Even though Valerie almost killed him, Griffin Black can't be angry after he learns the reason for her distracted driving: an unruly puppy belonging to her ailing friend. As a member of the military police K-9 unit, Griffin insists on training the dog himself. [Thunder Island](#) Meryl Sawyer, 1999: An exclusive resort called Thunder Island is the setting for a training seminar that brings together a female search and rescue expert and her instructor, the man she has been trying to forget. But time has changed them both, and passion burns once again in the wake of a storm that rocks the island. The aftermath of their desire leads to murder. **Welcome Home, Cowboy** Annie Rains, 2016-04-26: With its thriving military base, Seaside, North Carolina, is teeming with heroes of all stripes. But as the bestselling Hero's Welcome series from Annie Rains continues, it takes a cowboy to rescue the town's newest resident from heartache. After a bad breakup leaves Julie Chandler completely devastated, she comes to Seaside seeking a fresh start. A talented, compassionate yoga teacher, she has developed a program to help alleviate the effects of PTSD, but getting a bunch of bullheaded Marines into downward-facing dog might be impossible. So Julie is shocked when one of her first students dives in headfirst and almost tempts her to take down her walls with his easy smile and electrifying touch. Ever since Texas cowboy-turned-Marine pilot Lawson Phillips lost a crew member in a helicopter accident, he hasn't been able to fly. When a psychologist orders him to attend, of all things, a yoga class, Lawson is outraged until he finds out Julie is the instructor. She's beautiful, graceful, and completely guarded when it comes to his advances, but he's determined to find out what makes her tick. Because underneath Julie's hard shell is a woman Lawson knows he could fall for, and he's not ready for the ride to end. Praise for *Welcome Home, Cowboy*: Annie Rains didn't disappoint with this new story and pulled me right into the book, making me fall in love once again with her characters, the small town setting, and an emotional story that made my heart soar. I think I'll never get enough of this series. Roberta's Dreamworld:
