**Jicheng Xie** 

#### **Mike Bloomberg Money Power Politics:**

Mike Bloomberg Joyce Purnick, 2009-09-22 A biography of the business mogul former New York City mayor and 2020 democratic presidential candidate Mike Bloomberg has repeatedly defied the standard models for success He has never won a crowd over with his speaking prowess Rooms do not hush with anticipation when he enters Celebrity stalkers do not haunt him But his unparalleled achievements drip with the dynamism that his public persona lacks His penchant for problem solving and impressive ability to chart his own path has led to his great success as a business genius self made billionaire and influential mayor In this brilliant biography former New York Times columnist and editor Joyce Purnick unravels this great American enigma from his childhood in the suburbs of Boston to his rise on Wall Street and the creation of Bloomberg L P to his mayoral record and controversial campaign trail for a third term Mike Bloomberg Joyce Purnick, 2009-09-22 A biography of the business mogul former New York City mayor and 2020 democratic presidential candidate Mike Bloomberg has repeatedly defied the standard models for success He has never won a crowd over with his speaking prowess Rooms do not hush with anticipation when he enters Celebrity stalkers do not haunt him But his unparalleled achievements drip with the dynamism that his public persona lacks His penchant for problem solving and impressive ability to chart his own path has led to his great success as a business genius self made billionaire and influential mayor In this brilliant biography former New York Times columnist and editor Joyce Purnick unravels this great American enigma from his childhood in the suburbs of Boston to his rise on Wall Street and the creation of Bloomberg L P to his mayoral record and controversial campaign trail Bloomberg Chris McNickle, 2017-09-19 Examine the Bipartisan Legacy of a Remarkable Billionaire for a third term Politician Bloomberg A Billionaire's Ambition tells the story of how one of America's most successful entrepreneurs was elected mayor of New York City and what he did with the power he won Bloomberg's stunning victory against all odds just weeks after the 9 11 terrorist attack left him facing challenges unlike any mayor in history For the next twelve years he kept the city safe managed budgets through fiscal crises promoted private sector growth generated jobs built infrastructure protected the environment supported society s cultural sensibilities and achieved dramatic improvements in public health Bloomberg was an activist executive who used government assets boldly and wisely for the greatest good for the greatest number of people His time as mayor was not without controversy Bloomberg supported stop and frisk police tactics that a judge ruled unconstitutional and jailhouse violence rose to levels so severe the federal government intervened The administration s homeless policies were ineffective And he forced a change in the city charter to allow him to serve a third term Overall record low crime and the lasting impact of innovative policies will cause his tenure to be remembered as a remarkable success Having returned to his global media empire and to his private philanthropy Bloomberg continues to challenge the National Rifle Association on gun control promote national education reform and support policies to combat climate change Frequently touted as an independent candidate for president Bloomberg leaves behind a legacy of effective

government The Many Lives of Michael Bloomberg Eleanor Randolph, 2021-03-16 This authoritative and anecdote filled biography of Michael Bloomberg 2020 presidential candidate and one of the richest and famously private public figures in the country is a masterful work and an absolutely first rate study of leadership in business politics and philanthropy Doris Kearns Goodwin Pulitzer Prize winning author from a veteran New York Times reporter Michael Bloomberg's life sounds like an exaggerated version of The American Story except his adventures are real From modest Jewish middle class and Eagle Scout to Harvard MBA to Salomon Brothers hot shot where he gets sent upstairs and later fired to creator of the Bloomberg terminal a machine that would change Wall Street and the financial universe and make him a billionaire to presidential candidate in 2020 Randolph's account of Bloomberg's life reads almost like a novel A vivid timely study of Bloomberg's brand of plutocracy Publishers Weekly this engaging and insightful biography recounts Mayor Bloomberg's vigorous approach to New York City's care including his attempts at education reform anti smoking and anti obesity campaigns climate control and new developments across the city After he engineered a surprising third term as Mayor Bloomberg returned to his business and philanthropies that focused increasingly on cities The chapter that describes this is one of the most revealing of his temperament and energy and vision as well as how he spends his private time that was virtually off limits even when he was mayor Bloomberg promised to give away his money before he died and his giving has focused on education gun control and a fighting climate change He joined the 2020 presidential campaign as a moderate liberal and spent his millions focused on ousting President Donald Trump Focus On: 100 Most Popular 20Th-century American Politicians Wikipedia contributors,

**Power at Ground Zero** Lynne B. Sagalyn, 2016-08-05 The destruction of the World Trade Center complex on 9 11 set in motion a chain of events that fundamentally transformed both the United States and the wider world In Power at Ground Zero Lynne Sagalyn offers the definitive account of one of the greatest reconstruction projects in modern world history the rebuilding of lower Manhattan after 9 11 Urban Politics Stephen J. McGovern, 2016-02-16 Steve McGovern s Urban Politics A Reader examines the changing structure of political power in cities through the lens of historical development accompanied with brief explorations of pertinent public policy issues Having studied and taught urban politics for over 20 years McGovern Haverford College foregrounds his approach with a discussion of cities in a global era and then divides the material into five parts or themes the formation of city politics city politics under stress the politics of urban revitalization the changing dynamics of urban politics and visions of contemporary urban politics. He expands the scope of his exploration by integrating literature that is not commonly observed in urban politics texts i e works by journalists as well as scholars and by including debates about political power in both big and smaller cities **Summary: Mike Bloomberg** BusinessNews Publishing, 2017-01-30 The must read summary of Joyce Purnick's book Mike Bloomberg Money Power Politics This complete summary of Mike Bloomberg by Joyce Purnick an award winning American journalist outlines her account of a rich and generous American philanthropist Mike Bloomberg It examines his early life his various successes and his mayoral election

and campaigning whilst assessing how his obvious dynamism does not shine through when it comes to his public persona Added value of this summary Save time Understand Mike Bloomberg his life and his motivations Expand your knowledge of American politics To learn more read Mike Bloomberg and discover how a wealthy businessman managed to establish himself in both philanthropy and politics The Pragmatist Joseph P. Viteritti, 2017-08-03 When Michael Bloomberg handed over the city to Bill de Blasio New York and the country were experiencing record levels of income inequality De Blasio was the first progressive elected to City Hall in twenty years Invoking Fiorello La Guardia s name he pledged to improve the lives of those marginalized by poverty and prejudice Unlike La Guardia de Blasio did not have allies in Washington like President Franklin D Roosevelt who could effectively support his progressive agenda As de Blasio approached the end of his first term the situation worsened with Donald Trump in the White House and a Republican controlled Congress determined to further reduce social programs that help the needy As a result de Blasio's mayoralty is an illuminating case study of what mayors can and cannot do on their own to address economic and social inequality As the Democratic Party attempts to reassemble a viable political coalition that cuts across boundaries of race class and gender de Blasio's efforts to redefine priorities in America's largest city is instructive Joseph P Viteritti's The Pragmatist is the first in depth look at de Blasio both the man himself and his policies in crucial areas such as housing homelessness education and criminal justice It is a test case for the viability of progressivism itself Along the way Viteritti introduces the reader to every NYC mayor since La Guardia He covers progressives who breathed life into the soul of the city before the devastating fiscal crisis of 1975 put it on the brink of bankruptcy and those post fiscal crisis chief executives who served during times of limiting austerity This engaging story of the rise fall and rebirth of progressivism in America's major urban center demonstrates that the road to progress has been a long and continuing journey Bloomberg's New York Julian Brash, 2011 New York mayor Michael Bloomberg claims to run the city like a business In Bloomberg's New York Julian Brash applies methods from anthropology geography and other social science disciplines to examine what that means He describes the mayor's attitude toward governance as the Bloomberg Way a philosophy that holds up the mayor as CEO government as a private corporation desirable residents and businesses as customers and clients and the city itself as a product to be branded and marketed as a luxury good Commonly represented as pragmatic and nonideological the Bloomberg Way Brash argues is in fact an ambitious reformulation of neoliberal governance that advances specific class interests He considers the implications of this in a blow by blow account of the debate over the Hudson Yards plan which aimed to transform Manhattan's far west side into the city's next great high end district Bringing this plan to fruition proved surprisingly difficult as activists and entrenched interests pushed back against the Bloomberg administration suggesting that despite Bloomberg's success in redrawing the rules of urban governance older political arrangements and opportunities for social justice remain Robert Wagner and the Rise of New York City's Plebiscitary Mayoralty: The Tamer of the Tammany Tiger Richard M. Flanagan, 2014-12-12 Robert Wagner was New York

City s true New Deal mayor killed Tammany Hall The world Wagner shaped delivers municipal services efficiently at the cost of local democracy The story of Wagner's mayoralty will be of interest to anyone who cares about New York City local democracy and the debate about the legacy of the City's important leaders Top Brain, Bottom Brain Stephen Michael Kosslyn, G. Wayne Miller, 2013-11-05 Presents a new theory of personality types that describes how the top and bottom parts of the brain work together which differs from the left brain vs right brain theory In doing so four modes of thought are introduced Mover Perceiver Stimulator and Adaptor Pinstripe Patronage Martin Tolchin, Susan J. Tolchin, 2015-12-22 Political patronage awarding discretionary favors in exchange for political support is alive and well in 21st century America This book examines the little understood patronage system showing how it is used by pinstripe elites to subvert the democratic process Pinstripe patronage thrives on the billions of dollars distributed by government for the privatisation of public services Martin and Susan Tolchin introduce us to government grants specified for the use of an individual corporation or community and hybrid agencies with high salaries for top executives and board members In return for this corporate welfare pinstipe partons giving politicians the ever increasing funds needed to conduct their political campaigns As budget cuts begin to bite the authors argue that it is time to clamp down on the corrupt practice of pinstripe patronage <u>Infinite Future</u> Mark Green, 2016-05-03 Blending the historical biographical and political the wide ranging Bright Infinite Future describes how the values of the 60s are creating a new progressive majority in 16 The multi faceted Mark Green bestselling author public interest lawyer and elected official is our guide through contemporary American politics as Nader launches the modern consumer movement Clinton wins the 1992 New York primary and therefore the nomination and Green loses the closest NYC mayoral election in a century to Bloomberg after 9 11 in a perfect storm of money terrorism and race As Public Advocate Green is Mayor Giuiliani s b te noir exposing NYPD s racial profiling killing off Joe Camel and then running against a Murderer's Row of Cuomo de Blasio Schumer and Bloomberg Starting with the consequential movements of the 60s Green shows how a rising tide of minority and millennial voters GOP's lurch from mainstream to extreme and the contrast between the presidencies of Bush and Clinton Obama are leading to a new era of Progressive Patriotism built on four cornerstones an Economy for All Democracy for All Compact on Race Justice and Sustainable Climate Full of behind the scenes stories about bold faced names this will be the 2016 book for liberals looking to a bright infinite future Leonard Bernstein conservatives wanting to know what they re up against and readers who want to know what it takes in the arena

Historical Dictionary of the United States Kenneth J. Panton, 2022-08-23 The evolution of the United States from a late 18th century coalition of rebel British colonies to a 21st century global superpower was shaped by several forces As the nation expanded its boundaries after the Treaty of Paris confirmed independence from Great Britain in 1783 it acquired a rich variety of resources coal fertile soils forests iron ore oil precious metals space and varied climates as well as extensive tracts of territory Technological innovations such as the cotton gin and steam power enabled entrepreneurs to exploit those

resources and create wealth Federal and state legislators provided environments in which the economy could flourish and military strategists kept the country safe from external attack Diplomats negotiated commercial agreements with foreign governments and cultivated multinational alliances that strengthened freedoms Through its focus on the people and places that shaped the country's economic and political development and its detailed accounts of the processes that enabled the U S to expand across the continent Historical Dictionary of the United States contains a chronology an introduction and an extensive bibliography The dictionary section has more than 400 cross referenced entries on important personalities as well as aspects of the country's politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about the United States They Told Me Not to Take that Job Reynold Levy, 2015-05-12 When Reynold Levy became the new president of Lincoln Center in 2002 New York Magazine described the situation he walked in to as a community in deep distress riven by conflict Ideas for the redevelopment of Lincoln Center's artistic facilities and public spaces required spending more than 1 2 billion but there was no clear pathway for how to raise that kind of unprecedented sum The individual resident organizations that were the key constituents of Lincoln Center the Metropolitan Opera the New York City Opera the New York Philharmonic the Juilliard School and eight others could not agree on a common capital plan or fundraising course of action Instead intramural rivalries and disputes filled the vacuum Besides some of those organizations had daunting problems of their own Levy tells the inside story of the demise of the New York City Opera the Metropolitan Opera's need to use as collateral its iconic Chagall tapestries in the face of mounting operating losses and the New York Philharmonic's dalliance with Carnegie Hall Yet despite these and other challenges Levy and the extraordinary civic leaders at his side were able to shape a consensus for the physical modernization of the sixteen acre campus and raise the money necessary to maintain Lincoln Center as the country's most vibrant performing arts destination By the time he left Lincoln Center had prepared itself fully for the next generation of artists and audiences They Told Me Not to Take That Job is more than a memoir of life at the heart of one of the world's most prominent cultural institutions It is also a case study of leadership and management in action How Levy and his colleagues triumphantly steered Lincoln Center through perhaps the most tumultuous decade of its history to a startling transformation is fully captured in his riveting account Art on the Block Ann Fensterstock, 2025-06-25 A fascinating tour of the last five decades of contemporary art in New York City showing how artists are catalysts of gentrification and how neighborhoods in turn shape their art with special insights into the work of artists such as Jean Michel Basquiat Cindy Sherman and Jeff Koons Stories of New York City's fabled art scene conjure up artists lofts in SoHo studios in Brooklyn and block after block of galleries in Chelsea But today no artist can afford a SoHo loft Brooklyn has long gentrified and even the galleries of Chelsea are beginning to move on Art on the Block takes the reader on a journey through the neighborhoods that shape and are shaped by New York's ever evolving art world Based on interviews with over 150 gallery directors as well as the artists

themselves art historian and cultural commentator Ann Fensterstock explores the genesis expansion maturation and ultimate restless migration of the New York art world from one initially undiscovered neighborhood to the next Opening with the colonization of the desolate South Houston Industrial District in the late 1960s the book follows the art world s subsequent elopements to the East Village in the 80s Brooklyn in the mid 90s Chelsea at the beginning of the new millennium and most recently to the Lower East Side With a look to the newest neighborhoods that artists are just now beginning to occupy this is a must read for both art enthusiasts as well as anyone with a passion for New York City The ^ACreative Destruction of New York City Alessandro Busà, 2017-08-07 The Creative Destruction of New York City tells the story of fifteen years of shocking urban changes in New York City under the administrations of Bloomberg and de Blasio and identifies the urban regime of city producers who are rebuilding cities like New York for a brand new global class of super wealthy city The Restless City Joanne Reitano, 2018-02-28 The Restless City A Short History of New York from Colonial consumers Times to the Present is a brief insightful and lively history of the peoples events and interactions that have formed New York City Weaving together the shifting currents of economic political social and cultural life Joanne Reitano shows how New York has acted both as an indicator and a driver of the American experience in its negotiation of evolving urban challenges The third edition of The Restless City has been updated to include new material on early settler Native American interactions and to be more fully inclusive of the outer boroughs of New York Each chapter features at least two primary sources accompanied by discussion questions for students Authoritative and comprehensive The Restless City remains a superior resource for students and scholars interested in the rich history of the nation s premier urban center City of promises: a history of the jews of New York Deborah Dash Moore, Howard B. Rock, Jeffrey S. Gurock, Annie Polland, Daniel Soyer, 2012-09-10 New York Jews so visible and integral to the culture economy and politics of America's greatest city has eluded the grasp of historians for decades Surprisingly no comprehensive history of New York Jews has ever been written City of Promises The History of the Jews in New York a three volume set of original research pioneers a path breaking interpretation of a Jewish urban community at once the largest in Jewish history and most important in the modern world
