something far different than what he had always supposed he is forced to reconsider his lifelong desire to avenge those wrongs that were served upon him at least those wrongs that he understood as a young child He must decide between his developing faith which accompanies his hope for a better tomorrow and those deeply entrenched desires to put an end to those responsible for the worst of his childhood afflictions when the true story of his life is made known to him Reckoning is the fascinating continuation of the Redemption series uncovering the next intricate layer to the Margaret Anne saga of fate faith reckoning and mercy

Rowdy Carousals J. Chris Westgate, 2024-07-01 Rowdy Carousals makes important interventions in nineteenth century theatre history with regard to the Bowery Boy a raucous white urban character most famously exemplified by Mose from *A Glance at New York* in 1848 Theatrical representations of the Bowery Boy emphasized the privileges of whiteness against nonwhite workers including enslaved and free African Americans during the Antebellum Period an articulation of white superiority that continued through the early twentieth century with Jewish Italian and Chinese immigrants The book's examination of working class whiteness on stage in the theatre and in print culture invites theatre historians and critics to check the impulse to downplay or ignore questions about race and ethnicity in discussion of the Bowery Boy J Chris Westgate further explores links between the Bowery Boy's rowdyism in the nineteenth century and the resurgence of white supremacy in the early twenty first century
