## **Measure William Shakespeare Ebook:**

*Measure for Measure* William Shakespeare, 2011-08-23 *Measure for Measure* is among the most passionately discussed of Shakespeare's plays. In it, a duke temporarily removes himself from governing his city state, deputizing a member of his administration, Angelo, to enforce the laws more rigorously. Angelo chooses as his first victim Claudio, condemning him to death because he impregnated Juliet before their marriage. Claudio's sister, Isabella, who is entering a convent, pleads for her brother's life. Angelo attempts to extort sex from her, but Isabella preserves her chastity. The duke, in disguise, eavesdrops as she tells her brother about Angelo's behavior, then offers to ally himself with her against Angelo. Modern responses to the play show how it can be transformed by its reception in present culture to evoke continuing fascination. To some, the duke, the government seems meddling; to others, he is properly imposing moral standards. Angelo and Isabella's encounter exemplifies sexual harassment. Others see a woman's right to control her body in Isabella's choice between her virginity and her brother's life. Richard van Oort, 2022-10-18 This book is about a mad king and a mad duke With original and iconoclastic readings Richard van Oort pioneers the reading of Shakespeare as an ethical thinker of the originary scene the scene in which humans became conscious of themselves as symbol using moral and narrative beings Taking King Lear and Measure for Measure as case studies van Oort shows how the minimal concept of an anthropological scene of origin the originary hypothesis provides the basis for a new understanding of every aspect of the plays from the psychology of the characters to the ethical and dialogical conflicts upon which the drama is based The result is a gripping commentary on the plays Why does Lear abdicate and go mad Why does Edgar torture his father with non recognition Why does Lucio accuse the Duke in Measure for Measure of madness and lechery and why does Isabella remain silent at the end In approaching these and other questions from the perspective of the originary hypothesis van Oort helps us to see the ethical predicament of the plays and in the process makes Shakespeare new again **William Shakespeare: The Complete Works (The Giants of Literature - Book 1)**
