Accept all reasonable responses.

Use the vocabulary words in the left margin to complete the graphic organizer below. List the biological levels from largest to smallest.

Levels of Organization

biosphere

ecosystem

biological community

population

Compare the terms in the tables by defining them side-by-side.

habitat place where the organism lives out its life

niche all strategies and adaptation a species uses in its environment; includes all biotic and abiotic interactions as an animal meets its needs for survival and reproduction

abiotic the nonliving parts of an organism's environment such as soil, wind, moisture, light, and temperature

biotic includes all the living organisms that inhabit an environment

symbiosis permanent, close association between two or more organisms of different species

commensalism one species benefits and the other species is neither harmed nor benefits

mutualism both species benefit

parasitism one species benefits and one is harmed

Define the prefix *eco-* and the suffix *-logy* using your book.

eco- means "environment" and *-logy* means "study of"
