Mijn Zuster Emily Roman Over De Amerikaanse Dichteres Emily Dickinson:

Mijn zuster Emily Paola Kaufmann, Jacqueline Visscher, 2005 Het levensverhaal van de Amerikaanse dichteres 1830 1886 vanuit het gezichtspunt van haar zuster **Emily Dickinson, Woman of Letters** Lewis Turco, 1993-07-01 Buried in Emily Dickinson's letters are many lines that are stunningly beautiful as beautiful as any to be found in her poems Lewis Turco has taken some of these lines and written poems from them on them and around them This volume then is a collaboration between two writers one a 19th century woman whose work became known to most readers only in the 20th century and the other a post modernist man of letters an award winning poet critic and scholar In addition to the poems collected here Turco has written an informative introduction and included several essays by feminist critics and other scholars who discuss various aspects of Emily Dickinson's letters Emily Dickinson Woman of Letters is therefore at once an addition to the Dickinson canon a distinguished collection of contemporary poems an important volume of critical scholarship in American literature and a fascinating reading experience that will appeal to a wide audience of professionals and non professionals alike Emily Dickinson's Poems Emily Dickinson, 2016-04-11 Emily Dickinson's Poems As She Preserved Them is a major new edition of Dickinson's verse intended for the scholar student and general reader It foregrounds the copies of poems that Dickinson retained for herself during her lifetime in the form she retained them This is the only edition of Dickinson's complete poems to distinguish in easy visual form the approximately 1 100 poems she took pains to copy carefully onto folded sheets in fair hand arguably to preserve them for posterity from the poems she kept in rougher form or apparently did not retain It is the first edition to include the alternate words and phrases Dickinson wrote on copies of the poems she retained Readers can see and determine for themselves the extent to which a poem is resolved or fluid With its clear and uncluttered pages the volume recommends itself as a valuable resource for the classroom and to general readers A Dickinson scholar Cristanne Miller supplies helpful notes that gloss the poet's quotations and allusions and the contexts of her writing Miller's Introduction describes Dickinson's practices in copying and circulating poems and summarizes contentious debates within Dickinson scholarship Emily Dickinson's Poems As She Preserved Them brings us closer to the writing practice of a crucially important American poet and provides new ways of thinking about Dickinson allowing us to see more fully her methods of composing circulating and copying than previous editions have allowed It will be valued by all readers of Dickinson's poetry Emily Dickinson Polly Longworth, 1960 **Open Me Carefully** Emily Dickinson, 1998-10-01 The 19th century American poet's uncensored and breathtaking letters poems and letter poems to her sister in law and childhood friend For the first time selections from Emily Dickinson's thirty six year correspondence with her childhood friend neighbor and sister in law Susan Huntington Dickinson are compiled in a single volume Open Me Carefully invites a dramatic new understanding of Emily Dickinson's life and work overcoming a century of censorship and misinterpretation For the millions of readers who love Emily Dickinson's poetry Open Me Carefully brings new light to the meaning of the poet's life and work Gone is Emily as

lonely spinster here is Dickinson in her own words passionate and fully alive Praise for Open Me Carefully With spare commentary Smith and Hart let these letters speak for themselves Most important unlike previous editors who altered line breaks to fit their sense of what is poetry or prose Hart and Smith offer faithful reproductions of the letters genre defying form as the words unravel spectacularly down the original page Renee Tursi The New York Times Book Review **Poems by Emily Dickinson**, 1950 *Emily Dickinson* Emily Dickinson, 1994 Introduces young readers to poetry for young people **Letters of Emily Dickinson** Emily Dickinson, 1894 **The Letters of Emily Dickinson 1845-1886** Emily Dickinson, 1906 **Emily Dickinson** Emily Dickinson, 1927 **Poems of Emily Dickinson** Emily Dickinson, 2014-09-04 The eagerness with which the first volume of Emily Dickinson's poems has been read shows very clearly that all our alleged modern artificiality does not prevent a prompt appreciation of the qualities of directness and simplicity in approaching the greatest themes life and love and death That irresistible needle touch as one of her best critics has called it piercing at once the very core of a thought has found a response as wide and sympathetic as it has been unexpected even to those who knew best her compelling power [The Letters of Emily Dickinson](#) Emily Dickinson, 2024-04-02 The Letters of Emily Dickinson collects redates and recontextualizes all of the poet's extant letters including dozens newly discovered or never before anthologized Insightful annotations emphasize not the reclusive poet of myth but rather an artist firmly embedded in the political and literary currents of her time **The Life of Emily Dickinson** Richard Benson Sewall, 1976 **Life and Letters of Emily Dickinson** Martha Dickinson Bianchi, Emily Dickinson, 2021-09-28 Published in 1924 The Life and Letters of Emily Dickinson is a biography by her niece Martha Dickinson Bianchi Featuring detailed biographical essays and her letters for the first time arranged chronically the book stands as a retelling of her aunt's life from the perspective of family in an attempt to challenge the image of Emily Dickinson as a cold isolated woman of mystery With an eye catching new cover and professionally typeset manuscript this edition of The Life and Letters of Emily Dickinson is a must read biography reimagined for modern readers **Selected Poems of Emily Dickinson** Emily Dickinson, James Reeves, 1963 **Emily Dickinson**, 1992 **Further Poems of Emily Dickinson** Emily Dickinson, 1929 The discovery of over one hundred and fifty poems written by Emily Dickinson and hitherto unpublished is an event of supreme importance Among them are many of her most intimate love poems evidently purposely withheld from publication by the poet's sister Critics have claimed that in this new group are verses and lines as imperishable in their beauty as any of those with which the world is already familiar Dust jacket **Letters of Emily Dickinson; Volume 1** Mabel Loomis Todd, Emily Dickinson, 2018-10-07 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure
