The Drama Teacher Koren Zailckas, 2018-08-07 By the New York Times bestselling author of *Mother Mother* and *Smashed* comes a propulsive new thriller the story of a desperate and devious woman who will do anything to give her family a better life Gracie Mueller is a proud mother of two and devoted wife living with her husband Randy in upstate New York Her life is complicated by the usual tedium and stressors young children marriage money and she's settled down comfortably enough But when Randy's failing career as a real estate agent makes finances tight their home goes into foreclosure and Gracie feels she has no choice but to return to the creatively illegal and high stakes lifestyle of her past in order to keep all that she's worked so hard to have Gracie underneath all that's marked her life as average has a lot to hide about where she's from who she is and who she's been And when things inevitably begin to spin out of her control more questions about the truth of her past are raised including all the ones she never meant to or even knew to ask Written with the style energy and penetrating insight that made her memoir *Smashed* a phenomenon Koren Zailckas's next novel confirms her growing reputation as a psychological novelist that can stand up to the best of them
