Grieving the Loss of a Loved One Kathe Wunnenberg,2009-12-22 Death is an inevitable and constant part of life yet those who grieve often feel misunderstood and alone in their journey says Kathe Wunnenberg author of *Grieving the Loss of a*

Loved One This compassionate book acts as a daily devotional companion to hurting people Designed for adult readers of all ages and stages in the grieving process it is sensitively written by an author who suffered three miscarriages and the death of an infant son She knows from firsthand experience that there are no easy answers for those who mourn Sixty devotions cover the many stages of grieving including readings for holidays birthdays and special occasions when grief can be particularly painful Readers will walk away from the short thematic devotions and feel validated connected to someone who knows how they truly feel and with renewed hope in God Friends and family members who sincerely want to help the grieving can give this book as a meaningful beneficial expression of their love and concern *Living, Dying, Death, and Bereavement (Volume One)* David E. Balk, 2020-10-21 This two volume book offers extensive interviews with persons who have made significant contributions to thanatology the study of dying death loss and grief The book s in depth conversations provide compelling life stories of interest to clinicians researchers and educated lay persons and to specialists interested in oral history as a means of gaining rich understandings of persons lives Several disciplines that contribute to thanatology are represented in this book such as psychology religious studies art literature history social work nursing theology education psychiatry sociology philosophy and anthropology The book is unique no other text offers such a comprehensive insightful and personal review of work in the thanatology field The salience of thanatology is obvious when we consider several topics including the aging demographics of most countries the leading causes of death the devastation of COVID 19 the realities of how most persons die the growth both of hospice and of efforts within medicine to ensure that a good death becomes the norm of medical practice and increases in the number of countries and states permitting physician assisted suicide Volume One includes conversations with 21 thanatologists and an introductory chapter in which the author provides an overview of the project and offers reflections on what these thanatologists have told him The experts interviewed here include Robert Fulton Sandra Bertman Bill Worden Charles Corr Sister Frances Dominica Myra Bluebond Langner Nancy Hogan Robert Neimeyer Ken Doka and Donna Schuurman Life and Loss Linda Goldman, 2021-08-04 For decades Life and Loss has been the book clinicians have relied on for a full and nuanced presentation of the many issues with which grieving children grapple as well as an honest exploration of the interrelationship between unresolved grief educational success and responsible citizenry This classic edition which includes a new preface from the author brings this exploration firmly into the twenty first century and makes a convincing case that children s grief is no longer restricted only to loss identified children Children s grief is now endemic it is global Life and Loss is not just the book mental health professionals need to understand grief in the twenty first century it s the book they need to work with grief in a practical and constructive way On Angels Wings Ll , 2004 Maternal Grief in the Hebrew Bible Ekaterina E. Kozlova, 2017 Maternal Grief in the Hebrew Bible explores the stories of biblical mothers who were placed at key junctures in Israel s history to renegotiate the destinies not only of their own children dead or lost but also those of larger communities i e family lines ethnic groups or entire nations

These women used the circumstance of child loss as a platform for a kind of grief driven socio political activism As maternal bereavement is generally understood as the most intense of all types of loss and was seen as archetypal of all mourning in the ancient Near East Israelite communities in crisis deemed sorrowing motherhood as a potent agent in bringing about their own survival and resurgence back to normalcy Book jacket **The Routledge Introduction to American Life Writing**

Amy Monticello,Jason Tucker,2023-07-31 The stories of lived experience offer powerful representations of a nation s complex and often fractured identity Personal narratives have taken many forms in American literature From the letters and journals of the famous and the lesser known to the memoirs of former slaves to hit true crime podcasts to lyric essays to the curated archives we keep on social media life writing has been a tool of both the influential and the disenfranchised to spark cultural and political evolution to help define the larger identity of the nation and to claim a sense of belonging within it Taken together individual stories of real American lives weave a tapestry of history humanity and art while raising questions about the veracity of memory and the slippery nature of truth This volume surveys the forms of life writing that have contributed to the richness of American literature and shaped American discourse It examines life writing as a rhetorical tool for social change and explores how technological advancement has allowed ordinary Americans to chronicle and share their lives with others

Kim Vesey,2020-07-07 Experiencing loss whether sudden or expected is extremely challenging at any age Since children may not have friends who have had a similar experience they may find this to be a scary overwhelming and lonely time A little turtle loves doing fun things with Grandpa The turtle loves having Grandpa in the stands cheering loudly during T ball games Suddenly the turtle s world is turned upside down when Grandpa falls ill and goes to the hospital When the turtle s parents share that Grandpa has gone to heaven to live with God the turtle must somehow learn to live without him The turtle misses Grandpa so much While the little turtle wonders if Grandpa is living in a cloud family members and friends help lead the turtle through many feelings during

the first year following the grandpa's death. Through this experience, the young turtle learns that it is okay to cry, laugh, and be happy, as well as to forever love Grandpa. In this beautifully illustrated and touching tale, a young turtle learns how to deal with loss and grief after the turtle's grandpa dies. The turtle is left believing Grandpa is watching and sending love from his heavenly cloud. This book provides numerous recommendations for adults supporting the grieving child. These include suggestions for honoring memories, creating tangible remembrances, and working through shared grief in a gentle and supportive way.
