism abroad especially in the Twenties and at the beginnings of the Thirties The book could be both used for a general public interested in the history of Europe in the interwar period and for an academic and scholarly public since the essays aim to develop a provocative reflection on their own area of research *Fashioning Submission* Silvia Vacirca,2023-05-30 The behind the scene history of the fashion magazine Bellezza the Italian Vogue founded in 1941 has never been submitted to scholarly attention Its utopian function in defining a new culture of fashion and code of glamour contributed to the totalitarian project of building a new Italian woman The current volume fills this gap using the case **A Social History of Italian Fascism** Patrizia Dogliani,2025-01-08 This book uncovers how fascism reshaped Italian society according to its ideological and historical interpretation of the Italian nation and people and identifies the strengths of this transformation but also the resistance encountered from for example women and minority groups to accept it in everyday life It analyzes the success achieved by some policies aimed at popular masses in order to integrate them into the nation and how fascism initiated an early welfare state project to address specific categories of society such as veterans families mothers and children The book also questions the concept and practices of social

citizenship reserved only for those who gave evidence of formal adherence to fascism **Galeazzo Ciano** Tobias Hof, 2021-05-02 Building on extensive archival research and important scholarly analysis Galeazzo Ciano The Fascist Pretender examines the life of Galeazzo Ciano foreign minister of fascist Italy from 1936 to 1943 and Benito Mussolini's son in law Ciano's life serves as a lens through which to gain a better understanding of crucial issues of Italian and European fascism including the fascistization of society and politics foreign relations and the problem of succession The biography follows an innovative thematic structure that focuses on major aspects of Ciano's life including his family his political career his diplomacy and his desire to succeed Mussolini Filling a substantial gap in the existing literature on the history of fascism this book is the first comprehensive analysis of a key player of Italian fascism other than Mussolini it also offers a long overdue critical assessment of Ciano's famous diary one of the most important texts from the period Using visual materials such as photographs and films as sources and not just as illustrative material Tobias Hof allows us to rethink our understanding of fascism and offers a new perspective on the history of fascist Italy The Maciste Films of Italian Silent Cinema Jacqueline Reich, 2015-10-19 Italian film star Bartolomeo Pagano's Maciste played a key role in his nation's narratives of identity during World War I and after Jacqueline Reich traces the racial class and national transformations undergone by this Italian strongman from African slave in Cabiria 1914 his first film to bourgeois gentleman to Alpine soldier of the Great War to colonial officer in Italy's African adventures Reich reveals Maciste as a figure who both reflected classical ideals of masculine beauty and virility later taken up by Mussolini and used for political purposes and embodied the model Italian citizen The 12 films at the center of the book recently restored and newly accessible to a wider public together with relevant extra cinematic materials provide a rich resource for understanding the spread of discourses on masculinity and national and racial identities during a turbulent period in Italian history The volume includes an illustrated appendix documenting the restoration and preservation of these cinematic treasures

Mussolinis Dream Factory Film Stardom In Fascist Italy Stephen Gundle Introduction

Mussolinis Dream Factory Film Stardom In Fascist Italy Stephen Gundle Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Mussolinis Dream Factory Film Stardom In Fascist Italy Stephen Gundle Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Mussolinis Dream Factory Film Stardom In Fascist Italy Stephen Gundle : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Mussolinis Dream Factory Film Stardom In Fascist Italy Stephen Gundle : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Mussolinis Dream Factory Film Stardom In Fascist Italy Stephen Gundle Offers a diverse range of free eBooks across various genres. Mussolinis Dream Factory Film Stardom In Fascist Italy Stephen Gundle Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Mussolinis Dream Factory Film Stardom In Fascist Italy Stephen Gundle Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Mussolinis Dream Factory Film Stardom In Fascist Italy Stephen Gundle, especially related to Mussolinis Dream Factory Film Stardom In Fascist Italy Stephen Gundle, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Mussolinis Dream Factory Film Stardom In Fascist Italy Stephen Gundle, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Mussolinis Dream Factory Film Stardom In Fascist Italy Stephen Gundle books or magazines might include. Look for these in online stores or libraries. Remember that while Mussolinis Dream Factory Film Stardom In Fascist Italy Stephen Gundle, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Mussolinis Dream Factory Film Stardom In Fascist Italy Stephen Gundle eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Mussolinis Dream Factory Film Stardom In Fascist Italy Stephen Gundle full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer

subscription-based access to a wide range of Mussolinis Dream Factory Film Stardom In Fascist Italy Stephen Gundle eBooks, including some popular titles.

FAQs About Mussolinis Dream Factory Film Stardom In Fascist Italy Stephen Gundle Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Mussolinis Dream Factory Film Stardom In Fascist Italy Stephen Gundle is one of the best book in our library for free trial. We provide copy of Mussolinis Dream Factory Film Stardom In Fascist Italy Stephen Gundle in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Mussolinis Dream Factory Film Stardom In Fascist Italy Stephen Gundle. Where to download Mussolinis Dream Factory Film Stardom In Fascist Italy Stephen Gundle online for free? Are you looking for Mussolinis Dream Factory Film Stardom In Fascist Italy Stephen Gundle PDF? This is definitely going to save you time and cash in something you should think about.
