

The Motorcycle Diaries Movie Guide

- Ernesto Guevara's Background:** What was Ernesto 'Che' Guevara's background before his journey through South America? How does the film depict his life and motivations prior to his travels?
- The Journey Across South America:** Detail the route taken by Ernesto Guevara and Alberto Granado across South America as depicted in the film. Which countries and regions did they visit, and how are these places represented?
- Social and Economic Conditions:** What social and economic conditions in the countries visited by Guevara and Granado are highlighted in the film? How did witnessing these conditions influence Guevara's thoughts and future actions?
- Indigenous Populations and Cultural Diversity:** How does the film portray the indigenous populations and cultural diversity of South America? Discuss the interactions between Guevara, Granado, and the local populations.
- Guevara's Medical Ambitions and Humanitarian Concerns:** Considering that Ernesto Guevara was a medical student, how does the film explore his medical ambitions and humanitarian concerns? How do these concerns evolve during the journey?
- The Role of Alberto Granado:** What role did Alberto Granado play in Guevara's journey and in the overall narrative of the film? How did their experiences and perspectives differ or align throughout the trip?
- Political Awakening of Che Guevara:** Analyze the gradual political awakening of Che Guevara as portrayed in the film. What key events and experiences contributed to his emerging political ideology?
- Historical Accuracy and Artistic Interpretation:** Evaluate the historical accuracy of the film. Identify which elements of the film are faithful to historical events and which aspects might have been dramatized or fictionalized for cinematic purposes.

Motorcycle Diaries Teacher Guide:

The Motorcycle Diaries Nadia Lie, 2022-09-02 The first monograph to examine Walter Salles' *The Motorcycle Diaries*, this book explains the significance of Salles' film with respect to the specific category of youth culture as a historically and culturally situated concept. *The Motorcycle Diaries* looks at the film's engagement with emerging adulthood, the importance of travel as a source of self-discovery, and the film's impact on the iconicity of Che Guevara, the international emblem of a restless rebellious youth. Combining insights from transnational film studies, tourism studies, and affect theory, as well as drawing on extensive historical materials, this book provides not only a necessary addition to existing scholarship on this popular movie but also an inspiring model for the analysis of film in relation to youth culture, a burgeoning field of interest in Latin American scholarship. It will interest any scholar in film studies, specifically transnational cinemas, global cinema, Latin American cinema, Latin American history, postcolonial studies, cultural studies, tourism studies, and global politics. The Open Access version of this book is available at www.taylorfrancis.com and has been made available under a Creative Commons Attribution-NonCommercial-NoDerivatives 4.0 license. Alternative Press Index, 2005 *Spanish-Language Pragmatics* Rachel L. Shively, 2025-09-30 *Spanish Language Pragmatics: A Guide for Teachers* provides Spanish instructors with a user-friendly introductory guide to teaching Spanish pragmatics and is designed to make it easier to implement pragmatics instruction in the classroom. The book begins by discussing both the what and how of introducing the field of pragmatics and providing descriptions of various features of Spanish pragmatics that can be targeted in teaching. Instructors are presented with an approach to incorporating pragmatics into the language curriculum with specific teaching techniques and materials laid out. *Spanish Language Pragmatics* is grounded in research and theory which is applied to the practice of teaching Spanish pragmatics in the classroom setting. Both pre-service and in-service Spanish language instructors in secondary, tertiary, and community contexts who are interested in teaching pragmatics will find this book to be an invaluable resource. Additional downloadable materials which include discussion and analysis questions for each chapter, instructional units, and sample lesson plans and ideas for learning objectives and assessments are available at www.routledge.com 9781138695528

Social Studies for Secondary Schools Alan J. Singer, 2014-10-08 Now in its 4th edition, this popular text for secondary social studies methods courses integrates discussions of educational goals and the nature of history and social studies with ideas for organizing social studies curricula, units, lessons, projects, and activities. A major theme throughout is that what teachers choose to teach and the way they teach reflect their broader understanding of society, history, and the purpose of social studies education. Advocating an inquiry and activity-based view of social studies teaching that respects the points of view of students and teachers and is based in practice and experience, it offers systematic support and open, honest advice for new teachers. Each chapter addresses a broad question about social studies education; sub-chapters begin with narrower questions that direct attention to specific educational issues. Lesson ideas and materials in the book and online are especially

designed to help new teachers to address common core learning standards to work in inclusive settings and to promote literacy and the use of technology in social studies classrooms Chapters include highlighted Learning Activities Teaching Activities and Classroom Activities designed to provoke discussion and illustrate different approaches to teaching social studies and conclude with recommendations for further reading and links to on line essays about related social studies topics Activities are followed by four categories Think it over Add your voice to the discussion Try it yourself and It s your classroom All of these are supported with online teaching material Designed for undergraduate and graduate pre service social studies methods courses this text is also useful for in service training programs as a reference for new social studies teachers and as a resource for experienced social studies educators who are engaged in rethinking their teaching practice New in the Fourth Edition Provides a number of new lesson ideas paired with online lesson plans and activity sheets in every chapter Takes a new focus on data driven standards based instruction especially in relation to the common core curriculum Addresses the interactive nature of learning in updated technology sections Reflects current trends in history education Includes more of what the author has learned from working teachers Offers a wealth of additional on line material linked to the text
